PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and under the authority given and conferred by the 59th section of the Act 40 Victoria, chap. 10, intituled: "An Act to amend and consolidate the Acts respecting the Customs,"—His Excellency the Governor General in Council has been pleased to make and prescribe the following regulations for slaughtering and curing imported swine in bond:

1. Upon the importation of swine for the purpose of slaughtering, the importer shall enter the same for warehouse upon the usual form of such entries, stating upon its face the number, live weight and value of the herd, and the rate and amount of duty as prescribed by the tariff in force at the time of making such entry. Such importer shall then execute a bond to the Queen, with two sufficient sureties to the satisfaction of the Collector of Customs at the port where such carcasses are imported or warehoused, in double the amount of such duty, the condition of such bond shall be that upon due exportation within one year of the products of the swine so imported, slaughtered and cured in the form of pork, bacon, hams, shoulders and lard, or payment of the duty secured by the said bond, then the said bond shall be and become null and void, otherwise shall remain in full force and virtue.

2. After the reception of the swine into the bonding warehouse or slaughter house, it shall not be lawful to remove any of them alive therefrom, nor shall any part of the produce of such swine be removed therefrom for any purpose, without a permit from the Collcetor or proper officer of Customs, as in the case of all other bonded goods.

3. The bond given by the importer as before specified shall be cancelled upon payment of the current rate of duty imposed upon swine imported into Canada, or upon exportation of seventy per cent of the actual live weight of the swine as originally entered, in the form of pork, bacon, hams, shoulders and lard; and if a less quantity than seventy per cent is exported, then duty shall be paid upon the quantity deficient, at the rate imposed upon the live animal in proportion to value.

4. Swine imported in the carcass to be cured and packed in bond may be entered in the usual way for

warehouse, and be placed in the premises established as a warehouse of this class for the special purpose of curing and packing. The weight and value of such carcasses shall be stated upon the face of the entry for warehouse, and the importer shall execute a bond to the Queen with two sufficient sureties to the satisfaction of the Collector of Customs at the Port where such carcasses are imported or warehoused, in double the amount of duty accruing thereupon to be calculated according to the highest rate of duty imposed by the tariff upon any part or parts of the said carcasses, conditioned for the due exportation of the same or payment of duty within one year from date of first entry.

5. The meats being the produce of such carcasses, shall be calculated for exportation or duty, as the case may be, after allowing in respect of meat in pickle a reduction of five per cent. from the original weight, or weight for first entry, and these percentages may be deducted by compensation entries from the warehouse books at the time of each ex-warehouse entry, in proper proportions, and if any less quantity is exported, than the original weight, less the allowance above specified, the duty shall be collected upon such deficiency at the rate of duty required at the time by law upon meats of the kinds exported.

2. That such Sugar Refinery and the premises thereunto belonging, in accordance with the description to be given thereof as aforesaid, shall, for the purposes of refining sugar under the above mentioned Act, be deemed and considered as a Government Bonded Warehouse, and that none of the sugar, molasses or other material, so brought into the said Refinery or upon the said premises, shall be removed therefrom without a proper Ex-Warehouse Entry and due payment of all duties on the same, if entered for home consumption, or upon due entry thereof for exportation under the usual bonds; nor shall any refined sugar or other extract produced from the sugar, molasses or other material aforesaid, be removed from the said Refinery and premises without entry as aforesaid, either for consumption, for removal or exportation, and payment of all Customs duties legally due on the sugar, molasses or other material from which the said refined sugar shall have been manufactured, as the case may be.

3. That before the importer or owner of any sugar, molasses or other material aforesaid shall, for the purpose of refining the same as aforesaid, be entitled to obtain the delivery thereof, either ex-ship, upon their importation into the Dominion of Canada, to be carried immediately to the sugar refinery and premises aforesaid, or out of any of the Queen's Warehouses in which the same may be warehoused, he shall give bond with two sufficient sureties, to the satisfaction of the Collector of Customs, at the Port where such sugar, molasses or other material are imported or warehoused, in a penalty of double the amount of the duties payable on the same, with the condition that the whole amount of the duties so payable upon the quantities of sugar, molasses or other material so delivered upon arrival or out of warehouse as aforesaid, for the purpose of being so refined in Bond, shall, within six months from the date of the bond to be so entered into, be well and truly paid to the Collector of Customs aforesaid for the use of Her Majesty in the Dominion of Canada. And the said importer or owner shall, before he can obtain the delivery aforesaid, further enter into and execute to the Collector, for the use of Her Majesty, as aforesaid, a general bond, the said importer or owner in the penal sum of $10,000, and two approved sureties in the sum of $5,000 each, conditioned that at no period shall the quantity of sugar raw or refined in the said Refinery or Warehouse be less than the quantity on which the bond or bonds for duties hereinbefore mentioned shall be outstanding and unpaid.

4. And for the purpose of further securing the due observance of the foregoing Regulations, the Collectors of Customs, the Surveyor or Warehouse Keeper or other approved officer of Customs, at the Port where the goods shall be so bonded, or at the Port nearest to the said Sugar Refinery, shall at all proper times of the day, have free access to and upon the said Refinery and premises for the purpose of verifying the quantity of sugar, molasses or material aforesaid therein, and any reasonable expenses attending such inspection shall be borne and defrayed by the importer or owner of the sugar, molasses or other material so undergoing refinement in bond.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des douanes, et en vertu de l'autorité conférée par la 125e section, clause 1, de l'acte 40 Victoria, chap. 10, intitulé : " Un acte pour amender et consolider les actes concernant les douanes," il a plu à Son Excellence le Gouverneur-Général de faire et prescrire les " règlements " suivants concernant le raffinage du sucre et des mélasses en entrepôt.

1. Que le percepteur ou autre officier des douanes, à tout port d'entrepôt dans le Canada, pourra livrer, sans paiement de droit, au propriétaire de toute raffinerie de sucre, étant aussi l'importateur ou le propriétaire de tout sucre entreposé, mélasse, ou autres matières desquelles le sucre raffiné peut être produit, dont il aura été fait une entrée régulière, toute quantité de tel sucre, mélasse ou autre matière, dans le but de le raffiner dans les limites du Canada, à tel endroit et sur tels lieux qui pourront être particulièrement désignés par tel propriétaire qui en est l'importateur ou qui en a la propriété.

2. Que toute telle raffinerie de sucre et les terrains y appartenant, conformément à la description qui en sera faite, comme il est dit ci-haut, sera, pour les fins de raffinage de sucre en vertu de l'acte sus-mentionné, considérée comme un entrepôt du gouvernement, et qu'aucune quantité du sucre, de la mélasse, ou autres matières, ainsi apportés dans la dite raffinerie ou sur les dits terrains, ne pourra en être enlevée sans une entrée régulière à l'entrepôt et sans le paiement de tous les droits exigibles sur ces articles, s'ils ont été entrés pour la consommation indigène, ou sans l'entrée voulue s'ils doivent être exportés en entrepôt ; aucun sucre raffiné ou autre matière produite par le sucre, la mélasse, etc., ne pourra être enlevé de la dite raffinerie et des dits terrains, sans qu'il en soit fait une entrée régulière comme susdit, soit pour la consommation, ou pour l'exportation, et sans le paiement de tous les droits de douane légalement dus sur le sucre, la mélasse ou autres matières, desquelles le sucre raffiné aura été fabriqué, selon le cas.

3. Que l'importateur ou le propriétaire de tout sucre, mélasse, ou autres matières susdites. avant d'avoir le droit, dans le but de raffiner les susdits articles, d'en obtenir la livraison, à leur sortie du bateau, lors de leur importation dans le Canada, pour

les transporter immédiatement à la raffinerie de sucre et aux terrains susdits, ou pour les tirer d'aucun entrepôt de la Reine, où ils pourront être entreposés, devra fournir deux cautions suffisantes, à la satisfaction du percepteur des douanes, au port où tel sucre, mélasse ou autre matière sont importés ou entreposés, sous peine d'une amende double du montant de droits exigibles pour ces articles, à la condition que le montant entier des droits ainsi payables sur les quantités de sucre, mélasse ou autres matières ainsi livrés à leur arrivée ou tirés de l'entrepôt comme susdit, dans le but d'être ainsi raffinés en entrepôt, sera, dans les six mois ultérieurs à la date du cautionnement ainsi fourni, payé au dit percepteur des douanes pour l'usage de Sa Majesté dans le Canada, et que le dit importateur ou propriétaire devra, avant d'obtenir possession des dits articles, fournir au percepteur des douanes, pour l'usage de Sa Majesté, une garantie générale comprenant une somme pénale de $10,000 et deux cautions acceptées de $5,000 chacune, pourvu qu'à aucune date la quantité de sucre brut ou raffiné dans la dite raffinerie ou entrepôt ne soit pas moindre que la quantité pour laquelle la garantie ou garanties pour le paiement des droits ci-dessus mentionnée ne sera pas encore payée.

4. Et pour mieux assurer l'observance des susdits règlements, les percepteurs de douanes, l'évaluateur, ou le gardien de l'entrepôt ou autre officier reconnu des douanes, au port où les articles seront ainsi entreposés, ou au port le plus rapproché de la dite raffinerie de sucre, auront, à toute heure du jour, libre accès à la dite raffinerie et dépendances, dans le but de vérifier la quantité de sucre, mélasse ou outre matière susdite, et toute dépense raisonnable relative à telle inspection devra être défrayée par l'importateur, ou le propriétaire du sucre, de la mélasse ou autre matière subissant le raffinage dans l'entrepôt.

W. A. HIMSWORTH,
51–3 Greffier du Conseil Privé.

HOTEL DU GOUVERNEMENT, OTTAWA.

Vendredi, 13 juin 1879.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GENÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des Douanes, et en vertu de l'autorité conférée par la 59e section de l'acte 40 Victoria, chap. 10, intitulé : " Un acte pour amender et refondre les actes concernant les douanes," il a plu à Son Excellence le Gouverneur-Général en conseil de faire et prescrire les règlements suivants pour abattre et préparer les cochons importés en entrepôt :

1. Quand des cochons sont importés pour l'abattoir, l'importateur devra en faire faire l'entrée pour l'entrepôt, suivant la formule ordinaire de telles entrées, laquelle devra indiquer le nombre, la pesanteur et la valeur du troupeau ainsi que le taux et le montant de droits, tels que prescrits par le tarif en vigueur à l'époque où l'entrée a été faite. L'importateur devra donner alors une garantie à la Reine, avec deux cautions suffisantes, à la satisfaction du percepteur des douanes au port où tels bestiaux sont importés ou entreposés, double du montant des droits, à la condition que sur l'exportation dans la période d'une année des produits des cochons ainsi importés, abattus et préparés sous forme de porc, jambon, épaules et lard, ou sur le paiement du droit garanti par le dit cautionnement, le dit cautionnement deviendra nul ; autrement il restera en pleine force.

2. Les cochons rendus à l'entrepôt ou à l'abattoir, il ne sera pas loisible de les en faire sortir vivants, et aucune partie ne pourra en être transférée, sans un permis du percepteur ou de l'officier compétent des douanes, de même que pour tous les articles en entrepôt.

3. La garantie fournie par l'importateur telle que ci-dessus mentionnée, sera annulée sur paiement du taux courant des droits imposés sur les cochons importés au Canada, ou sur l'exportation de soixante-dix pour cent de la pesanteur des cochons vivants, telle qu'inscrite en premier lieu, sous forme de porc, lard, jambon, épaules, et si une quantité moindre que soixante-dix pour cent est exportée, le droit sera alors payé sur la quantité manquant au taux imposé sur le bétail vivant proportionnellement à la valeur.

4. Les cochons abattus importés pour être préparés et empaquetés en entrepôt pourront être entreposés de la manière ordinaire, et déposés dans les entrepôts de ce genre qui servent à la préparation et à l'empaquetage. La pesanteur et la valeur de ces bestiaux seront indiquées sur la formule d'entrée à l'entrepôt, et l'importateur devra fournir une garantie à la Reine, avec deux cautions suffisantes, à la satisfaction du percepteur des douanes au port où tels cochons sont importés ou entreposés, double du montant du droit à prélever, lequel devra être calculé suivant le taux le plus élevé de droit imposé par le tarif sur toute partie ou parties des dits cochons, à la condition qu'ils soient exportés ou que le droit soit payé dans l'année qui suivra la date de la première entrée.

5. Les viandes provenant de tels cochons ainsi abattus seront estimées pour l'exportation ou les droits à payer, selon le cas, une réduction de cinq pour cent étant faite pour la viande en saumure, sur la pesanteur originelle ou la pesanteur inscrite dans la première entrée, et ces proportions pourront être déduites, pour forme d'entrées compensantes, des livres d'entrepôt, à la date de chaque telle entrée pour la sortie de l'entrepôt, et si une quantité exportée est moindre que la pesanteur originelle, la réduction ci-dessus prescrite sera moindre, le droit devant être prélevé sur la différence au taux de droit exigible alors par la loi sur les viandes de l'espèce exportée.

W. A. HIMSWORTH,
51–3 Greffier du Conseil Privé.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to order, and it is hereby ordered, that the following regulations governing the drawback of Customs duties paid on goods exported to Newfoundland, be and the same are hereby approved and adopted.

There may be paid under the above named authority and on the following conditions a drawback of the Customs duties paid on goods imported into Canada and subsequently exported to Newfoundland direct.

The exportation of such goods must have been within two years after the time duty was paid thereon.

The claim for drawback must have been within three months of the exportation.

The claimant for drawback must have been the importer as well as the exporter of such goods and the original value thereof on which duty was paid must have been not less than one hundred dollars.

The claimant upon making claim for such drawback shall deliver to the Collector of Customs at the port where entry outward was made for transmission to and approval of the Customs Departement at Ottawa:

1st. A certified copy of the export entry of such goods to which shall be attached a certificate signed by the Collector or other proper officer of Customs at the port from whence exported, showing the date of clearance and sailing of the vessel named in the said export entry, in which such goods were shipped and naming the port in Newfoundland for which such vessel cleared with the said goods on board, and

further showing that the said goods had been properly examined and identified prior to the said shipment.

2nd. A certificate signed by the Collector or other proper officers of Customs in Newfoundland to which such goods were shipped, setting forth and testifying that the said goods as described and valued in said copy of Export Entry have been duly landed and entered at said port of destination.

His own declaration subscribed under oath showing that he was the importer and also the exporter of the goods on which claim for drawback is made, that he has exported them to a port in Newfoundland giving the name thereof and the name of the consignee, that none of them are intended to be relanded in Canada, that the value assigned to said goods in the certified copy of Export Entry attached and on which the drawback of duty is claimed was the value on which he paid duty when the same were imported; that the amount of drawback claimed is the same as the duty paid by him on said goods and no more; that the said goods were entered inwards for duty within two years of the exportation thereof, and (where possible to do so) he shall give the number or numbers of and date or dates of the entries on which duty was paid, or if in consequence of the exportation being made of goods taken from a promiscuous lot and for that reason he is unable to give the numbers and dates of the entries thereof, he shall so declare and also whether said goods were entered for duty prior or subsequent to the 15th day of March, 1879.

He shall in all cases where the shipment on which drawback is claimed consists of more than one article or class of goods, attach to the claim a schedule (properly classified according to the rates of duty paid) distinctly showing the quantities and original value on which duty was paid and rate and amount of duty paid on each article or class of goods therein named, this schedule shall be so endorsed over the proper signature of the claimant as to identify it with the claim and with the certified copy of Export Entry attached, and it shall be held to form a part thereof.

The Minister of Customs is hereby empowered to cause to be prepared such form or forms for claims and vouchers, not inconsistent with the foregoing, as he may deem expedient, and to require from claimants, such further evidence respecting the claims as circumstances may seem to him to require.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Le dessous des planchers de tous appartements ou chambres d'entrepôt dans lesquels des spiritueux ou autres articles sujets à un droit d'accise sont emmagasinés ou placés pendant qu'ils subissent l'opération de fabrication, sera, dans le cas où il se trouvera un vide ou qu'il y aura un autre appartement au-dessous, soit lambrissé ou latté.

2. Le vinaigre produit dans toute fabrique en entrepôt le sera dans la proportion de 100 gallons de vinaigre réglementaire pour chaque 24 gallons de spiritueux de preuve entrés dans la fabrique et employés à la production du vinaigre, ajoutant à dite quantité réglementaire de vinaigre telle proportion qui pourra, dans l'opinion du département du revenu de l'intérieur, provenir de tout autre article tel que de la bière ou du vin sur, de l'acide acétique ou autre article semblable apporté dans la fabrique en sus de l'alcool employé à sa production.

3. Le vinaigre réglementaire mentionné au par. 2, devra contenir pas moins que l'équivalent de six pour cent, au poids, d'acide acétique ; et cette proportion sera déterminée par des épreuves chimiques faites et appliquées au moyen des appareils dont les règlements ou instructions du département ordonneront l'emploi.

4. Les officiers du revenu de l'intérieur pourront, en tout temps, prendre des échantillons de tous les colis de vinaigre ou autre article produit dans toute fabrique en entrepôt, et de tous les colis de vinaigre ou autre article apporté dans la fabrique, selon qu'ils le croiront nécessaire pour déterminer la force ou la qualité du vinaigre ou autre article dont cet échantillon aura été pris.

5. Tout colis de spiritueux et tout autre article ou matière apporté dans aucune fabrique en entrepôt, qu'il soit ou non sujet à un droit d'accise ou de douane, sera immédiatement placé dans un appartement convenable et fermé au moyen d'une serrure de douane dont la clé sera sous la garde exclusive d'un officier du revenu de l'intérieur, et aucun colis de spiritueux ou autre article ne sera enlevé de cet appartement fermé qu'en présence de l'officier qui en a la clé pour le temps d'alors; et tout article enlevé de cet appartement fermé sera immédiatement transporté en présence de tel officier à la chambre de mélange ou autre lieu où il doit être employé ou appliqué à la fin à laquelle il est destiné.

6. Tous les spiritueux seront gardés dans une chambre, compartiment ou vaisseau muni d'une serrure portant la marque de l'Etat, de manière à n'être accessible qu'en présence d'un officier du revenu de l'intérieur tant que ces spiritueux resteront dans un état à pouvoir être employés comme breuvages.

7. Toute marque d'accise faite sur tout colis dans lequel des effets sujets au droit d'accise sont apportés dans une fabrique en entrepôt, sera complètement effacée et enlevée de tel colis lorsque ce colis sera sorti de l'appartement fermé dans lequel il avait été placé tel que pourvu dans le par. 5.

8. Nulle personne licenciée comme fabricant en entrepôt ne pourra vendre ni acheter des spiritueux ou des liqueurs spiritueuses dans les endroits pour lesquels cette licence est accordée, ni dans aucun autre endroit situé à moins de cinq cents verges de tel endroit licencié, à moins que cet achat ou cette vente n'ait lieu que dans le cours ordinaire des affaires pour lesquelles la licence est accordée, ou que permission de faire telle vente ou achat ne soit spécifiée dans la licence.

9. Aucuns spiritueux qui ont payé les droits, ou autres effets sujets aux droits d'accise sur lesquels le droit a été payé (à l'exception des effets sur lesquels la différence entre les droits de douane et d'accise a été payée en vertu de 31 Vic. chap. 8, sec. 31) ne seront entrés dans aucune fabrique en entrepôt.

10. Les spiritueux destinés à être mélangés de méthyle ne seront pas d'une force moindre que soixante degrés au-dessus de la preuve, et si en aucun temps après ce procédé il en est découvert sur le marché, en transit ou en magasin, plus faibles, on les considérera et on les traitera comme des spiritueux ordinaires ou non méthyliques qui auraient été illégalement enlevés d'une distillerie ou d'un entrepôt sans avoir payé de droits.

11. La section 4 de l'ordre en conseil du 5 décembre 1870, tel qu'amendée par l'ordre du conseil du 16 janvier 1871, est par le présent annulée et la suivante y est substituée :

"4. A chaque cent gallons de spiritueux de la force de soixante degrés au-dessus de preuve d'après l'hydromètre de Sykes, il sera mélangé douze gallons de "napthe de bois du commerce," ayant un poids spécifique de pas moins de ·830, ni plus de ·838 à une température de 62° Fahrenheit, et le napthe de bois ainsi employé ne devra pas avoir subi plus d'une opération de rectification, ni être de la qualité connue sous le nom de "alcool de bois."

12. En sus des échantillons de napthe de bois envoyés au département conformément à l'ordre en conseil du 5 décembre 1870, d'autres échantillons semblables pourront être pris et éprouvés quant à la qualité et poids spécifique par l'officier du revenu de l'intérieur nommé à cette fin, et le napthe dont ces échantillons sont pris ne sera pas employé ni sorti de l'appartement fermé dans lequel il est emmagasiné, si ce n'est dans le but de l'enlever de la fabrique jusqu'à ce qu'il ait été ainsi mis à l'épreuve et approuvé par le percepteur du revenu de l'intérieur comme propre à la fabrication des spiritueux méthyliques.

13. Tout officier du revenu de l'intérieur pourra, en aucun temps, prendre des échantillons de spiritueux méthyliques des colis de tels spiritueux, qu'ils soient dans la fabrique en entrepôt ou ailleurs, et si, lors de l'analyse de ces échantillons par un analyste nommé sous l'autorité de l'acte 36 Victoria, chapitre 8, l'on trouve qu'ils manquent de la quantité voulue de napthe de bois ou méthyle, les spiritueux dont ces échantillons auront été pris seront censés avoir été enlevés illicitement d'une distillerie ou d'une fabrique en entrepôt sans avoir payé les droits, et seront traités en conséquence.

HOTEL DU GOUVERNEMENT, OTTAWA.

Jeudi, 17 juillet 1879.

Présent :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des douanes et en vertu des dispositions de la 16e section de l'acte passé dans la session du Parlement du Canada, tenue dans la 31e année du règne de Sa Majesté, chapitre 7 et intitulé : " Un acte imposant des droits de douanes, avec le tarif des droits payables en vertu de cet acte,"—

Il a plu à Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner, et il est par les présentes ordonné que les règlements

suivants concernant la remise des droits de douanes payés sur les articles exportés à Terreneuve, soient par les présentes approuvés et adoptés.

Il pourra être fait, en vertu de la susdite autorité, et aux conditions suivantes, une remise des droits de douanes payés sur les articles importés au Canada et exportés subséquemment par voie directe à Terreneuve.

L'exportation de ces articles aura dû être faite deux ans après la date où le droit aura été payé sur ces articles.

La demande de remise de droit aura dû être faite dans les trois mois qui suivront l'exportation.

La personne demandant la remise de droits aura dû être à la fois l'importateur et l'exportateur de ces articles, et la valeur originelle sur laquelle le droit a été payé n'aura pas dû être moindre de cent piastres.

Lorsqu'elle fera la demande de remise de droit, elle devra remettre au percepteur des douanes, au port où l'inscription pour la sortie a été faite, pour être transmis et approuvés par le département des douanes à Ottawa :

1. Une copie authentique de l'inscription de l'exportation de tels articles, à laquelle sera annexé un certificat signé par le percepteur ou autre officier de douanes compétent, au port d'où ils seront exportés, indiquant la date de sortie et de départ du bâtiment désigné dans la dite inscription d'exportation, à bord duquel tels articles ont été expédiés, et indiquant le port dans Terreneuve à destination de tel bâtiment chargé de tels articles, et indiquant de plus que les dits articles ont été convenablement examinés et identifiés avant la dite expédition.

2. Un certificat signé par le percepteur ou autre officier de douanes compétent à Terreneuve, auquel tels articles ont été expédiés, montrant et prouvant que les dits articles tels que décrits et estimés dans la dite copie de l'inscription d'exportation ont été dûment débarqués et inscrits au dit port de destination.

3. Sa propre déclaration sous serment attestant qu'il est l'importateur ainsi que l'exportateur des articles sur lesquels une demande de remise de droits est faite, qu'il les a exportés à un port à Terreneuve, en indiquant le nom de ce port et le nom du consignataire, déclarant qu'aucun de ces articles ne doit être débarqué de nouveau au Canada, que la valeur assignée aux dits articles dans la copie authentique de l'inscription de l'exportation annexée, et sur lesquels la demande de remise de droits est faite, est la valeur des articles sur laquelle elle a payé un droit quand ils ont été importés ; que le montant de la remise de droit reclamée est le même que le droit payé par elle sur les dits articles et pas davantage, que les dits articles ont été entrés à la douane dans la période de deux ans qui a suivi l'exportation et (quand cela sera possible), il indiquera le numéro ou les numéros, et la date ou les dates des inscriptions en vertu desquelles le droit a été payé, ou si, par suite de l'exportation d'articles pris d'un lot général et que pour cette raison il ne peut indiquer les numéros et les dates des dites inscriptions, il devra faire une déclaration à cet effet ; il devra aussi dire si ces articles ont été entrés à la douane avant ou après le 15 mars 1879. Il devra aussi dans tous les cas où l'expédition, sur laquelle une remise de droits est réclamée, se compose de plus d'un article ou d'une catégorie d'articles annexer à la demande une déclaration (classée régulièrement d'après le taux du droit payé) indiquant distinctement les quantités et la valeur originelle sur lesquelles le droit a été payé et le taux ainsi que le montant du droit payé sur chaque article ou catégorie d'articles y désigné, cette déclaration devant être signée par le réclamant de façon à l'identifier avec la réclamation et avec la copie authentique de l'inscription d'exportation annexée, et elle sera censée en former partie.

Le ministre des Douanes est par les présentes autorisé à faire préparer telle formule ou formules de réclamations et pièces justificatives, non incompatibles avec les présentes, qu'il jugera convenables, et à exiger des réclamants telle autre preuve concernant les réclamations que les circonstances pourront sembler exiger de lui.

Les règlements concernant la remise de droits sur les articles exportés à l'Ile du Prince-Edouard et à Terreneuve, établis par ordre du Conseil, en date du 18 mai 1870, sont par les présentes abrogés.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

3. Standard vinegar referred to in § 2 shall contain not less than the equivalent of six per cent., by weight, of acetic acid, which percentage shall be determined by such established chemical tests applied by such apparatus as may be, from time to time, directed by Departmental regulations or instructions made in that behalf.

ON the recommendation of the Honorable the Minister of Customs, and under the provisions of the 16th section of the Act passed in the session of Parliament of Canada, held in the 31st year of Her Majesty's Reign, chaptered 7, and intituled: "An "Act imposing duties of Customs, with the Tariff of "Duties payable under it,"—

His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to order, and it is hereby ordered, that the following regulations governing the drawback of Customs duties paid on goods exported to Newfoundland, be and the same are hereby approved and adopted.

There may be paid under the above named authority and on the following conditions a drawback of the Customs duties paid on goods imported into Canada and subsequently exported to Newfoundland direct.

The exportation of such goods must have been within two years after the time duty was paid thereon.

The claim for drawback must have been within three months of the exportation.

The claimant for drawback must have been the importer as well as the exporter of such goods and the original value thereof on which duty was paid must have been not less than one hundred dollars.

The claimant upon making claim for such drawback shall deliver to the Collector of Customs at the port where entry outward was made for transmission to and approval of the Customs Departement at Ottawa:

1st. A certified copy of the export entry of such goods to which shall be attached a certificate signed by the Collector or other proper officer of Customs at the port from whence exported, showing the date of clearance and sailing of the vessel named in the said export entry, in which such goods were shipped and naming the port in Newfoundland for which such vessel cleared with the said goods on board, and further showing that the said goods had been properly examined and identified prior to the said shipment.

2nd. A certificate signed by the Collector or other proper officers of Customs in Newfoundland to which such goods were shipped, setting forth and testifying that the said goods as described and valued in said copy of Export Entry have been duly landed and entered at said port of destination.

3rd. His own declaration subscribed under oath showing that he was the importer and also the exporter of the goods on which claim for drawback is made, that he has exported them to a port in Newfoundland giving the name thereof and the name of the consignee, that none of them are intended to be relanded in Canada, that the value assigned to said goods in the certified copy of Export Entry attached and on which the drawback of duty is claimed was the value on which he paid duty when the same were imported; that the amount of drawback claimed is the same as the duty paid by him on said goods and no more; that the said goods were entered inwards for duty within two years of the exportation thereof, and (where possible to do so) he shall give the number or numbers of and date or dates of the entries on which duty was paid, or if in consequence of the exportation being made of goods taken from a promiscuous lot and for that reason he is unable to give the numbers and dates of the entries thereof, he shall so declare and also whether said goods were entered for duty prior or subsequent to the 15th day of March, 1879.

He shall in all cases where the shipment on which drawback is claimed consists of more than one article or class of goods, attach to the claim a schedule (properly classified according to the rates of duty paid) distinctly showing the quantities and original value on which duty was paid and rate and amount of duty paid on each article or class of goods therein named, this schedule shall be so endorsed over the proper signature of the claimant as to identify it with the claim and with the certified copy of Export Entry attached, and it shall be held to form a part thereof.

The Minister of Customs is hereby empowered to cause to be prepared such form or forms for claims and vouchers, not inconsistent with the foregoing, as he may deem expedient, and to require from claimants, such further evidence respecting the claims as circumstances may seem to him to require.

1. "Until further and final survey of the said railway has been made west of the Red River, and for the purposes of these regulations, the line of the said railway shall be assumed to be on the fourth base westerly to the intersection of the said base by the line between ranges 21 and 22 west of the first principal meridian, and thence in a direct line to the confluence of the Shell River with the River Assiniboine.

2. "The country lying on each side of the line of railway shall be respectively divided into belts as follows:

8. "The terms of sale of pre-emptions throughout

the several belts, B, C, D and E shall be as follows, viz : Four-tenths of the purchase money, together with interest on the latter, at the rate of 6 per cent. per annum, to be paid at the end of three years from the date of entry ; the remainder to be paid in six equal annual instalments from and after the said date, with interest at the rate above mentioned, on such balance of the purchase money as may from time to time remain unpaid, to be paid with each instalment.

9. All payments, either for pre-emptions or for railway lands proper, shall be in cash, and not in scrip or bounty warrants.

10. " All entries of lands shall be subject to the following provisions respecting the right of way of the Canadian Pacific Railway or of any government colonization railway connected therewith, viz :

a. In the case of the railway crossing land entered as a homestead, the right of way thereon shall be free to the government.

b. Where the railway crosses pre-emptions or railway lands proper, the owner shall only be entitled to claim payment for the land required for right of way at the same rate per acre as he may have paid the government for the same.

11. " The above regulations shall come into force on and after the first day of August next, up to which time the provisions of the Dominion Lands Act shall continue to operate over the lands included in the several belts mentioned, excepting as relates to the belts A and B, in both of which, up to the said date, homesteads of 160 acres each, but no other entries will, as at present, be permitted.

12. " Claims to Dominion lands arising from settlement, after the date hereof, in territory unsurveyed at the time of such settlement, and which may be embraced within the limits affected by the above policy, or by the extension thereof in the future over additional territory, will be ultimately dealt with in accordance with the terms prescribed above for the lands in the particular belt in which such settlement may be found to be situated.

13. " All entries after the date hereof of unoccupied lands in the Saskatchewan Agency, will be considered as provisional until the railway line through that part of the territories has been located, after which the same will be finally disposed of in accordance with the above regulations, as the same may apply to the particular belt in which such lands may be found to be situated.

14. " The above regulations it will, of course, be understood will not affect sections 11 and 29, which are public school lands, or sections 8 and 26, Hudson's Bay Company lands.

" Any further information necessary may be obtained on application at the Dominion Lands Office, Ottawa, or from the agent of Dominion Lands, Winnipeg, or from any of the local agents in Manitoba or the Territories, who are in possession of maps showing the limits of the several belts above referred to, a supply of which maps will, as soon as possible, be placed in the hands of the said agents for general distribution."

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

En vertu de l'autorité contenue dans la section 58, 31 Victoria, chapitre 40, des associations ou compagnies d'exercice pourront s'organiser dans les établissements d'éducation ci-après mentionnés, sujettes aux règlements qui suivent :

1. Vu les moyens limités qui peuvent être mis à la disposition de ces associations, ces dernières ne seront organisées, jusqu'à nouvel ordre, que dans les universités, les colléges, les écoles normales et les lycées (*high schools.*)

2. Pour le présent le total des compagnies à organiser ne devra pas dépasser soixante-quatorze,—dont 34 dans la Province d'Ontario, 24 dans la province de Québec, 13 dans les Provinces Maritimes ; 2 au Manitoba et une dans la province de la Colombie-Britannique.

3. Ces compagnies ne feront que suivre un cours d'exercices militaires, et ne devront, pour aucune raison, être employées au service actif.

4. Il ne sera fourni ni carabines ni équipements à toute université, collége ou école dont la compagnie sera composée de moins de quarante des élèves qui fréquentent régulièrement l'institution.

5. Les carabines seront celles qui se chargent par la culasse, du modèle Snider-Enfield ou autre modèle approuvé, avec baïonnettes et fourreau complet.

6. L'équipement consistera en une ceinture, avec une giberne et un porte-baïonnette.

7. Les livres nécessaires à chaque compagnie pour son instruction militaire lui seront fournis gratis par le département de la Milice et de la Défense.

8. Le gouvernement fournira à ses propres frais pour l'instruction de chaque compagnie, un instructeur qui sera employé pendant un mois chaque année, ou plus longtemps si le département le juge à propos ; cet espace d'un mois pourra être divisé en deux différentes époques égales, si la chose est jugée plus convenable.

9. Aussitôt que l'on aura fait connaître le nombre de compagnies qui pourront s'organiser, et quel sera le temps le plus convenable à la compagnie et aux directeurs de l'université, du collége ou de l'école pour commencer l'instruction, le département fixera la date où l'instructeur sera disponible et en donnera avis à temps aux personnes concernées.

10. On fera des stipulations particulières pour les instructeurs dans la Colombie-Britannique et Manitoba.

Conditions.

11. Les armes et équipement seront fournis aux conditions suivantes :

(1.) Les directeurs de toute université, collége ou école se rendront responsables, par écrit, de la valeur des armes et équipement qui leur seront confiés et de leur remise en bon ordre au Département de la Milice, lorsque requis.

(2.) Ils fourniront une chambre convenable avec râtelier fermant à clef, laquelle servira d'arsenal, et convaincront le Département de la Milice que les soins et l'attention convenables y seront apportés.

(3.) Ils devront maintenir et exercer régulièrement une compagnie de jeunes gens au-dessus de 14 ans, fréquentant telle université, collége ou école.

(4.) A l'organisation de la compagnie ils fourniront un rôle des élèves qui devront en faire partie, et par la suite, annuellement, un rôle semblable signée des membres actuels de la compagnie.

(5.) Ils recommanderont des personnes convenables qui seront nommées une, capitaine, et deux, lieutenants de la compagnie, ainsi que d'autres pour remplir les vacances qui pourra survenir de temps en temps.

(6.) Ils verront à ce que les membres de telle compagnie se maintiennent pourvus de l'uniforme dont le patron et la couleur seront approuvés par le gouvernement.

BATTERIES "A" ET "B" ET ECOLES D'ARTILLERIE.

Augmentation de la force.

Comme on se propose de prendre dans les batteries d'artillerie "A" et "B" les instructeurs que nécessitera le système d'instruction militaire qu'on a en vue d'établir dans les universités, les colléges, les écoles normales et les lycées (*high schools*), et comme la force actuelle de ces batteries n'est pas suffisante pour atteindre ce but, le cadre de la batterie "A" sera augmenté de quatre sergents dont les services seront mis à la disposition de la province d'Ontario, et le cadre de la batterie "B" sera augmenté de cinq sergents dont les services seront disponibles pour la province de Québec et les provinces maritimes.

Ces instructeurs seront attachés, pour la discipline, aux batteries dans lesquelles ils sont enrôlés, et lorsqu'ils ne seront pas employés à l'instruction des compagnies des universités, colléges ou écoles, ils retourneront dans leur batterie respective pour y remplir leurs devoirs.

Par ordre,

WALKER POWELL, Colonel,
Adjudant-Général de la Milice,
Canada.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre du Revenu de l'Intérieur, et en vertu des dispositions des clauses 17 et 114 de l'acte passé durant la session du parlement du Canada tenue en la 31me année du règne de Sa Majesté, chapitre 8, et intitulé : " Acte concernant le revenu de l'intérieur,"—

Il a plu à Son Excellence, par et de l'avis du Conseil privé de la Reine, au Canada, de faire les règlements additionnels suivants, relatifs au contrôle des fabriques en entrepôt :

Règlements additionnels.

1. Le dessous des planchers de tous appartements ou chambres d'entrepôt dans lesquels des spiritueux ou autres articles sujets à un droit d'accise sont emmagasinés ou placés pendant qu'ils subissent l'opération de fabrication, sera, dans le cas où il se trouvera un vide ou qu'il y aura un autre appartement au-dessous, soit lambrissé ou latté.

2. Le vinaigre produit dans toute fabrique en entrepôt le sera dans la proportion de 100 gallons de vinaigre réglementaire pour chaque 24 gallons de spiritueux de preuve entrés dans la fabrique et employés à la production du vinaigre, ajoutant à dite quantité réglementaire de vinaigre telle proportion qui pourra, dans l'opinion du département du revenu de l'intérieur, provenir de tout autre article tel que de la bière ou du vin sur, de l'acide acétique ou autre article semblable apporté dans la fabrique en sus de l'alcool employé à sa production.

3. Le vinaigre réglementaire mentionné au par. 2, devra contenir pas moins que l'équivalent de six pour cent, au poids, d'acide acétique ; et cette proportion sera déterminée par des épreuves chimiques faites et appliquées au moyen des appareils dont les règlements ou instructions du département ordonneront l'emploi.

4. Les officiers du revenu de l'intérieur pourront, en tout temps, prendre des échantillons de tous les colis de vinaigre ou autre article produit dans toute fabrique en entrepôt, et de tous les colis de vinaigre ou autre article apporté dans la fabrique, selon qu'ils le croiront nécessaire pour déterminer la force ou la qualité du vinaigre ou autre article dont cet échantillon aura été pris.

5. Tout colis de spiritueux et tout autre article ou matière apporté dans aucune fabrique en entrepôt, qu'il soit ou non sujet à un droit d'accise ou de douane, sera immédiatement placé dans un appartement convenable et fermé au moyen d'une serrure de douane dont la clé sera sous la garde exclusive d'un officier du revenu de l'intérieur, et aucun colis de spiritueux ou autre article ne sera enlevé de cet appartement fermé qu'en présence de l'officier qui en a la clé pour le temps d'alors ; et tout article enlevé de cet appartement fermé sera immédiatement transporté en présence de tel officier à la chambre de mélange ou autre lieu où il doit être employé ou appliqué à la fin à laquelle il est destiné.

6. Tous les spiritueux seront gardés dans une chambre, compartiment ou vaisseau muni d'une serrure portant la marque de l'Etat, de manière à n'être accessible qu'en présence d'un officier du revenu de l'intérieur tant que ces spiritueux resteront dans un état à pouvoir être employés comme breuvages.

7. Toute marque d'accise faite sur tout colis dans lequel des effets sujets au droit d'accise sont apportés dans une fabrique en entrepôt, sera complètement effacée et enlevée de tel colis lorsque ce colis sera sorti de l'appartement fermé dans lequel il avait été placé tel que pourvu dans le par. 5.

8. Nulle personne licenciée comme fabricant en entrepôt ne pourra vendre ni acheter des spiritueux ou des liqueurs spiritueuses dans les endroits pour lesquels cette licence est accordée, ni dans aucun autre endroit situé à moins de cinq cents verges de tel endroit licencié, à moins que cet achat ou cette vente n'ait lieu que dans le cours ordinaire des affaires pour lesquelles la licence est accordée, ou que permission de faire telle vente ou achat ne soit spécifiée dans la licence.

9. Aucuns spiritueux qui ont payé les droits, ou autres effets sujets aux droits d'accise sur lesquels le droit a été payé (à l'exception des effets sur lesquels la différence entre les droits de douane et d'accise a été payée en vertu de 31 Vic. chap. 8, sec. 31) ne seront entrés dans aucune fabrique en entrepôt.

10. Les spiritueux destinés à être melangés de méthyle ne seront pas d'une force moindre que soixante degrés au-dessus de la preuve, et si en aucun temps après ce procédé il en est découvert sur le marché, en transit ou en magasin, plus faibles, on les considérera et on les traitera comme des spiritueux ordinaires ou non méthyliques qui auraient été illé-

galement enlevés d'une distillerie ou d'un entrepôt sans avoir payé de droits.

11. La section 4 de l'ordre en conseil du 5 décembre 1870, tel qu'amendée par l'ordre du conseil du 16 janvier 1871, est par le présent annulée et la suivante y est substituée :

"4. A chaque cent gallons de spiritueux de la force de soixante degrés au-dessus de preuve d'après l'hydromètre de Sykes, il sera mélangé douze gallons de "napthe de bois du commerce," ayant un poids spécifique de pas moins de ·830, ni plus de ·838 à une température de 62° Fahrenheit, et le napthe de bois ainsi employé ne devra pas avoir subi plus d'une opération de rectification, ni être de la qualité connue sous le nom de "alcool de bois."

12. En sus des échantillons de napthe de bois envoyés au département conformément à l'ordre en conseil du 5 décembre 1870, d'autres échantillons semblables pourront être pris et éprouvés quant à la qualité et poids spécifique par l'officier du revenu de l'intérieur nommé à cette fin, et le napthe dont ces échantillons sont pris ne sera pas employé ni sorti de l'appartement fermé dans lequel il est emmagasiné, si ce n'est dans le but de l'enlever de la fabrique jusqu'à ce qu'il ait été ainsi mis à l'épreuve et approuvé par le percepteur du revenu de l'intérieur comme propre à la fabrication des spiritueux méthyliques.

13. Tout officier du revenu de l'intérieur pourra, en aucun temps, prendre des échantillons de spiritueux méthyliques des colis de tels spiritueux, qu'ils soient dans la fabrique en entrepôt ou ailleurs, et si, lors de l'analyse de ces échantillons par un analyste nommé sous l'autorité de l'acte 36 Victoria, chapitre 8, l'on trouve qu'ils manquent de la quantité voulue de napthe de bois ou méthyle, les spiritueux dont ces échantillons auront été pris seront censés avoir été enlevés illicitement d'une distillerie ou d'une fabrique en entrepôt sans avoir payé les droits, et seront traités en conséquence.

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des douanes et en vertu des dispositions de la 16e section de l'acte passé dans la session du Parlement du Canada, tenue dans la 31e année du règne de Sa Majesté, chapitre 7 et intitulé: "Un acte imposant des droits de douanes, avec le tarif des droits payables en vertu de cet acte,"—

Il a plu à Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner, et il est par les présentes ordonné que les règlements suivants concernant la remise des droits de douanes payés sur les articles exportés à Terreneuve, soient par les présentes approuvés et adoptés.

Il pourra être fait, en vertu de la susdite autorité, et aux conditions suivantes, une remise des droits de douanes payés sur les articles importés au Canada et exportés subséquemment par voie directe à Terreneuve.

L'exportation de ces articles aura dû être faite deux ans après la date où le droit aura été payé sur ces articles.

La demande de remise de droit aura dû être faite dans les trois mois qui suivront l'exportation.

La personne demandant la remise de droits aura dû être à la fois l'importateur et l'exportateur de ces articles, et la valeur originelle sur laquelle le droit a été payé n'aura pas dû être moindre de cent piastres.

Lorsqu'elle fera la demande de remise de droit, elle devra remettre au percepteur des douanes, au port où l'inscription pour la sortie a été faite, pour être transmis et approuvés par le département des douanes à Ottawa:

1. Une copie authentique de l'inscription de l'exportation de tels articles, à laquelle sera annexé un certificat signé par le percepteur ou autre officier de douanes compétent, au port d'où ils seront exportés, indiquant la date de sortie et de départ du bâtiment désigné dans la dite inscription d'exportation, à bord duquel tels articles ont été expédiés, et indiquant le port dans Terreneuve à destination de tel bâtiment chargé de tels articles, et indiquant de plus que lès dits articles ont été convenablement examinés et identifiés avant la dite expédition.

2. Un certificat signé par le percepteur ou autre officier de douanes compétent à Terreneuve, auquel tels articles ont été expédiés, montrant et prouvant que les dits articles tels que décrits et estimés dans la dite copie de l'inscription d'exportation ont été dûment débarqués et inscrits au dit port de destination.

3. Sa propre déclaration sous serment attestant qu'il est l'importateur ainsi que l'exportateur des articles sur lesquels une demande de remise de droits est faite, qu'il les a exportés à un port à Terreneuve, en indiquant le nom de ce port et le nom du consignataire, déclarant qu'aucun de ces articles ne doit être débarqué de nouveau au Canada, que la valeur assignée aux dits articles dans la copie authentique de l'inscription de l'exportation annexée, et sur lesquels la demande de remise de droits est faite, est la valeur des articles sur laquelle elle a payé un droit quand ils ont été importés; que le montant de la remise de droit reclamée est le même que le droit payé par elle sur les dits articles et pas davantage, que les dits articles ont été entrés à la douane dans la période de deux ans qui a suivi l'exportation et (quand cela sera possible), il indiquera le numéro ou les numéros, et la date ou les dates des inscriptions en vertu desquelles le droit a été payé, ou si, par suite de l'exportation d'articles pris d'un lot général et que pour cette raison il ne peut indiquer les numéros et les dates des dites inscriptions, il devra faire une déclaration à cet effet; il devra aussi dire si ces articles ont été entrés à la douane avant ou après le 15 mars 1879. Il devra aussi dans tous les cas où l'expédition, sur laquelle une remise de droits est réclamée, se compose de plus d'un article ou d'une catégorie d'articles annexer à la demande une déclaration (classée régulièrement d'après le taux du droit payé) indiquant distinctement les quantités et la valeur originelle sur lesquelles le droit a été payé et le taux ainsi que le montant du droit payé sur chaque article ou catégorie d'articles y désigné, cette déclaration devant être signée par le réclamant de façon à l'identifier avec la réclamation et avec la copie authentique de l'inscription d'exportation annexée, et elle sera censée en former partie.

Le ministre des Douanes est par les présentes autorisé à faire préparer telle formule ou formules de réclamations et pièces justificatives, non incompatibles avec les présentes, qu'il jugera convenables, et à exiger des réclamants telle autre preuve concernant les réclamations que les circonstances pourront sembler exiger de lui.

Les règlements concernant la remise de droits sur les articles exportés à l'Ile du Prince-Edouard et à Terreneuve, établis par ordre du Conseil, en date du 18 mai 1870, sont par les présentes abrogés.

7. Dans la ceinture E la description et l'étendue des concessions gratuites, des préemptions, et les terres du chemin de fer respectivement, seront comme ci-dessus, et les prix des préemptions et des terres du chemin de fer seront uniformes à raison de $1 (une piastre) l'acre.

8. Les termes de vente des préemptions dans toutes les différentes ceintures B, C, D et E seront comme suit, savoir : Quatre dixièmes du prix de l'achat, ensemble avec l'intérêt de celui-ci, à raison de 6 pour cent par année, seront payés à l'expiration de trois années depuis la concession ; la balance sera payée en six versements annuels égaux, depuis et après la dite date, avec l'intérêt, au taux plus haut mentionné, sur telle balance du prix d'achat restant non acquittée, payable avec chaque versement.

9. Les termes de vente des terres du chemin de fer seront uniformément comme suit, savoir : Un dixième en argent comptant au moment de l'achat ; la balance en neuf versements annuels égaux, avec intérêt de six pour cent par année sur la balance du prix d'achat restant non acquittée, payable avec chaque versement. Tous paiements, soit pour préemptions ou pour terres appropriées au chemin de fer, seront faits en argent comptant et non en *scrip* ou en certificats de primes.

10. Toutes les concessions de terres seront sujettes aux dispositions suivantes quant à ce qui a trait au droit de passage du chemin de fer du Pacifique Canadien et de tous autres chemins de fer de colonisation du gouvernement y ayant rapport, savoir :

a. Dans le cas où le chemin de fer traverse une terre accordée comme concession gratuite, le droit de passage sur icelle sera libre pour le gouvernement.

b. Là où le chemin de fer traverse des préemptions ou des terres appropriées au chemin de fer, le propriétaire aura simplement le droit de réclamer paiement pour la terre exigée comme droit de passage au même taux, par acre, qu'il aurait payé au gouvernement pour icelle.

11. Les règlements ci-dessus seront en force le et après le premier jour d'août prochain, jusqu'auquel temps les dispositions de l'acte des terres de la Puissance continueront d'avoir effet sur les terres comprises dans les différentes ceintures mentionnées, excepté quant à ce qui a rapport aux ceintures A et B dans chacune desquelles, jusqu'à la dite date, les concessions gratuites de 160 acres chaque, seront permises, comme à présent, à l'exclusion de toutes autres.

13. Les réclamations au sujet des terres de la Puissance résultant de l'établissement après cette date, dans le territoire non-arpenté au moment de tel établissement et qui peuvent être comprises dans les limites affectées par les mesures plus haut mentionnées, ou par leur extension future sur un territoire additionnel, seront ultérieurement négociées suivant les termes prescrits plus haut pour les terres se trouvant dans la ceinture particulière dans laquelle tel établissement peut être situé.

13. Toutes concessions, près cette date, de terres non-occupées dans l'agence Saskatchewan, seront considérés comme provisoires jusqu'à ce que la ligne du chemin de fer à travers des territoires ait été déterminée, après quoi il en sera finalement disposé suivant les règlements ci-dessus, selon qu'ils pourront s'appliquer à la ceinture particulière dans laquelle telles terres peuvent être situées.

14. Les règlements ci-dessus, on le comprendra facilement, n'affecteront pas les sections 11 et 29, qui sont des terres appropriées aux écoles publiques, ni les sections 8 et 26 qui sont des terres de la Compagnie de la Baie d'Hudson.

Toutes autres informations nécessaires pourront être obtenues en s'adressant au bureau des Terres de la Puissance, à Outaouais, ou à l'agent des terres de la Puissance, à Winnipeg, ou à tous autres agents locaux dans Manitoba ou dans les territoires du Nord-Ouest, qui sont en possession de cartes montrant les limites des diverses ceintures plus haut mentionnées; un approvisionnement de ces cartes sera placé, aussitôt que possible, entre les mains des dits agents qui seront chargés d'en faire une distribution générale.

GOVERNMENT HOUSE, OTTAWA.

Thursday, 17th day of July, 1879.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and under the provisions of the 16th section of the Act passed in the session of Parliament of Canada, held in the 31st year of Her Majesty's Reign, chaptered 7, and intituled: "An "Act imposing duties of Customs, with the Tariff of "Duties payable under it,"—

His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased

to order, and it is hereby ordered, that the following regulations governing the drawback of Customs duties paid on goods exported to Newfoundland, be and the same are hereby approved and adopted.

There may be paid under the above named authority and on the following conditions a drawback of the Customs duties paid on goods imported into Canada and subsequently exported to Newfoundland direct.

The exportation of such goods must have been within two years after the time duty was paid thereon.

The claim for drawback must have been within three months of the exportation.

The claimant for drawback must have been the importer as well as the exporter of such goods and the original value thereof on which duty was paid must have been not less than one hundred dollars.

The claimant upon making claim for such drawback shall deliver to the Collector of Customs at the port where entry outward was made for transmission to and approval of the Customs Department at Ottawa:

1st. A certified copy of the export entry of such goods to which shall be attached a certificate signed by the Collector or other proper officer of Customs at the port from whence exported, showing the date of clearance and sailing of the vessel named in the said export entry, in which such goods were shipped and naming the port in Newfoundland for which such vessel cleared with the said goods on board, and further showing that the said goods had been properly examined and identified prior to the said shipment.

2nd. A certificate signed by the Collector or other proper officers of Customs in Newfoundland to which such goods were shipped, setting forth and testifying that the said goods as described and valued in said copy of Export Entry have been duly landed and entered at said port of destination.

3rd. His own declaration subscribed under oath showing that he was the importer and also the exporter of the goods on which claim for drawback is made, that he has exported them to a port in Newfoundland giving the name thereof and the name of the consignee, that none of them are intended to be relanded in Canada, that the value assigned to said goods in the certified copy of Export Entry attached and on which the drawback of duty is claimed was the value on which he paid duty when the same were imported; that the amount of drawback claimed is the same as the duty paid by him on said goods and no more; that the said goods were entered inwards for duty within two years of the exportation thereof, and (where possible to do so) he shall give the number or numbers of and date or dates of the entries on which duty was paid, or if in consequence of the exportation being made of goods taken from a promiscuous lot and for that reason he is unable to give the numbers and dates of the entries thereof, he shall so declare and also whether said goods were entered for duty prior or subsequent to the 15th day of March, 1879.

He shall in all cases where the shipment on which drawback is claimed consists of more than one article or class of goods, attach to the claim a schedule (properly classified according to the rates of duty paid) distinctly showing the quantities and original value on which duty was paid and rate and amount of duty paid on each article or class of goods therein named, this schedule shall be so endorsed over the proper signature of the claimant as to identify it with the claim and with the certified copy of Export Entry attached, and it shall be held to form a part thereof.

The Minister of Customs is hereby empowered to cause to be prepared such form or forms for claims and vouchers, not inconsistent with the foregoing, as he may deem expedient, and to require from claimants, such further evidence respecting the claims as circumstances may seem to him to require.

The Regulations respecting drawback on goods exported to Prince Edward Island and Newfoundland, fixed by Order in Council of date the 18th May 1870, are hereby rescinded.

W. A. HIMSWORTH,
Clerk, Privy Council.

13. "All entries after the date hereof of unoccupied lands in the Saskatchewan Agency, will be considered as provisional until the railway line through that part of the territories has been located, after which the same will be finally disposed of in accordance with the above regulations, as the same may apply to the particular belt in which such lands may be found to be situated.

14. "The above regulations it will, of course, be understood will not affect sections 11 and 29, which are public school lands, or sections 8 and 26, Hudson's Bay Company lands.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Clerk of the Senate.
ALFRED PATRICK,
Clerk of the Commons.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre du Revenu de l'Intérieur, et en vertu des dispositions des clauses 17 et 114 de l'acte passé durant la session du parlement du Canada tenue en la 31me année du règne de Sa Majesté, chapitre 8, et intitulé : " Acte concernant le revenu de l'intérieur,"—

Il a plu à Son Excellence, par et de l'avis du Conseil privé de la Reine, au Canada, de faire les règlements additionnels suivants, relatifs au contrôle des fabriques en entrepôt :

Règlements additionnels.

1. Le dessous des planchers de tous appartements ou chambres d'entrepôt dans lesquels des spiritueux ou autres articles sujets à un droit d'accise sont emmagasinés ou placés pendant qu'ils subissent l'opération de fabrication, sera, dans le cas où il se trouvera un vide ou qu'il y aura un autre appartement au-dessous, soit lambrissé ou latté.

2. Le vinaigre produit dans toute fabrique en entrepôt le sera dans la proportion de 100 gallons de vinaigre réglementaire pour chaque 24 gallons de spiritueux de preuve entrés dans la fabrique et employés à la production du vinaigre, ajoutant à dite quantité réglementaire de vinaigre telle proportion qui pourra, dans l'opinion du département du revenu de l'intérieur, provenir de tout autre article tel que de la bière ou du vin sur, de l'acide acétique ou autre article semblable apporté dans la fabrique en sus de l'alcool employé à sa production.

3. Le vinaigre réglementaire mentionné au par. 2, devra contenir pas moins que l'équivalent de six pour cent, au poids, d'acide acétique ; et cette proportion sera déterminée par des épreuves chimiques faites et appliquées au moyen des appareils dont les règlements ou instructions du département ordonneront l'emploi.

4. Les officiers du revenu de l'intérieur pourront, en tout temps, prendre des échantillons de tous les colis de vinaigre ou autre article produit dans toute fabrique en entrepôt, et de tous les colis de vinaigre ou autre article apporté dans la fabrique, selon qu'ils le croiront nécessaire pour déterminer la force ou la qualité du vinaigre ou autre article dont cet échantillon aura été pris.

5. Tout colis de spiritueux et tout autre article ou matière apporté dans aucune fabrique en entrepôt, qu'il soit ou non sujet à un droit d'accise ou de douane, sera immédiatement placé dans un appartement convenable et fermé au moyen d'une serrure de douane dont la clé sera sous la garde exclusive d'un officier du revenu de l'intérieur, et aucun colis de spiritueux ou autre article ne sera enlevé de cet appartement fermé qu'en présence de l'officier qui en a la clé pour le temps d'alors ; et tout article enlevé de cet appartement fermé sera immédiatement transporté en présence de tel officier à la chambre de mélange ou autre lieu où il doit être employé ou appliqué à la fin à laquelle il est destiné.

6. Tous les spiritueux seront gardés dans une chambre, compartiment ou vaisseau muni d'une serrure portant la marque de l'Etat, de manière à n'être accessible qu'en présence d'un officier du revenu de l'intérieur tant que ces spiritueux resteront dans un état à pouvoir être employés comme breuvages.

7. Toute marque d'accise faite sur tout colis dans lequel des effets sujets au droit d'accise sont apportés dans une fabrique en entrepôt, sera complètement effacée et enlevée de tel colis lorsque ce colis sera sorti de l'appartement fermé dans lequel il avait été placé tel que pourvu dans le par. 5.

8. Nulle personne licenciée comme fabricant en entrepôt ne pourra vendre ni acheter des spiritueux ou des liqueurs spiritueuses dans les endroits pour lesquels cette licence est accordée, ni dans aucun autre endroit situé à moins de cinq cents verges de tel endroit licencié, à moins que cet achat ou cette vente n'ait lieu que dans le cours ordinaire des affaires pour lesquelles la licence est accordée, ou que permission de faire telle vente ou achat ne soit spécifiée dans la licence

9. Aucuns spiritueux qui ont payé les droits, ou autres effets sujets aux droits d'accise sur lesquels le droit a été payé (à l'exception des effets sur lesquels la différence entre les droits de douane et d'accise a été payée en vertu de 31 Vic. chap. 8, sec. 31) ne seront entrés dans aucune fabrique en entrepôt.

10. Les spiritueux destinés à être mélangés de méthyle ne seront pas d'une force moindre que soixante degrés au-dessus de la preuve, et si en aucun temps après ce procédé il en est découvert sur le marché, en transit ou en magasin, plus faibles, on les considérera et on les traitera comme des spiritueux ordinaires ou non méthyliques qui auraient été illé-

galement enlevés d'une distillerie ou d'un entrepôt sans avoir payé de droits.

11. La section 4 de l'ordre en conseil du 5 décembre 1870, tel qu'amendée par l'ordre du conseil du 16 janvier 1871, est par le présent annulée et la suivante y est substituée :

" 4. A chaque cent gallons de spiritueux de la force de soixante degrés au-dessus de preuve d'après l'hydromètre de Sykes, il sera mélangé douze gallons de " napthe de bois du commerce," ayant un poids spécifique de pas moins de ·830, ni plus de ·838 à une température de 62° Fahrenheit, et le napthe de bois ainsi employé ne devra pas avoir subi plus d'une opération de rectification, ni être de la qualité connue sous le nom de " alcool de bois."

12. En sus des échantillons de napthe de bois envoyés au département conformément à l'ordre en conseil du 5 décembre 1870, d'autres échantillons semblables pourront être pris et éprouvés quant à la qualité et poids spécifique par l'officier du revenu de l'intérieur nommé à cette fin, et le napthe dont ces échantillons sont pris ne sera pas employé ni sorti de l'appartement fermé dans lequel il est emmagasiné, si ce n'est dans le but de l'enlever de la fabrique jusqu'à ce qu'il ait été ainsi mis à l'épreuve et approuvé par le percepteur du revenu de l'intérieur comme propre à la fabrication des spiritueux méthyliques.

13. Tout officier du revenu de l'intérieur pourra, en aucun temps, prendre des échantillons de spiritueux méthyliques des colis de tels spiritueux, qu'ils soient dans la fabrique en entrepôt ou ailleurs, et si, lors de l'analyse de ces échantillons par un analyste nommé sous l'autorité de l'acte 36 Victoria, chapitre 8, l'on trouve qu'ils manquent de la quantité voulue de napthe de bois ou méthyle, les spiritueux dont ces échantillons auront été pris seront censés avoir été enlevés illicitement d'une distillerie ou d'une fabrique en entrepôt sans avoir payé les droits, et seront traités en conséquence.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

SUR la recommandation de l'honorable ministre des douanes et en vertu des dispositions de la 16e section de l'acte passé dans la session du Parlement du Canada, tenue dans la 31e année du règne de Sa Majesté, chapitre 7 et intitulé : " Un acte imposant des droits de douanes, avec le tarif des droits payables en vertu de cet acte,"—

Il a plu à Son Excellence, par et de l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner, et il est par les présentes ordonné que les règlements suivants concernant la remise des droits de douanes payés sur les articles exportés à Terreneuve, soient par les présentes approuvés et adoptés.

Il pourra être fait, en vertu de la susdite autorité, et aux conditions suivantes, une remise des droits de douanes payés sur les articles importés au Canada et exportés subséquemment par voie directe à Terreneuve.

L'exportation de ces articles aura dû être faite deux ans après la date où le droit aura été payé sur ces articles.

La demande de remise de droit aura dû être faite dans les trois mois qui suivront l'exportation.

La personne demandant la remise de droits aura dû être à la fois l'importateur et l'exportateur de ces articles, et la valeur originelle sur laquelle le droit a été payé n'aura pas dû être moindre de cent piastres.

Lorsqu'elle fera la demande de remise de droit, elle devra remettre au percepteur des douanes, au port où l'inscription pour la sortie a été faite, pour être transmis et approuvés par le département des douanes à Ottawa :

1. Une copie authentique de l'inscription de l'exportation de tels articles, à laquelle sera annexé un certificat signé par le percepteur ou autre officier de douanes compétent, au port d'où ils seront exportés, indiquant la date de sortie et de départ du bâtiment désigné dans la dite inscription d'exportation, à bord duquel tels articles ont été expédiés, et indiquant le port dans Terreneuve à destination de tel bâtiment chargé de tels articles, et indiquant de plus que les dits articles ont été convenablement examinés et identifiés avant la dite expédition.

2. Un certificat signé par le pereeptеur ou autre officier de douanes compétent à Terreneuve, auquel tels articles ont été expédiés, montrant et prouvant que les dits articles tels que déerits et estimés dans la dite copie de l'inscription d'exportation ont été dûment débarqués et inscrits au dit port de destination.

3. Sa propre déclaration sous serment attestant qu'il est l'importateur ainsi que l'exportateur des articles sur lesquels une demande de remise de droits est faite, qu'il les a exportés à un port à Terreneuve, en indiquant le nom de ee port et le nom du consignataire, déclarant qu'aucun de ces articles ne doit être débarqué de nouveau au Canada, que la valeur assignée aux dits articles dans la copie authentique de l'inscription de l'exportation annexée, et sur lesquels la demande de remise de droits est faite, est la valeur des articles sur laquelle elle a payé un droit quand ils ont été importés ; que le montant de la remise de droit reclamée est le même que le droit payé par elle sur les dits artieles et pas davantage, que les dits articles ont été entrés à la douane dans la période de deux ans qui a suivi l'exportation et (quand cela sera possible), il indiquera le numéro ou les numéros, et la date ou les dates des inscriptions en vertu desquelles le droit a été payé, ou si, par suite de l'exportation d'articles pris d'un lot général et que pour cette raison il ne peut indiquer les numéros et les dates des dites inscriptions, il devra faire une déclaration à cet effet ; il devra aussi dire si ces artieles ont été entrés à la douane avant ou après le 15 mars 1879. Il devra aussi dans tous les cas où l'expédition, sur laquelle une remise de droits est réclamée, se compose de plus d'un article ou d'une eatégorie d'artieles annexer à la demande une déclaration (classée régulièrement d'après le taux du droit payé) indiquant distinctement les quantités et la valeur originelle sur lesquelles le droit a été payé et le taux ainsi que le montant du droit payé sur chaque article ou catégorie d'articles y désigné, cette déclaration devant être signée par le réclamant de façon à l'identifier avec la réclamation et avec la copie authentique de l'inscription d'exportation annexée, et elle sera censée en former partie.

Le ministre des Douanes est par les présentes autorisé à faire préparer telle formule ou formules de réclamations et pièces justificatives, non incompatibles avec les présentes, qu'il jugera convenables, et à exiger des réclamants telle autre preuve concernant les réclamations que les circonstances pourront sembler exiger de lui.

Les règlements concernant la remise de droits sur les articles exportés à l'Ile du Prince-Edouard et à Terreneuve, établis par ordre du Conseil, en date du 18 mai 1870, sont par les présentes abrogés.

AVIS DU GOUVERNEMENT.

RÈGLEMENTS

Ayant trait à l'administration de certaines terres de la Puissance mises à la disposition du chemin de fer du Pacifique Canadien.

MINISTÈRE DE L'INTÉRIEUR,
Outaouais, 9 juillet, 1879.

AVIS public est par les présentes donné, que les règlements qui suivent sont publiés pour faire connaître de quelle manière les terres de la Puissance, comprenant 110 (cent dix) milles de chaque côté du du chemin de fer du Pacifique Canadien, devront être employées :—

1. Jusqu'à ce qu'un arpentage définitif du dit chemin de fer, ait été fait à l'ouest de la Rivière Rouge, et en vue de ces règlements, la ligne du dit chemin de fer sera supposée être sur la quatrième base à l'ouest de l'intersection de la dite base avec la ligne située entre les rangs 21 et 22 à l'ouest du premier méridien principal, et de là se dirigeant en ligne droite vers le confluent de la Rivière Shell et de la Rivière Assiniboine.

2. Le pays situé de chaque côté de la ligne du chemin de fer devra être respectivement divisé en ceintures, comme suit :

(1.) Une ceinture de cinq milles, de chaque côté du chemin de fer et l'avoisinant immédiatement, sera nommée ceinture A ;

(2.) Une ceinture de quinze milles de chaque côté du chemin de fer, avoisinant la ceinture A, sera nommée ceinture B ;

(3.) Une ceinture de vingt milles de chaque côté du chemin de fer, avoisinant la ceinture B, sera nommée ceinture C ;

(4.) Une ceinture de vingt milles de chaque côté du chemin de fer, avoisinant la ceinture C, sera nommée ceinture D ; et

(5.) Une ceinture de cinquante milles de chaque côté du chemin de fer, avoisinant la ceinture D, sera nommée ceinture E.

3. Les terres de la Puissance dans la ceinture A seront absolument exemptes de concessions gratuites, ainsi que du droit de préemption, et seront exclusivement mises en vente à six piastres l'acre.

4. On pourra disposer des terres comprises dans la ceinture B de la manière suivante : Les sections de nombres pairs incluses dans la ceinture seront mises à part pour servir de concessions gratuites et de préemptions, et les sections de nombres impairs seront tenues comme terres appropriées au chemin de fer. Les concessions gratuites sur les sections de nombres pairs, s'étendant à quatre-vingts acres chaque, consisteront en moitiés Est de moitiés Est, et en moitiés Ouest de moitiés Ouest de telles sections ; et les préemptions sur telles sections de nombres pairs, s'étendant aussi à quatre-vingts acres, avoisinant telles concessions gratuites de quatre-vingts acres, consisteront en moitiés Ouest de moitiés Est, et en moitiés Est de moitié Ouest de telles sections, et seront mises en vente à raison de $2.50 (deux piastres et cinquante cents) l'acre.

Les terres appropriées au chemin de fer étant des sections de nombres impairs comprises dans la ceinture, seront mises en vente à raison de cinq piastres l'acre.

5. Les sections de nombres pairs comprises dans la ceinture C, seront mises de côté pour concessions gratuites et préemptions de quatre-vingts acres chacune, de la manière ci-dessus désignée ; le prix des préemptions seront semblablement de $2.50 (deux piastres et cinquante cents) l'acre ; les terres du chemin de fer consisteront en sections de nombres impairs et seront négociées de la manière ci-dessus pourvue à propos des terres comprises dans la ceinture B, excepté que le prix en sera de $3.50 (trois piastres et cinquante cents) l'acre.

6. Les sections de nombres pairs comprises dans la ceinture D seront aussi appropriées pour concessions gratuites et préemptions de quatre-vingts acres chacune, comme pourvu pour les ceintures B et C, mais le prix des préemptions sera à raison de $2 (deux piastres) l'acre. Les terres du chemin de fer consisteront, comme pour les ceintures B et C des sections de nombres impairs et le prix en sera uniforme à raison de $2 (deux piastres) l'acre.

7. Dans la ceinture E la description et l'étendue des concessions gratuites, des préemptions, et les terres du chemin de fer respectivement, seront comme ci-dessus, et les prix des préemptions et des terres du chemin de fer seront uniformes à raison de $1 (une piastre) l'acre.

8. Les termes de vente des préemptions dans toutes les différentes ceintures B, C, D et E seront comme suit, savoir : Quatre dixièmes du prix de l'achat, ensemble avec l'intérêt de celui-ci, à raison de 6 pour cent par année, seront payés à l'expiration de trois années depuis la concession ; la balance sera payée en six versements annuels égaux, depuis et après la dite date, avec l'intérêt, au taux plus haut mentionné, sur telle balance du prix d'achat restant non acquittée, payable avec chaque versement.

9. Les termes de vente des terres du chemin de fer seront uniformément comme suit, savoir : Un dixième en argent comptant au moment de l'achat ; la balance en neuf versements annuels égaux, avec intérêt de six pour cent par année sur la balance du prix d'achat restant non acquittée, payable avec chaque versement. Tous paiements, soit pour préemptions ou pour terres appropriées au chemin de fer, seront faits en argent comptant et non en *scrip* ou en certificats de primes.

10. Toutes les concessions de terres seront sujettes aux dispositions suivantes quant à ce qui a trait au droit de passage du chemin de fer du Pacifique Canadien et de tous autres chemins de fer de colonisation du gouvernement y ayant rapport, savoir :

a. Dans le cas où le chemin de fer traverse une terre accordée comme concession gratuite, le droit de passage sur icelle sera libre pour le gouvernement.

b. Là où le chemin de fer traverse des préemptions ou des terres appropriées au chemin de fer, le propriétaire aura simplement le droit de réclamer paiement pour la terre exigée comme droit de passage au même taux, par acre, qu'il aurait payé au gouvernement pour icelle.

11. Les règlements ci-dessus seront en force le et après le premier jour d'août prochain, jusqu'auquel temps les dispositions de l'acte des terres de la Puissance continueront d'avoir effet sur les terres comprises dans les différentes ceintures mentionnées, excepté quant à ce qui a rapport aux ceintures A et B dans chacune desquelles, jusqu'à la dite date, les concessions gratuites de 160 acres chacune, seront permises, comme à présent, à l'exclusion de toutes autres.

12. Les réclamations au sujet des terres de la Puissance résultant de l'établissement après cette date, dans le territoire non-arpenté au moment de tel établissement, et qui peuvent être comprises dans les limites affectées par les mesures plus haut mentionnées, ou par leur extension future sur un territoire additionnel, seront ultérieurement négociées suivant les termes prescrits plus haut pour les terres se trouvant dans la ceinture particulière dans laquelle tel établissement peut être situé.

13. Toutes concessions, après cette date, de terres non-occupées dans l'agence Saskatchewan, seront considérées comme provisoires jusqu'à ce que la ligne du chemin de fer à travers cette partie des territoires ait été déterminée, après quoi il en sera finalement disposé suivant les règlements ci-dessus, selon qu'ils pourront s'appliquer à la ceinture particulière dans laquelle telles terres peuvent être situées.

14. Les règlements ci-dessus, on le comprendra

facilement, n'affecteront pas les sections 11 et 29, qui sont des terres appropriées aux écoles publiques, ni les sections 8 et 26 qui sont des terres de la Compagnie de la Baie d'Hudson.

Toutes autres informations nécessaires pourront être obtenues en s'adressant au bureau des Terres de la Puissance, à Ottawa, ou à l'agent des terres de la Puissance, à Winnipeg, ou à tous autres agents locaux dans Manitoba ou dans les territoires du Nord-Ouest, qui sont en possession de cartes montrant les limites des diverses ceintures plus haut mentionnées; un approvisionnement de ces cartes sera placé, aussitôt que possible, entre les mains des dits agents qui seront chargés d'en faire une distribution générale.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

6. Les sections de nombres pairs comprises dans la ceinture D seront aussi appropriées pour concessions gratuites et préemptions de quatre-vingts acres chacune, comme pourvu pour les ceintures B et C, mais le prix des préemptions sera à raison de $2 (deux piastres) l'acre. Les terres du chemin de fer consisteront, comme pour les ceintures B et C des sections de nombres impairs et le prix en sera uniforme à raison de $2 (deux piastres) l'acre.

7. Dans la ceinture E la description et l'étendue des concessions gratuites, des préemptions, et les terres du chemin de fer respectivement, seront comme ci-dessus, et les prix des préemptions et des terres du chemin de fer seront uniformes à raison de $1 (une piastre) l'acre.

8. Les termes de vente des préemptions dans toutes les différentes ceintures B, C, D et E seront comme suit, savoir : Quatre dixièmes du prix de l'achat, ensemble avec l'intérêt de celui-ci, à raison de 6 pour cent par année, seront payés à l'expiration de trois années depuis la concession ; la balance sera payée en six versements annuels égaux, depuis et après la dite date, avec l'intérêt, au taux plus haut mentionné, sur telle balance du prix d'achat restant non acquittée, payable avec chaque versement.

9. Les termes de vente des terres du chemin de fer seront uniformément comme suit, savoir : Un dixième en argent comptant au moment de l'achat ; la balance en neuf versements annuels égaux, avec intérêt de six pour cent par année sur la balance du prix d'achat restant non acquittée, payable avec chaque versement. Tous paiements, soit pour préemptions ou pour terres appropriées au chemin de fer, seront faits en argent comptant et non en *scrip* ou en certificats de primes.

10. Toutes les concessions de terres seront sujettes aux dispositions suivantes quant à ce qui a trait au droit de passage du chemin de fer du Pacifique Canadien et de tous autres chemins de fer de colonisation du gouvernement y ayant rapport, savoir :

a. Dans le cas où le chemin de fer traverse une terre accordée comme concession gratuite, le droit de passage sur icelle sera libre pour le gouvernement.

b. Là où le chemin de fer traverse des préemptions ou des terres appropriées au chemin de fer, le propriétaire aura simplement le droit de réclamer paiement pour la terre exigée comme droit de passage au même taux, par acre, qu'il aurait payé au gouvernement pour icelle.

11. Les règlements ci-dessus seront en force le et après le premier jour d'août prochain, jusqu'auquel temps les dispositions de l'acte des terres de la Puissance continueront d'avoir effet sur les terres comprises dans les différentes ceintures mentionnées, excepté quant à ce qui a rapport aux ceintures A et B dans chacune desquelles, jusqu'à la dite date, les concessions gratuites de 160 acres chacune, seront permises, comme à présent, à l'exclusion de toutes autres.

12. Les réclamations au sujet des terres de la Puissance résultant de l'établissement après cette date, dans le territoire non-arpenté au moment de tel établissement, et qui peuvent être comprises dans les limites affectées par les mesures plus haut mentionnées, ou par leur extension future sur un territoire additionnel, seront ultérieurement négociées suivant les termes prescrits plus haut pour les terres se trouvant dans la ceinture particulière dans laquelle tel établissement peut être situé.

13. Toutes concessions, après cette date, de terres non-occupées dans l'agence Saskatchewan, seront considérées comme provisoires jusqu'à ce que la ligne du chemin de fer à travers cette partie des territoires ait été déterminée, après quoi il en sera finalement disposé suivant les règlements ci-dessus, selon qu'ils pourront s'appliquer à la ceinture particulière dans laquelle telles terres peuvent être situées.

14. Les règlements ci-dessus, on le comprendra facilement, n'affecteront pas les sections 11 et 29, qui sont des terres appropriées aux écoles publiques, ni les sections 8 et 26 qui sont des terres de la Compagnie de la Baie d'Hudson.

Toutes autres informations nécessaires pourront être obtenues en s'adressant au bureau des Terres de la Puissance, à Outaouais, ou à l'agent des terres de la Puissance, à Winnipeg, ou à tous autres agents locaux dans Manitoba ou dans les territoires du Nord-Ouest, qui sont en possession de cartes montrant les limites des diverses ceintures plus haut mentionnées ; un approvisionnement de ces cartes sera placé, aussitôt que possible, entre les mains des dits agents qui seront chargés d'en faire une distribution générale.

Par ordre du Ministre de l'Intérieur,

J. S. DENNIS,
Député du Ministre de l'Intérieur.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

ALFRED PATRICK,
Greffier des Communes.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

GOVERNMENT HOUSE, OTTAWA.

Thursday, 14th day of August, 1879.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Inland Revenue, and under the provisions of the 49th section of the Act passed in the Session of the Parliament of Canada, held in the 42nd year of Her Majesty's Reign, chaptered 16 and intituled " An Act to amend and consolidate the laws relating to Weights and Measures,-

His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to order, and it is hereby ordered, that the accompanying regulations and tariff of fees for the inspection of Weights and Measures under the said Act be, and the same are hereby approved and adopted.

INLAND REVENUE, CANADA,

STANDARDS' BRANCH.

REGULATIONS as to the description of weights, measures, balances and weighing machines that will be admitted to verification, and fees to be charged therefor.

The following balances are to be admitted to verification :—

A. Balances having equal arms and on which the load is suspended below the fulcrums.

B. Balances commonly known as Steelyards, or Roman Balances, having unequal arms.

C. Weigh Bridges.

D. Balances with equal arms and on which the load is placed above the fulcrums.

A. Balances with equal arms are only to be admitted to verification when :—

1. The beam shows no material difference as regards the form or magnitude of the two arms.

2. It is provided with a tongue pointing upwards or downwards from its centre, at right angles with a line joining the extreme bearings, or with some equivalent

arrangement for indicating the position of equilibrium.

3. It is in equilibrium when a line joining the extreme bearings is perfectly horizontal, and returns to that position after being put into vibration.

4. Its arms are equal within the specified limit of error.

5. The balance is sufficiently sensitive to be turned decidedly and promptly by the addition or withdrawal of so much of the load as represents the error tolerated by regulations in a commercial weight representing the load.

6. No balance balls or detached parts other than the pans and the connections necessary for attaching them to the beam are used for adjusting the balance.

7. The balance, as a whole, is of sufficient strength, and on a sufficiently stable base, to secure it against change of form or position under the maximum load it is to carry.

8. The beam will carry its maximum load without deflection.

9. The maximum load for the weighing of which it is to be used is distinctly engraved or marked on the beam.

10. The knife edges are permanently fixed to the beam.

B. Balances commonly known as *Steelyards*, or Roman Balances, having unequal arms, are only to be admitted to verification when:—

1. There is sufficient room for oscillation, and the knife edges on which the beam oscillates are sufficiently fine to permit it to move freely.

2. The beam is sufficiently strong to carry its load without deflection.

3. The bottom of the notches by which the divisions of the long arm of the lever are indicated, and from which the weight is suspended, are in close approximation to a right line drawn through the knife edges forming the points of suspension, and when such straight line passes near to and a little above the centre of gravity of the whole apparatus.

4. The divisions on the long arm of the lever are equal among themselves.

5. The weight used with the lever—if it is changeable or can be readily detached therefrom—is some multiple or sub-multiple of the pound avoirdupois, and has distinctly marked on it its true weight.

6. The maximum weight intended to be weighed on it is either distinctly marked on the beam or indicated by its construction.

C. Weigh Bridges, Hay Scales and Platform Scales will only be admitted to verification when:—

1. The foundation or supporting base is sufficiently firm, and capable of carrying without change of level or of form or other disturbance, the maximum load for which it is to be used.

2. If moveable from place to place, some satisfactory arrangement, such as a level or plummet is provided and permanently attached, for indicating whether the machine is perfectly level.

3. The platform is so arranged that any obstruction to its free movement can be easily detected.

4. All the beams, levers and other parts are of sufficient strength to carry the maximum load to which they will be respectively subjected without deflection.

5. The knife edges are firmly and permanently fixed in the levers, have sufficient room to permit free oscillation, and are sufficiently firm.

6. The knife edges and fulcrums of each set of levers are in the same plane.

7. The oscillations are sufficiently evident.

8. The weights used with the instrument are equal to the avoirdupois pound or to multiples or authorized sub-multiples of the avoirdupois pound, or special weights for the barrel of flour or for the bushel of wheat, their actual weight and the weight or special quantity they are intended to indicate on the scale, being plainly marked thereon.

9. The weights used as above are a decimal sub-multiple, as $\frac{1}{10}$, $\frac{1}{100}$, $\frac{1}{1000}$, or a binary sub-multiple as $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$, etc., of the load indicated by them.

10. There are no moveable balls or detached parts for the adjustment of the balance accessible, or so placed that they can be used for fraudulent weighing.

11. The apparatus indicates the same weight, whether the load is placed in the centre of the platform, on one side of it, or at either corner.

12. The maximum load which the apparatus is intended to weigh is conspicuously marked on some essential part of it.

D. Balances with equal arms, and on which the load is carried above the fulcrums will only be admitted to verification when:—

1. There is no material difference as to the magnitude or arrangement of the two arms.

2. Its arms are of equal length within a limit of error equivalent to that tolerated in commercial weights.

3. There are no balance balls, loose counterpoises or detached parts other than the pans necessary for carrying the load weighed, and the weights used for weighing it.

4. Its parallel rods, guides, levers and pivots, by which the adjustment of the scale is effected, are so constructed that they can not be put out of adjustment without the use of violence, which may be readily detected on inspection.

5. The knife edges or fulcrums of each set of levers or guide-rods are in the same plane.

6. The balance is sufficiently sensitive to turn decidedly and promptly by the addition and withdrawal of so much of the load as is equivalent to the error tolerated in commercial weights.

7. When there is a tongue or pointer, or some equivalent arrangement for showing when the balance is in equilibrium.

No balance other than such as will come within the conditions under one or other of the heads, A, B, C or D, are to be verified or stamped.

The above form for the Circulation Returns has been adopted to obviate two inconveniences in the form previously in use. 1st. The weekly statements cannot give the amount of the circulation at any particular date, but only its amount according to the Returns received at the date of the publication of the *Gazette*. 2nd. The subdivision of the circulation into Provincial, Dominion and Fractional can only be approximately correct in the weekly statements and cannot be accurately ascertained till the parcels of cancelled notes have been examined and checked off.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

REVENU DE L'INTÉRIEUR, CANADA.

DIVISIONS DES POIDS ÉTALONS.

Règlements concernant les poids, mesures, balances et instruments de pesage qui seront admis à vérification, et les honoraires à être chargés pour ce service :

Les balances suivantes seront admises à vérification :

A. Balances à bras égaux, et sur lesquelles la charge est suspendue au-dessous des pivots ou points d'appui.

B. Balances communément connues sous le nom de *Steelyards* ou Balances Romaines, à bras inégaux.

C. Balances-bascules.

D. Balances à bras égaux sur lesquelles la charge est placée au-dessus des pivots ou points d'appui.

A. Les balances à bras égaux ne seront admises à vérification que dans le cas où :

1. Le fléau ne dénote aucune différence matérielle quant à la forme ou grandeur des deux bras ;
2. Il y a une langue ou aiguille pointant du centre vers le haut ou le bas et formant angle droit avec le plan des points de suspension ou quelqu'autre chose équivalent pour indiquer le point de l'équilibre.
3. Il est en équilibre lorsque le plan des points de suspension est parfaitement horizontal et retourne à cette position après qu'on a fait osciller le fléau ;
4. Ses bras sont égaux dans la limite de l'inexactitude tolérée ;
5. La balance est suffisamment sensible pour être affectée sûrement et promptement lorsqu'on ajoute ou retranche à sa charge un poids égal à l'erreur tolérée dans les poids du commerce.
6. Aucun poids d'équilibre ou pièce détachée, sauf les plateaux et les accessoires nécessaires pour les relier à la balance, ne sont employés pour ajuster la balance ;
7. La balance, comme tout, est d'une force suffisante et est placée sur une base assez stable pour la protéger contre tout changement de forme ou de position sous le maximum du poids qu'elle est destinée à porter ;
8. Le fléau porte le maximum de sa charge sans fléchir.
9. Le maximum de la charge qu'elle est destinée à peser est distinctement gravé ou marqué sur le fléau ;

10. Les lames du pivot sont fixées au fléau d'une manière permanente.

B. Les balances communément connues sous le nom de *Steelyards* ou Balances Romaines, à bras inégaux, ne seront admises à vérification que dans les cas où :—

1. Il y a place suffisante pour l'oscillation, et les arêtes du couteau sur lequel oscille le fléau sont assez fines pour lui permettre un libre mouvement ;
2. Le fléau est assez fort pour porter sa charge sans fléchir :
3. Le bas des encoches indiquant les divisions du grand bras du levier auquel le poids est suspendu forme très-approximativement une ligne droite tirée à travers les arêtes du couteau formant les points de suspension, et lorsque cette ligne droite passe près et un peu au-dessus du centre de gravité de l'appareil complet ;
4. Les divisions sur le grand bras du levier sont égales entr'elles ;
5. Le poids employé avec le levier—s'il en est détaché ou peut en être aisément détaché,—est une partie multiple ou sous-multiple de la livre *avoir-du-poids*, et porte en évidence la marque distincte de son propre poids.
6. Le maximum du poids qu'elle est destinée à peser est marqué distinctement sur le fléau, ou indiqué par sa construction.

C. Les balances-bascules et à foin, et les ponts à bascule ne seront admis à vérification que dans les cas où :

1. La fondation ou la base d'assise est suffisamment solide et capable de porter, sans changement de niveau ou de forme, ou autre dérangement, le maximum de la charge qu'ils doivent peser ;
2. L'instrument est portatif et est muni d'un appareil quelconque, tel qu'un niveau ou fil à plomb fixé à demeure, pour indiquer si l'instrument est parfaitement de niveau ;
3. La plateforme est arrangée de telle manière que toute obstruction à son libre mouvement puisse être aisément découvert ;
4. Tous les fléaux, leviers et autres parties sont d'une force suffisante pour leur permettre de porter sans fléchir le maximum du poids dont ils seront chargés ;
5. Les arêtes du couteau sont fixées solidement et à permanence dans le levier, ont assez de jeu pour permettre l'oscillation, et sont suffisamment solides ;
6. Les arêtes du couteau et le point d'appui de chaque jeu de leviers sont sur un même niveau ;
7 Les oscillations sont suffisamment visibles ;
8. Les poids employés avec l'instrument sont égaux à ou des parties multiples ou des fractions autorisées de la livre avoir-du-poids ou des poids spéciaux pour le baril de farine ou le boisseau de blé, et sur chacun desquels est distinctement marqué son poids actuel et le poids ou la quantité spéciale qu'il doit indiquer sur la balance ;
9. Les poids employés comme ci-dessus sont des sous-multiples décimaux tel que $\frac{1}{10}$, $\frac{1}{100}$, $\frac{1}{1000}$ ou des sous-multiples binaires, tels que $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$, etc., du poids qu'ils indiquent ;
10. Il n'y a aucun poids d'équilibre ou pièce détachée servant à ajuster la balance, accessible ou placé de manière à pouvoir être employé pour peser frauduleusement.
11. L'appareil indique le même poids, soit que la charge soit placée au centre de la plateforme, sur un de ses côtés, ou à l'un de ses angles ;
12. Le maximum du poids que l'instrument est destiné à peser est marqué en évidence sur quelqu'une de ses parties essentielles.

D. Les balances à bras égaux, et sur lesquelles la charge est placée au-dessus des pivots ou points d'appui, ne seront admises à vérification que dans le cas où :—

1. Il n'y a aucune différence matérielle dans l'arrangement et la dimension des deux bras ;
2. Les bras en sont d'égale longueur dans les limites de l'erreur tolérée dans les poids commerciaux ;
3. Il n'y a aucun poids d'équilibre, contrepoids mobiles ou pièces détachées sauf les plateaux nécessaires au support de la charge à peser et des poids employés pour la peser ;
4. Les baguettes parallèles, guides, leviers et pivots servant à ajuster la balance sont construits de manière à ne pouvoir être dérangés sans user d'une violence facile à découvrir à l'inspection ;
5. Les couteaux ou points d'appui de chaque jeu de leviers ou les baguettes indicatrices sont sur le même niveau ;
6. La balance est suffisamment sensible pour être affectée sûrement et promptement lorsqu'on ajoute ou retranche à sa charge un poids égal à l'erreur tolérée dans les poids du commerce.
7. Lorsqu'il y a une langue ou aiguille ou autre arrangement équivalent pour indiquer le point d'équilibre.

—

Aucunes balances ne seront vérifiées ou poinçonnées autres que celles réunissant les conditions mentionnées sous l'un ou l'autre des titres A, B, C ou D.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Inland Revenue, and under the provisions of the 49th section of the Act passed in the Session of the Parliament of Canada, held in the 42nd year of Her Majesty's Reign, chaptered 16 and intituled "An Act to amend and consolidate the laws relating to Weights and Measures,-

His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to order, and it is hereby ordered, that the accompanying regulations and tariff of fees for the inspection of Weights and Measures under the said Act be, and the same are hereby approved and adopted.

INLAND REVENUE, CANADA,

STANDARDS' BRANCH.

REGULATIONS as to the description of weights, measures, balances and weighing machines that will be admitted to verification, and fees to be charged therefor.

The following balances are to be admitted to verification :—

A. Balances having equal arms and on which the load is suspended below the fulcrums.

B. Balances commonly known as Steelyards, or Roman Balances, having unequal arms.

C. Weigh Bridges.

D. Balances with equal arms and on which the load is placed above the fulcrums.

A. Balances with equal arms are only to be admitted o verification when :—

1. The beam shows no material difference as regards he form or magnitude of the two arms.

2. It is provided with a tongue pointing upwards or lownwards from its centre, at right angles with a line oining the extreme bearings, or with some equivalent rrangement for indicating the position of equili-rium.

3. It is in equilibrium when a line joining the xtreme bearings is perfectly horizontal, and returns o that position after being put into vibration.

4. Its arms are equal within the specified limit of rror.

5. The balance is sufficiently sensitive to be turned ecidedly and promptly by the addition or withdrawal f so much of the load as represents the error tole-ated by regulations in a commercial weight repre-enting the load.

6. No balance balls or detached parts other han the pans and the connections necessary for ttaching them to the beam are used for adjusting he balance.

7. The balance, as a whole, is of sufficient strength, nd on a sufficiently stable base, to secure it against hange of form or position under the maximum load is to carry.

8. The beam will carry its maximum load without eflection.

9. The maximum load for the weighing of which it s to be used is distinctly engraved or marked on the eam.

10. The knife edges are permanently fixed to the eam.

B. Balances commonly known as *Steelyards*, or oman Balances, having unequal arms, are only to e admitted to verification when :—

1. There is sufficient room for oscillation, and the nife edges on which the beam oscillates are suffi-iently fine to permit it to move freely.

2. The beam is sufficiently strong to carry its load ithout deflection.

3. The bottom of the notches by which the divisions f the long arm of the lever are indicated, and from hich the weight is suspended, are in close approxi-mation to a right line drawn through the knife edges forming the points of suspension, and when such straight line passes near to and a little above the centre of gravity of the whole apparatus.

4. The divisions on the long arm of the lever are equal among themselves.

5. The weight used with the lever—if it is change-able or can be readily detached therefrom—is some multiple or sub-multiple of the pound avoirdupois, and has distinctly marked on it its true weight.

6. The maximum weight intended to be weighed on it is either distinctly marked on the beam or indicated by its construction.

C. Weigh Bridges, Hay Scales and Platform Scales will only be admitted to verification when :—

1. The foundation or supporting base is sufficiently firm, and capable of carrying without change of level or of form or other disturbance, the maximum load for which it is to be used.

2. If moveable from place to place, some satisfactory arrangement, such as a level or plummet is provided and permanently attached, for indicating whether the machine is perfectly level.

3. The platform is so arranged that any obstruction to its free movement can be easily detected.

4. All the beams, levers and other parts are of sufficient strength to carry the maximum load to which they will be respectively subjected without deflection.

5. The knife edges are firmly and permanently fixed in the levers, have sufficient room to permit free oscillation, and are sufficiently firm.

6. The knife edges and fulcrums of each set of levers are in the same plane.

7. The oscillations are sufficiently evident.

8. The weights used with the instrument are equal to the avoirdupois pound or to multiples or authorized sub-multiples of the avoirdupois pound, or special weights for the barrel of flour or for the bushel of wheat, their actual weight and the weight or special quantity they are intended to indicate on the scale, being plainly marked thereon.

9. The weights used as above are a decimal sub-multiple, as $\frac{1}{10}$, $\frac{1}{100}$, $\frac{1}{1000}$, or a binary sub-multiple as $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$, etc., of the load indicated by them.

10. There are no moveable balls or detached parts for the adjustment of the balance accessible, or so placed that they can be used for fraudulent weighing.

11. The apparatus indicates the same weight, whether the load is placed in the centre of the platform, on one side of it, or at either corner.

12. The maximum load which the apparatus is intended to weigh is conspicuously marked on some essential part of it.

D. Balances with equal arms, and on which the load is carried above the fulcrums will only be admitted to verification when :—

1. There is no material difference as to the magnitude or arrangement of the two arms.

2. Its arms are of equal length within a limit of error equivalent to that tolerated in commercial weights.

3. There are no balance balls, loose counterpoises or detached parts other than the pans necessary for carrying the load weighed, and the weights used for weighing it.

4. Its parallel rods, guides, levers and pivots, by which the adjustment of the scale is effected, are so constructed that they can not be put out of adjustment without the use of violence, which may be readily detected on inspection.

5. The knife edges or fulcrums of each set of levers or guide-rods are in the same plane.

6. The balance is sufficiently sensitive to turn decidedly and promptly by the addition and withdrawal of so much of the load as is equivalent to the error tolerated in commercial weights.

7. When there is a tongue or pointer, or some equivalent arrangement for showing when the balance is in equilibrium.

No balance other than such as will come within the conditions under one or other of the heads, A, B, C or D, are to be verified or stamped.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

73. A copy of the notice, in writing, is to be served at the instance of the applicant, upon the person from whom the Divorce is sought, if the residence of such person can be ascertained; and proof on oath of such service, or of the attempts made to effect it, to the satisfaction of the Senate, is to be adduced before the Senate on the reading of the Petition.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

ATTENDU que l'honorable ministre intérimaire des chemins de fer et canaux a démontré que par l'Acte 36 Vict., chap. 128, un système de jaugeage et d'enregistrement des navires a été adopté pour assurer l'uniformité, lequel, en comprenant les parties d'un navire exemptes du jaugeage par "l'Acte concernant la Marine Marchande" en vigueur précédemment, a considérablement augmenté le tonnage nominal des navires, et qu'il est devenu en conséquence nécessaire que le tarif par tonneau exigé auparavant pour l'hivernage des navires dans le canal Lachine soit modifié pour correspondre aux nouvelles conditions de jaugeage,—

Il a plu à Son Excellence, sur la recommandation du ministre intérimaire des chemins de fer et canaux, par et de l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner, et il est par le présent ordonné que le tarif suivant pour l'hivernage soit substitué à celui qui est maintenant imposé, savoir ;

Pour chaque bateau, barge, bac ou autre bâtiment jaugeant dix (10) tonneaux et moins, soixante et dix (70) cents par bâtiment pour tout l'hiver, et pour chaque bâtiment de plus de dix (10) tonneaux, huit (8) cents additionnels sur chaque dix (10) tonneaux.

REVENU DE L'INTÉRIEUR, CANADA.

DIVISIONS DES POIDS ÉTALONS.

RÈGLEMENTS concernant les poids, mesures, balances et instruments de pesage qui seront admis à vérification, et les honoraires à être chargés pour ce service :

Les balances suivantes seront admises à vérification :

A. Balances à bras égaux, et sur lesquelles la charge est suspendue au-dessous des pivots ou points d'appui.

B. Balances communément connues sous le nom de *Steelyards* ou Balances Romaines, à bras inégaux.

C. Balances-bascules.

B. Balances à bras égaux sur lesquelles la charge est placée au-dessus des pivots ou points d'appui.

A Les balances à bras égaux ne seront admises à vérification que dans le cas où :

1. Le fléau ne dénote aucune différence matérielle quant à la forme ou grandeur des deux bras ;
2. Il y a une langue ou aiguille pointant du centre vers le haut ou le bas et formant angle droit avec le plan des points de suspension ou quelqu'autre chose équivalent pour indiquer le point de l'équilibre.
3. Il est en équilibre lorsque le plan des points de suspension est parfaitement horizontal et retourne à cette position après qu'on a fait osciller le fléau ;
4. Ses bras sont égaux dans la limite de l'inexactitude tolérée ;
5. La balance est suffisamment sensible pour être affectée sûrement et promptement lorsqu'on ajoute ou retranche à sa charge un poids égal à l'erreur tolérée dans les poids du commerce.
6. Aucun poids d'équilibre ou pièce détachée, sauf les plateaux et les accessoires nécessaires pour les relier à la balance, ne sont employés pour ajuster la balance ;
7. La balance, comme tout, est d'une force suffisante et est placée sur une base assez stable pour la protéger contre tout changement de forme ou de position sous le maximum du poids qu'elle est destinée à porter ;
8. Le fléau porte le maximum de sa charge sans fléchir.
9. Le maximum de la charge qu'elle est destinée à peser est distinctement gravé ou marqué sur le fléau ;

10. Les lames du pivot sont fixées au fléau d'une manière permanente.

B. Les balances communément connues sous le nom de *Steelyards* ou Balances Romaines, à bras inégaux, ne seront admises à vérification que dans les cas où :—

1. Il y a place suffisante pour l'oscillation, et les arêtes du couteau sur lequel oscille le fléau sont assez fines pour lui permettre un libre mouvement ;
2. Le fléau est assez fort pour porter sa charge sans fléchir :
3. Le bas des encoches indiquant les divisions du grand bras du levier auquel le poids est suspendu forme très-approximativement une ligne droite tirée à travers les arêtes du couteau formant les points de suspension, et lorsque cette ligne droite passe près et un peu au-dessus du centre de gravité de l'appareil complet ;
4. Les divisions sur le grand bras du levier sont égales entr'elles ;
5. Le poids employé avec le levier—s'il en est détaché ou peut en être aisément détaché,—est une partie multiple ou sous-multiple de la livre *avoir-du-poids*, et porte en évidence la marque distincte de son propre poids.
6. Le maximum du poids qu'elle est destinée à peser est marqué distinctement sur le fléau, ou indiqué par sa construction.

C. Les balances-bascules et à foin, et les ponts à bascule ne seront admis à vérification que dans les cas où :

1. La fondation ou la base d'assise est suffisamment solide et capable de porter, sans changement de niveau ou de forme, ou autre dérangement, le maximum de la charge qu'ils doivent peser ;
2. L'instrument est portatif et est muni d'un appareil quelconque, tel qu'un niveau ou fil à plomb fixé à demeure, pour indiquer si l'instrument est parfaitement de niveau ;
3. La plateforme est arrangée de telle manière que toute obstruction à son libre mouvement puisse être aisément découvert ;
4. Tous les fléaux, leviers et autres parties sont d'une force suffisante pour leur permettre de porter

sans fléchir le maximum du poids dont ils seront chargés ;

5. Les arêtes du couteau sont fixées solidement et à permanence dans le levier, ont assez de jeu pour permettre l'oseillation, et sont suffisamment solides ;

6. Les arêtes du couteau et le point d'appui de chaque jeu de leviers sont sur un même niveau ;

7 Les oscillations sont suffisamment visibles ;

8. Les poids employés avec l'instrument sont égaux à ou des parties multiples ou des fractions autorisées de la livre avoir-du-poids ou des poids spéciaux pour le baril de farine ou le boisseau de blé, et sur chacun desquels est distinctement marqué son poids actuel et le poids ou la quantité spéciale qu'il doit indiquer sur la balance ;

9. Les poids employés comme ci-dessus sont des sous-multiples décimaux tel que $\frac{1}{10}$, $\frac{1}{100}$, $\frac{1}{1000}$ ou des sous-multiples binaires, tels que $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$, etc., du poids qu'ils indiquent ;

10. Il n'y a aucun poids d'équilibre ou pièce détachée servant à ajuster la balance, accessible ou placé de manière à pouvoir être employé pour peser frauduleusement.

11. L'appareil indique le même poids, soit que la charge soit placée au centre de la plateforme, sur un de ses côtés, ou à l'un de ses angles ;

12. Le maximum du poids que l'instrument est destiné à peser est marqué en évidence sur quelqu'une de ses parties essentielles.

D. Les balances à bras égaux, et sur lesquelles la charge est placée au-dessus des pivots ou points d'appui, ne seront admises à vérification que dans le cas où :—

1. Il n'y a aucune différence matérielle dans l'arrangement et la dimension des deux bras ;

2. Les bras en sont d'égale longueur dans les limites de l'erreur tolérée dans les poids commerciaux ;

3. Il n'y a aucun poids d'équilibre, contrepoids mobiles ou pièces détachées sauf les plateaux nécessaires au support de la charge à peser et des poids employés pour la peser ;

4. Les baguettes parallèles, guides, leviers et pivots servant à ajuster la balance sont construits de manière à ne pouvoir être dérangés sans user d'une violence facile à découvrir à l'inspection ;

5. Les couteaux ou points d'appui de chaque jeu de leviers ou les baguettes indicatrices sont sur le même niveau ;

6. La balance est suffisamment sensible pour être affectée sûrement et promptement lorsqu'on ajoute ou retranche à sa charge un poids égal à l'erreur tolérée dans les poids du commerce.

7. Lorsqu'il y a une langue ou aiguille ou autre arrangement équivalent pour indiquer le point d'équilibre.

—

Aucunes balances ne seront vérifiées ou poinçonnées autres que celles réunissant les conditions mentionnées sous l'un ou l'autre des titres A, B, C ou D.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

It shall be lawful for any Justice of the Peace, constable or other peace officer, to search any person whom he may suspect to be carrying any arm within the proclaimed district, contrary to the said Act, and to seize and take from such person any arm so carried, and to keep and detain the same for the use of Her Majesty.

Any Justice of the Peace may, on the oath of a credible witness, that he believes that arms are kept in any house or place within the proclaimed district in order to their being carried within the proclaimed district, contrary to the provisions of the third section of the said Act, issue his warrant to any constable or peace officer to search for and seize the same; and such constable or peace officer or any person in his aid may search for, and if arms are found in such house or place, may seize and detain the same.

It shall be the duty of the Court or Justice before whom any person is convicted under section three of the said Act, to keep and detain for the use of Her Majesty, the arm for the carrying or having which the person is convicted.

Nothing in the said Act contained shall prevent any person from being liable under any other Act or otherwise to any other punishment than is provided for any offence by the said Act; so, however, that no person be punished twice for the same offence.

porteur de quelque arme dans le district proclamé, contrairement au dit acte, et de remettre cet individu le plus tôt possible à la garde de quelque constable ou officier de paix, afin qu'il soit immédiatement conduit devant quelque autorité judiciaire compétente pour être traité suivant la loi.

Il sera loisible à tout juge de paix, constable ou autre officier de paix, de fouiller tout individu qu'il soupçonnera être porteur d'une arme dans le district proclamé, contrairement au dit acte, et de saisir et enlever à cet individu toute arme ainsi portée, et de la garder et détenir pour l'usage de Sa Majesté.

Tout juge de paix pourra, sur le serment d'un témoin digne de foi, déclarant qu'il croit que des armes sont gardées dans quelque maison ou lieu situé dans le district proclamé, dans le but d'être portées dans le district proclamé contrairement aux dispositions de la troisième section du dit acte, émettre son mandat à tout constable ou officier de paix, de faire une perquisition et de saisir ces armes; et tel constable ou officier de paix, ou toute personne lui aidant, pourra faire cette perquisition; et s'il est trouvé des armes dans cette maison ou ce lieu, il pourra les saisir et les détenir.

Si l'entrée de cette maison ou de ce lieu n'est pas accordée après avoir été demandée, tel constable ou officier de paix comme susdit, et toute personne lui aidant, pourra, en tout temps entre le lever et le coucher du soleil, y entrer de force afin de faire la perquisition et la saisie.

A moins que la personne dans la maison ou sur la propriété de laquelle ces armes auront été trouvées ne prouve, dans les quatre jours qui suivront la saisie, à la satisfaction du juge de paix, qu'elles n'étaient pas dans cette maison ou dans ce lieu afin d'être portées dans le district proclamé, contrairement aux dispositions de la troisième section du dit acte, elles seront gardées et détenues pour l'usage de Sa Majesté; autrement, elles seront remises à cette personne.

Le Gouverneur en conseil pourra, de temps à autre, nommer une ou plusieurs personnes compétentes pour accorder, à sa ou leur discrétion, un permis ou des permis en vertu du dit acte, d'avoir et porter toute arme dans le district proclamé; et cette personne ou ces personnes pourra ou pourront de temps à autre révoquer tout tel permis; et une copie de cette révocation sera remise à la personne ou laissée au dernier domicile connu de toute personne dont le permis sera par là révoqué, et son permis sera dès lors nul et non avenu.

Quiconque sera accusé d'avoir commis une offense contre les dispositions de la troisième section du présent acte, pourra être traduit devant, et jugé par trois juges de paix, ou un fonctionnaire ou tribunal revêtu par l'autorité législative compétente du pouvoir d'accomplir seul les actes qui doivent être ordinairement accomplis par deux ou plus de juges de paix, en conformité de l'acte passé en la session tenue dans les 32e et 33e années du règne de Sa Majesté, chapitre 31, intitulé "Acte concernant les devoirs des juges de paix hors des sessions, relativement aux ordres et convictions sommaires."

La production d'un exemplaire imprimé de la *Gazette du Canada*, comportant avoir été imprimé par l'Imprimeur de la Reine, contenant la susdite proclamation, fera preuve probante de l'émission et publication de telle proclamation.

Il sera du devoir de la cour ou du juge de paix devant qui une personne sera convaincue en vertu de la troisième section du dit acte, de garder et détenir pour l'usage de Sa Majesté l'arme pour le port ou la possession de laquelle cette personne a été trouvée coupable.

Rien dans le dit acte n'empêchera qui que ce soit d'être passible, en vertu de tout autre acte ou autrement, de toute autre punition que celle édictée contre toute offense par le dit acte, mais de manière, cependant, que nul ne soit puni deux fois pour la même offense.

The following is an abstract of the provisions of the Act mentioned in the above proclamation, viz:—

The term "Proclaimed District," when used hereinafter, means a place to which this Act may have been applied by a proclamation issued thereunder; and the term "arm" includes any gun, rifle, revolver pistol, or other fire-arm, or air-gun, and any part of any such weapon, and any bullet, gunpowder, cartridge, or ammunition, and any sword-blade, bayonet, pike, pike head, spear, spear head, dirk, dagger, bowie-knife, or other instrument intended for cutting or stabbing; and any steel or metal knuckles, skull-cracker or slung-shot, and any other such deadly or dangerous weapon.

From and after the day named in, and during the continuance in force of the above proclamation, it shall not be lawful for any person, not being a Justice of the Peace, or an officer, soldier, sailor or volunteer, in Her Majesty's service, while on duty, or a constable or other peace officer, or a person licensed under this Act, to carry or have within the proclaimed district, elsewhere than in his own dwelling house, shop, warehouse or counting-house, any arm; and any person carrying or having any arm contrary to this provision, shall be guilty of a misdemeanor, and shall be liable, on conviction thereof, to imprisonment in any gaol or place of confinement for a term not exceeding twelve months.

It shall be lawful for any person whomsoever to seize and apprehend any person who shall be found carrying any arm within the proclaimed district contrary to the said Act, and to deliver such person, as soon as may be, into the custody of a constable or other peace officer, in order to his being forthwith conveyed before some competent judicial authority to be dealt with according to law.

It shall be lawful for any Justice of the Peace, constable or other peace officer, to search any person whom he may suspect to be carrying any arm within the proclaimed district, contrary to the said Act, and to seize and take from such person any arm so carried, and to keep and detain the same for the use of Her Majesty.

Any Justice of the Peace may, on the oath of a credible witness, that he believes that arms are kept in any house or place within the proclaimed district in order to their being carried within the proclaimed district, contrary to the provisions of the third section of the said Act, issue his warrant to any constable or peace officer to search for and seize the same; and such constable or peace officer or any person in his aid may search for, and if arms are found in such house or place, may seize and detain the same.

In case admission to such house or place be not granted after demand, such constable or peace officer as aforesaid and any person in his aid may at

any time between sunrise and sunset, enter the same by force in order to make such search and seizure.

Unless the person in whose house or place the same are found do, within four days next after the seizure, prove to the satisfaction of the justice that they were not in such house or place in order to their being carried within the proclaimed district contrary to the provisions of the third section of the said Act, they shall be kept and detained for the use of Her Majesty; otherwise they shall be restored to such person.

ON the recommendation of the Honorable the Minister of Inland Revenue, and under the provisions of the 49th section of the Act passed in the Session of the Parliament of Canada, held in the 42nd year of Her Majesty's Reign, chaptered 16 and intituled "An Act to amend and consolidate the laws relating to Weights and Measures,-

His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to order, and it is hereby ordered, that the accompanying regulations and tariff of fees for the inspection of Weights and Measures under the said Act be, and the same are hereby approved and adopted.

INLAND REVENUE, CANADA,

STANDARDS' BRANCH.

REGULATIONS as to the description of weights, measures, balances and weighing machines that will be admitted to verification, and fees to be charged therefor.

The following balances are to be admitted to verification:—

A. Balances having equal arms and on which the load is suspended below the fulcrums.
B. Balances commonly known as Steelyards, or Roman Balances, having unequal arms.
C. Weigh Bridges.
D. Balances with equal arms and on which the load is placed above the fulcrums.

A. Balances with equal arms are only to be admitted to verification when :—

1. The beam shows no material difference as regards the form or magnitude of the two arms.

2. It is provided with a tongue pointing upwards or downwards from its centre, at right angles with a line joining the extreme bearings, or with some equivalent arrangement for indicating the position of equilibrium.

3. It is in equilibrium when a line joining the extreme bearings is perfectly horizontal, and returns to that position after being put into vibration.

4. Its arms are equal within the specified limit of error.

5. The balance is sufficiently sensitive to be turned decidedly and promptly by the addition or withdrawal of so much of the load as represents the error tolerated by regulations in a commercial weight representing the load.

6. No balance balls or detached parts other than the pans and the connections necessary for attaching them to the beam are used for adjusting the balance.

7. The balance, as a whole, is of sufficient strength, and on a sufficiently stable base, to secure it against change of form or position under the maximum load it is to carry.

8. The beam will carry its maximum load without deflection.

9. The maximum load for the weighing of which it is to be used is distinctly engraved or marked on the beam.

10. The knife edges are permanently fixed to the beam.

B. Balances commonly known as *Steelyards*, or Roman Balances, having unequal arms, are only to be admitted to verification when :—

1. There is sufficient room for oscillation, and the knife edges on which the beam oscillates are sufficiently fine to permit it to move freely.

2. The beam is sufficiently strong to carry its load without deflection.

3. The bottom of the notches by which the divisions of the long arm of the lever are indicated, and from which the weight is suspended, are in close approximation to a right line drawn through the knife edges forming the points of suspension, and when such straight line passes near to and a little above the centre of gravity of the whole apparatus.

4. The divisions on the long arm of the lever are equal among themselves.

5. The weight used with the lever—if it is changeable or can be readily detached therefrom—is some multiple or sub-multiple of the pound avoirdupois, and has distinctly marked on it its true weight.

6. The maximum weight intended to be weighed on it is either distinctly marked on the beam or indicated by its construction.

C. Weigh Bridges, Hay Scales and Platform Scales will only be admitted to verification when :—

1. The foundation or supporting base is sufficiently firm, and capable of carrying without change of level or of form or other disturbance, the maximum load for which it is to be used.

2. If moveable from place to place, some satisfactory arrangement, such as a level or plummet is provided and permanently attached, for indicating whether the machine is perfectly level.

3. The platform is so arranged that any obstruction to its free movement can be easily detected.

4. All the beams, levers and other parts are of sufficient strength to carry the maximum load to which they will be respectively subjected without deflection.

5. The knife edges are firmly and permanently fixed in the levers, have sufficient room to permit free oscillation, and are sufficiently firm.

6. The knife edges and fulcrums of each set of levers are in the same plane.

7. The oscillations are sufficiently evident.

8. The weights used with the instrument are equal to the avoirdupois pound or to multiples or authorized sub-multiples of the avoirdupois pound, or special weights for the barrel of flour or for the bushel of wheat, their actual weight and the weight of special quantity they are intended to indicate on the scale, being plainly marked thereon.

9. The weights used as above are a decimal sub-multiple, as $\frac{1}{10}$, $\frac{1}{100}$, $\frac{1}{1000}$, or a binary sub-multiple as $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$, etc., of the load indicated by them.

10. There are no moveable balls or detached parts for the adjustment of the balance accessible, or so placed that they can be used for fraudulent weighing.

11. The apparatus indicates the same weight, whether the load is placed in the centre of the platform, on one side of it, or at either corner.

12. The maximum load which the apparatus is intended to weigh is conspicuously marked on some essential part of it.

D. Balances with equal arms, and on which the load is carried above the fulcrums will only be admitted to verification when :—

1. There is no material difference as to the magnitude or arrangement of the two arms.

2. Its arms are of equal length within a limit of error equivalent to that tolerated in commercial weights.

3. There are no balance balls, loose counterpoises or detached parts other than the pans necessary for carrying the load weighed, and the weights used for weighing it.

4. Its parallel rods, guides, levers and pivots, by which the adjustment of the scale is effected, are so constructed that they can not be put out of adjustment without the use of violence, which may be readily detected on inspection.

5. The knife edges or fulcrums of each set of levers or guide-rods are in the same plane.

6. The balance is sufficiently sensitive to turn decidedly and promptly by the addition and withdrawal of so much of the load as is equivalent to the error tolerated in commercial weights.

7. When there is a tongue or pointer, or some equivalent arrangement for showing when the balance is in equilibrium.

No balance other than such as will come within the conditions under one or other of the heads, A, B, C or D, are to be verified or stamped.

Il sera loisible à tout juge de paix, constable ou autre officier de paix, de fouiller tout individu qu'il soupçonnera être porteur d'une arme dans le district proclamé, contrairement au dit acte, et de saisir et enlever à cet individu toute arme ainsi portée, et de la garder et détenir pour l'usage de Sa Majesté.

Tout juge de paix pourra, sur le serment d'un témoin digne de foi, déclarant qu'il croit que des armes sont gardées dans quelque maison ou lieu situé dans le district proclamé, dans le but d'être portées dans le district proclamé contrairement aux dispositions de la troisième section du dit acte, émettre son mandat à tout constable ou officier de paix, de faire une perquisition et de saisir ces armes ; et tel constable ou officier de paix, ou toute personne lui aidant, pourra faire cette perquisition ; et s'il est trouvé des armes dans cette maison ou ce lieu, il pourra les saisir et les détenir.

Si l'entrée de cette maison ou de ce lieu n'est pas accordée après avoir été demandée, tel constable ou officier de paix comme susdit, et toute personne lui aidant, pourra, en tout temps entre le lever et le coucher du soleil, y entrer de force afin de faire la perquisition et la saisie.

A moins que la personne dans la maison ou sur la propriété de laquelle ces armes auront été trouvées ne prouve, dans les quatre jours qui suivront la saisie, à la satisfaction du juge de paix, qu'elles n'étaient pas dans cette maison ou dans ce lieu afin d'être portées dans le district proclamé, contrairement aux dispositions de la troisième section du dit acte, elles seront gardées et détenues pour l'usage de Sa Majesté ; autrement, elles seront remises à cette personne.

Le Gouverneur en conseil pourra, de temps à autre, nommer une ou plusieurs personnes compétentes pour accorder, à sa ou leur discrétion, un permis ou des permis en vertu du dit acte, d'avoir et porter toute arme dans le district proclamé ; et cette personne ou ces personnes pourra ou pourront de temps à autre révoquer tout tel permis ; et une copie de cette révocation sera remise à la personne ou laissée au dernier domicile connu de toute personne dont le permis sera par là révoqué, et son permis sera dès lors nul et non avenu.

Quiconque sera accusé d'avoir commis une offense contre les dispositions de la troisième section du présent acte, pourra être traduit devant, et jugé par trois juges de paix, ou un fonctionnaire ou tribunal revêtu par l'autorité législative compétente du pouvoir d'accomplir seul les actes qui doivent être ordinairement accomplis par deux ou plus de juges de paix, en conformité de l'acte passé en la session tenue dans les 32e et 33e années du règne de Sa Majesté, chapitre 31, intitulé "Acte concernant les devoirs des juges de paix hors des sessions, relativement aux ordres et convictions sommaires."

La production d'un exemplaire imprimé de la *Gazette du Canada*, comportant avoir été imprimé par l'Imprimeur de la Reine, contenant la susdite proclamation, fera preuve probante de l'émission et publication de telle proclamation.

Il sera du devoir de la cour ou du juge de paix devant qui une personne sera convaincue en vertu de la troisième section du dit acte, de garder et détenir pour l'usage de Sa Majesté l'arme pour le port ou la possession de laquelle cette personne a été trouvée coupable.

Rien dans le dit acte n'empêchera qui que ce soit d'être passible, en vertu de tout autre acte ou autrement, de toute autre punition que celle édictée contre toute offense par le dit acte, mais de manière, cependant, que nul ne soit puni deux fois pour la même offense. 10–3

ATTENDU que l'honorable ministre intérimaire des chemins de fer et canaux a démontré que par l'Acte 36 Vict., chap. 128, un système de jaugeage et d'enregistrement des navires a été adopté pour assurer l'uniformité, lequel, en comprenant les parties d'un navire exemptes du jaugeage par " l'Acte concernant la Marine Marchande " en vigueur précédemment, a considérablement augmenté le tonnage nominal des navires, et qu'il est devenu en conséquence nécessaire que le tarif par tonneau exigé auparavant pour l'hivernage des navires dans le canal Lachine soit modifié pour correspondre aux nouvelles conditions de jaugeage,—

REVENU DE L'INTÉRIEUR, CANADA.

DIVISIONS DES POIDS ÉTALONS.

RÈGLEMENTS concernant les poids, mesures, balances et instruments de pesage qui seront admis à vérification, et les honoraires à être chargés pour ce service :

Les balances suivantes seront admises à vérification :

A. Balances à bras égaux, et sur lesquelles la charge est suspendue au-dessous des pivots ou points d'appui.

B. Balances communément connues sous le nom de *Steelyards* ou Balances Romaines, à bras inégaux.

C. Balances-bascules.

D. Balances à bras égaux sur lesquelles la charge est placée au-dessus des pivots ou points d'appui.

A. Les balances à bras égaux ne seront admises à vérification que dans le cas où :

1. Le fléau ne dénote aucune différence matérielle quant à la forme ou grandeur des deux bras ;
2. Il y a une langue ou aiguille pointant du centre vers le haut ou le bas et formant angle droit avec le plan des points de suspension ou quelqu'autre chose équivalent pour indiquer le point de l'équilibre.
3. Il est en équilibre lorsque le plan des points de suspension est parfaitement horizontal et retourne à cette position après qu'on a fait osciller le fléau ;
4. Ses bras sont égaux dans la limite de l'inexactitude tolérée ;
5. La balance est suffisamment sensible pour être affectée sûrement et promptement lorsqu'on ajoute ou retranche à sa charge un poids égal à l'erreur tolérée dans les poids du commerce.
6. Aucun poids d'équilibre ou pièce détachée, sauf les plateaux et les accessoires nécessaires pour les relier à la balance, ne sont employés pour ajuster la balance ;
7. La balance, comme tout, est d'une force suffisante et est placée sur une base assez stable pour la protéger contre tout changement de forme ou de position sous le maximum du poids qu'elle est destinée à porter ;
8. Le fléau porte le maximum de sa charge sans fléchir.
9. Le maximum de la charge qu'elle est destinée à peser est distinctement gravé ou marqué sur le fléau ;

10. Les lames du pivot sont fixées au fléau d'une manière permanente.

B. Les balances communément connues sous le nom de *Steelyards* ou Balances Romaines, à bras inégaux, ne seront admises à vérification que dans les cas où :—

1. Il y a place suffisante pour l'oscillation, et les arêtes du couteau sur lequel oscille le fléau sont assez fines pour lui permettre un libre mouvement ;
2. Le fléau est assez fort pour porter sa charge sans fléchir :
3. Le bas des encoches indiquant les divisions du grand bras du levier auquel le poids est suspendu forme très-approximativement une ligne droite tirée à travers les arêtes du couteau formant les points de suspension, et lorsque cette ligne droite passe près et un peu au-dessus du centre de gravité de l'appareil complet ;
4. Les divisions sur le grand bras du levier sont égales entr'elles ;
5. Le poids employé avec le levier—s'il en est détaché ou peut en être aisément détaché,—est une partie multiple ou sous-multiple de la livre *avoir-du-poids*, et porte en évidence la marque distincte de son propre poids.
6. Le maximum du poids qu'elle est destinée à peser est marqué distinctement sur le fléau, ou indiqué par sa construction.

C. Les balances-baseules et à foin, et les ponts à bascule ne seront admis à vérification que dans les cas où :

1. La fondation ou la base d'assise est suffisamment solide et capable de porter, sans changement de niveau ou de forme, ou autre dérangement, le maximum de la charge qu'ils doivent peser ;
2. L'instrument est portatif et est muni d'un appareil quelconque, tel qu'un niveau ou fil à plomb fixé à demeure, pour indiquer si l'instrument est parfaitement de niveau ;
3. La plateforme est arrangée de telle manière que toute obstruction à son libre mouvement puisse être aisément découvert ;
4. Tous les fléaux, leviers et autres parties sont d'une force suffisante pour leur permettre de porter sans fléchir le maximum du poids dont ils seront chargés ;
5. Les arêtes du couteau sont fixées solidement et à permanence dans le levier, ont assez de jeu pour permettre l'oscillation, et sont suffisamment solides ;
6. Les arêtes du couteau et le point d'appui de chaque jeu de leviers sont sur un même niveau ;
7 Les oscillations sont suffisamment visibles ;
8. Les poids employés avec l'instrument sont égaux à ou des parties multiples ou des fractions autorisées de la livre avoir-du-poids ou des poids spéciaux pour le baril de farine ou le boisseau de blé, et sur chacun desquels est distinctement marqué son poids actuel et le poids ou la quantité spéciale qu'il doit indiquer sur la balance ;
9. Les poids employés comme ci-dessus sont des sous-multiples décimaux tel que $\frac{1}{10}$, $\frac{1}{100}$, $\frac{1}{1000}$ ou des sous-multiples binaires, tels que $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$, etc., du poids qu'ils indiquent ;
10. Il n'y a aucun poids d'équilibre ou pièce détachée servant à ajuster la balance, accessible ou placé de manière à pouvoir être employé pour peser frauduleusement.
11. L'appareil indique le même poids, soit que la charge soit placée au centre de la plateforme, sur un de ses côtés, ou à l'un de ses angles ;
12. Le maximum du poids que l'instrument est destiné à peser est marqué en évidence sur quelqu'une de ses parties essentielles.

D. Les balances à bras égaux, et sur lesquelles la charge est placée au-dessus des pivots ou points d'appui, ne seront admises à vérification que dans le cas où :—

1. Il n'y a aucune différence matérielle dans l'arrangement et la dimension des deux bras ;
2. Les bras en sont d'égale longueur dans les limites de l'erreur tolérée dans les poids commerciaux ;
3. Il n'y a aucun poids d'équilibre, contrepoids mobiles ou pièces détachées sauf les plateaux nécessaires au support de la charge à peser et des poids employés pour la peser ;
4. Les baguettes parallèles, guides, leviers et pivots servant à ajuster la balance sont construits de manière à ne pouvoir être dérangés sans user d'une violence facile à découvrir à l'inspection ;
5. Les couteaux ou points d'appui de chaque jeu de leviers ou les baguettes indicatrices sont sur le même niveau ;
6. La balance est suffisamment sensible pour être affectée sûrement et promptement lorsqu'on ajoute ou retranche à sa charge un poids égal à l'erreur tolérée dans les poids du commerce.
7. Lorsqu'il y a une langue ou aiguille ou autre arrangement équivalent pour indiquer le point d'équilibre.

—

Aucunes balances ne seront vérifiées ou poinçonnées autres que celles réunissant les conditions mentionnées sous l'un ou l'autre des titres A, B, C ou D.

DEPARTMENT OF THE SECRETARY OF STATE,

Ottawa, 12th September, 1879.

The following letter, addressed by the University of London to the Colonial Office, dated 18th August, 1879, and the accompanying pass-list are published by command of His Excellency the Governor General, who desires to express his satisfaction that the whole of the Candidates who presented themselves for examination for the Gilchrist Scholarship this year passed in the Honours division.

—

UNIVERSITY OF LONDON,
BURLINGTON GARDENS, W.
AUGUST 18th, 1879.

SIR,—In the absence of the Registrar, I have the honor to forward to you a Report upon the Matriculation Examination recently held at various centres in Canada, with a view to the award of the Gilchrist Scholarship assigned to the Dominion.

Six candidates in all presented themselves, viz: two at Toronto and one at Kingston, Halifax, Fredericton and Ottawa respectively.

All of these candidates have passed, and passed in the Honors division, so that the Colonial Colleges are to be complimented upon having presented, on this occasion, an unusually good set of men.

The order of merit of these candidates is as follows:–

No. 1057—15 (*a*) Jarvis, Frederick William, University of Toronto;
No. 1069—15 (*b*) Allen, Geo. Winthrope, University of New Brunswick;
No. 1063—49 (Candidate's name not sent), Halifax, N.S.;
No. 1049—74 Jackson, Wm. Shull (2), University of Toronto;
No. 1050—115 (*e s*) Boddy, Hy. Mitchell, Collegiate Institute, Toronto;
No. 1043—122 James, Chas. Canniff, Napanec High School.

The small numbers prefixed to the name indicates that the Candidate would have been placed *next to* (*or equal with*) the English Candidate who obtained that place in the Original Honors List. It will be seen that the first two Candidates both fall between the 15th and 16th of the Candidates in the Original List—the difference between the two is but slight, only some 7 or 8 marks out of about 2000; still as *Jarvis* is the superior to that extent, the Gilchrist Scholarship will be awarded to that gentleman. His private address is 76 Stewart Street, Ottawa, and I have to request you to be good enough to communicate to him as *soon as possible* the news of his success, so that he may prepare to commence his studies in this Country at the begining of October.

Yours, &c.,
THOMAS DOUSE,
Clerk to the Senate.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

De ce qui précède Nos sujets bien aimés et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

PROCLAMATION.

Z. A. LASH, Député du Ministre de la Justice, Canada.

ATTENDU que dans et par un acte passé en la quarante-unième année de Notre Règne, chapitre dix-sept, et intitulé : "Acte pour mieux prévenir les crimes de violence dans certaines parties du Canada, jusqu'à la fin de la prochaine session du Parlement," il est entre autres choses décrété que, lorsque, de l'avis du gouverneur en Conseil, il sera nécessaire, pour mieux prévenir les crimes de violence, que le présent acte soit appliqué à quelque comté, cité ou ville, ou autre district municipal ou judiciaire, dans quelque province ou territoire du Canada, le Gouverneur en Conseil pourra, par une proclamation qui sera publiée dans la *Gazette du Canada*, déclarer que, à compter d'un jour qui y sera désigné, le dit acte s'appliquera à tel comté, cité, ville ou autre district municipal ou judiciaire.

ET ATTENDU que par un acte passé en la quarante-deuxième année de Notre Règne, chapitre quarante et un, et intitulé "Acte pour maintenir en vigueur pendant un temps limité 'l'Acte pour mieux prévenir les crimes, 1878,'" il est statué que le dit Acte quarante et un Victoria, chapitre dix-sept, continuera en vigueur jusqu'à la fin de la session alors prochaine du Parlement.

ET ATTENDU que de l'avis de Notre Gouverneur en Conseil, il est nécessaire pour mieux prévenir les crimes de violence que le dit acte soit appliqué à la cité de Québec, et au comté de Québec, dans la province de Québec, dès et à compter du quatrième jour de septembre, dans l'année de Notre-Seigneur, mil huit cent soixante-dix-neuf.

SACHEZ DONC que par notre présente proclamation royale, et par et de l'avis de Notre Conseil Privé pour le Canada, Nous proclamons, ordonnons et déclarons que dès et à compter du quatrième jour de Septembre, en l'année de Notre-Seigneur mil huit cent soixante-dix-neuf, le dit acte passé en la quarante-unième année de Notre Règne, chapitre dix-sept, et intitulé "Acte pour mieux prévenir les crimes de violence dans certaines parties du Canada, jusqu'à la fin de la prochaine session du Parlement," s'appliquera et sera en vigueur en la dite cité de Québec et le dit comté de Québec.

De tout ce que dessus Nos féaux sujets et tous autres que les présentes pourront concerner, sont requis de prendre connaissance et de se conduire en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre Très-Fidèle et Bien-Aimé Conseiller SIR JOHN DOUGLAS SUTHERLAND CAMPBELL, (communément appelé le Marquis de Lorne), Chevalier de Notre Très-Ancien et Très-Noble Ordre du Chardon, Chevalier Grand'Croix de Notre Ordre Très-Distingué de Saint-Michel et Saint-George, Gouverneur-Général du Canada, et Vice-Amiral d'icelui, etc., etc., etc.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce DEUXIÈME jour de SEPTEMBRE, dans l'année de Notre Seigneur mil huit cent soixante-dix-neuf, et de Notre Règne la quarante-troisième.

Secrétaire d'Etat.

—

Ci-suit un résumé des dispositions de l'acte mentionné dans la proclamation ci-dessus, savoir:—

Les mots "district proclamé" lorsque employés ci-après, signifient un endroit auquel le présent acte pourra avoir été appliqué par une proclamation émise sous son autorité; et le mot "arme" comprend tout fusil, carabine, revolver, pistolet ou autre arme à feu, ou fusil à air et toute partie de pareille arme, et toute balle, poudre, cartouche ou munition, et toute épée, lame d'épée, baïonnette, pique, tête de pique, dard, tête de dard, dague, poignard, couteau-poignard, ou autre instrument destiné à trancher ou poignarder; et toutes jointures d'acier ou de métal, bâton plombé, garcette, et toute autre arme meurtrière ou dangereuse de même nature.

A compter du jour y désigné et durant tout le temps que la proclamation qui précède restera en vigueur, il ne sera permis à qui que ce soit, n'étant pas un juge de paix, ni un officier, soldat, matelot ou volontaire, au service de Sa Majesté, étant de service, ou un constable ou autre officier de paix, ni une personne porteur d'un permis en vertu du présent acte, de porter ou avoir, dans les limites du district proclamé, ailleurs qu'à son domicile ou dans son magasin, sa boutique ou son comptoir, aucune arme; et quiconque portera ou aura quelque arme contrairement à la présente disposition, sera coupable de délit et sera passible, sur conviction du fait, d'emprisonnement dans toute prison ou tout lieu de détention, pendant un terme de pas plus de douze mois.

Il sera loisible à toute personne quelconque de saisir et appréhender tout individu qui sera trouvé porteur de quelque arme dans le district proclamé, contrairement au dit acte, et de remettre cet individu le plus tôt possible à la garde de quelque constable ou officier de paix, afin qu'il soit immédiatement conduit devant quelque autorité judiciaire compétente pour être traité suivant la loi.

Il sera loisible à tout juge de paix, constable ou autre officier de paix, de fouiller tout individu qu'il soupçonnera être porteur d'une arme dans le district proclamé, contrairement au dit acte, et de saisir et enlever à cet individu toute arme ainsi portée, et de la garder et détenir pour l'usage de Sa Majesté.

Tout juge de paix pourra, sur le serment d'un témoin digne de foi, déclarant qu'il croit que des armes sont gardées dans quelque maison ou lieu situé dans le district proclamé, dans le but d'être portées dans le district proclamé contrairement aux dispositions de la troisième section du dit acte, émettre son mandat à tout constable ou officier de paix, de faire une perquisition et de saisir ces armes; et tel constable ou officier de paix, ou toute personne lui aidant, pourra faire cette perquisition; et s'il est trouvé des armes dans cette maison ou ce lieu, il pourra les saisir et les détenir.

Si l'entrée de cette maison ou de ce lieu n'est pas accordée après avoir été demandée, tel constable ou officier de paix comme susdit, et toute personne lui aidant, pourra, en tout temps entre le lever et le coucher du soleil, y entrer de force afin de faire la perquisition et la saisie.

A moins que la personne dans la maison ou sur la propriété de laquelle ces armes auront été trouvées ne prouve, dans les quatre jours qui suivront la saisie, à la satisfaction du juge de paix, qu'elles n'étaient pas dans cette maison ou dans ce lieu afin d'être portées dans le district proclamé, contrairement aux dispositions de la troisième section du dit acte, elles seront gardées et détenues pour l'usage de Sa Majesté; autrement, elles seront remises à cette personne.

Le Gouverneur en conseil pourra, de temps à autre, nommer une ou plusieurs personnes compétentes pour accorder, à sa ou leur discrétion, un permis ou des permis en vertu du dit acte, d'avoir et porter toute arme dans le district proclamé; et cette personne ou ces personnes pourra ou pourront de temps à autre révoquer tout tel permis; et une copie de cette révocation sera remise à la personne ou laissée au dernier domicile connu de toute personne dont le permis sera par là révoqué, et son permis sera dès lors nul et non avenu.

Quiconque sera accusé d'avoir commis une offense contre les dispositions de la troisième section du présent acte, pourra être traduit devant, et jugé par trois juges de paix, ou un fonctionnaire ou tribunal revêtu par l'autorité législative compétente du pouvoir d'accomplir seul les actes qui doivent être ordinairement accomplis par deux ou plus de juges de paix, en conformité de l'acte passé en la session tenue dans les 32e et 33e années du règne de Sa Majesté, chapitre 31, intitulé "Acte concernant les devoirs des juges de paix hors des sessions, relativement aux ordres et convictions sommaires."

La production d'un exemplaire imprimé de la *Gazette du Canada*, comportant avoir été imprimé par l'Imprimeur de la Reine, contenant la susdite proclamation, fera preuve probante de l'émission et publication de telle proclamation.

Il sera du devoir de la cour ou du juge de paix devant qui une personne sera convaincue en vertu de la troisième section du dit acte, de garder et détenir pour l'usage de Sa Majesté l'arme pour le port ou la possession de laquelle cette personne a été trouvée coupable.

Rien dans le dit acte n'empêchera qui que ce soit d'être passible, en vertu de tout autre acte ou autrement, de toute autre punition que celle édictée contre toute offense par le dit acte, mais de manière, cependant, que nul ne soit puni deux fois pour la même offense. 10–3

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

ATTENDU que l'honorable ministre intérimaire des chemins de fer et canaux a démontré que par l'Acte 36 Vict., chap. 128, un système de jaugeage et d'enregistrement des navires a été adopté pour assurer l'uniformité, lequel, en comprenant les parties d'un navire exemptes du jaugeage par "l'Acte concernant la Marine Marchande" en vigueur précédemment, a considérablement augmenté le tonnage nominal des navires, et qu'il est devenu en conséquence nécessaire que le tarif par tonneau exigé auparavant pour l'hivernage des navires dans le canal Lachine soit modifié pour correspondre aux nouvelles conditions de jaugeage,—

Il a plu à Son Excellence, sur la recommandation du ministre intérimaire des chemins de fer et canaux, par et de l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner, et il est par le présent ordonné que le tarif suivant pour l'hivernage soit substitué à celui qui est maintenant imposé, savoir ;

Pour chaque bateau, barge, bac ou autre bâtiment jaugeant dix (10) tonneaux et moins, soixante et dix (70) cents par bâtiment pour tout l'hiver, et pour chaque bâtiment de plus de dix (10) tonneaux, huit (8) cents additionnels sur chaque dix (10) tonneaux.

ORDRE DU DÉPARTEMENT,
N. 24.

DÉPARTEMENT DES POSTES,

Ottawa, 1er septembre 1879.

Frais de port sur les Paquets, dans la Puissance du Canada.

1. Les frais de port, à être payés par avance, sur les paquets expédiés en Canada à destination d'endroits dans la Puissance où il est possible d'en envoyer, sont comme suit :—

Pour chaque paquet ne pesant pas plus de 4 onces	6 cents.
Pour chaque paquet dont le poids est de plus de 4 onces, mais n'excédant pas 8 onces	12 cents.
Pour chaque 4 onces additionnelles ou fraction de 4 onces.....	6 cents.

On voit que des mesures ont été prises pour réduire le taux sur les petits paquets dont le poids n'excède pas 4 onces, et que l'échelle générale des taux sera de 6 cents pour 4 onces, au lieu de 12½ cents par once comme auparavant.

Envoi de lunettes et de lorgnons par la malle.

2. Les règlements qui prohibaient l'envoi du verre par la malle ont été modifiés de façon à permettre d'expédier des lunettes et des lorgnons par la malle, en payant par avance les frais de port ci-dessus mentionnés—à condition toutefois qu'ils soient placés dans des boîtes qui ne laisseront pas échapper leur contenu s'il venait à se briser en route.

Circulaires imprimées au moyen de plumes électriques, etc., etc.

3. Par l'expression "circulaires imprimées," on a voulu inclure les circulaires faites au moyen de plumes électriques, ou autre procédé mécanique, qui pourra être facilement reconnu par les officiers du bureau de poste, tout aussi bien que celles imprimées ordinairement au moyen de caractères d'imprimerie, de la gravure ou de la lithographie.

Lettres etc., etc., envoyées par erreur (mis-sent.)

4. Quand une lettre ou autre objet postal est mal expédié et atteint un bureau de poste pour lequel il n'est pas destiné, le maître de poste—quand il renvoie l'objet à ce qu'il croit être sa véritable destination—devra veiller à ce que les mots "envoyé par erreur à....." y soient apposés, en y ajoutant le timbre de son bureau.

A. CAMPBELL,
11–3 Maître-général des Postes.

DÉPARTEMENT DU SECRÉTAIRE D'ÉTAT.

Ottawa, 12 septembre 1879.

La lettre suivante, adressée par l'Université de Londres au Bureau Colonial, datée le 18 août 1879, et la liste des candidats qui ont subi leurs examens, sont publiés par ordre de Son Excellence le Gouverneur-Général, qui désire exprimer sa satisfaction de voir que tous les candidats qui se sont présentés à l'examen pour la bourse Gilchrist, cette année, l'ont passé dans la division des honneurs :

UNIVERSITÉ DE LONDRES,
BURLINGTON GARDENS, W.
18 août 1879.

MONSIEUR,—En l'absence du Régistrateur j'ai l'honneur de vous transmettre un rapport sur l'examen d'immatriculation qui a eu lieu récemment à divers endroits en Canada, dans le but de décerner la Bourse Gilchrist assignée à la Puissance.

Six candidats, en tout, se sont présentés, savoir : Deux à Toronto et un à Kingston, Halifax, Fréderieton et Outaouais respectivement.

Tous ces candidats passèrent, et passèrent dans la Division des Honneurs, si bien que les colléges des colonies méritent d'être complimentés pour avoir présenté, à cette occasion, un groupe peu commun de bons hommes.

Le mérite de ces candidats peut être désigné dans l'ordre qui suit :

No. 1057—15 (*a*) Jarvis, Frederick William, Université de Toronto.
No. 1069—15 (*b*) Allen, George Winthrope, Université du Nouveau-Brunswiek.
No. 1063—49 (Le nom du candidat n'a pas été envoyé), Halifax, N.E.
No. 1049—74 Jaekson, William Shull (2), Université de Toronto.
No. 1050—115 (*e.s.*) Boddy, Hy. Mitchell, Institut Collégial, Toronto.
No. 1043—122 James, Chas. Canniff, Académie (High School) de Napanee.

Les petits chiffres mis devant le nom des candidats indiquent que ces candidats auraient été placés *après* (ou *avec*) le candidat anglais qui a obtenu cette place dans la liste originale des honneurs. L'on verra que les deux premiers candidats tombent tous deux entre le 15e et le 16e des candidats de la liste originale—la différence entre les deux n'est que de quelques 7 ou 8 points sur au-delà de 2,000 ; cependant, comme Jarvis est le plus fort dans cette concurrence, la Bourse Gilchrist sera décernée à ce monsieur. Son adresse privée est 76, rue Stewart, Outaouais, et je vous prie d'être assez bon pour lui communiquer, le plus tôt possible, la nouvelle de son succès, afin qu'il puisse se préparer à venir commencer ses études en ce pays au commencement d'octobre.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

1. The rates, to be prepaid by postage stamp, on parcels posted in Canada for destinations within the Dominion to which parcels can be sent, are as follows:—

For each parcel weighing not more than 4 ozs.....	6 cents.
For each parcel exceeding 4 ozs., and not exceeding 8 ozs.....	12 do
For each additional 4 ozs., or fraction of 4 ozs.....	6 do

It will be observed that provision is thus made for a reduction of charge on small parcels not exceeding 4 ozs. in weight, and that the general scale of charge will be 6 cents per 4 ozs., instead of, as heretofore, 12½ cents per 8 ozs.

Transmission of Spectacles and Eye-glasses by Mail.

2. The exclusion of glass from Mails is so far modified, that spectacles and eye-glasses, if securely put up in cases not likely to allow the contents to escape if broken in course of conveyance, may be sent by Post within the Dominion on pre-payment of the above parcel post rates.

Circulars Printed by the Electric Pen, &c.

3. The term "*printed circulars*" is extended to include circulars produced by the electric pen or other mechanical process, easy of recognition by the officers of the Post Office, as well as when printed by the ordinary process of printing type, engraving, or lithography.

Letters, &c., Mis-sent.

4. When letters or other postal matter is mis-sent and reaches a Post Office for which it is not intended, the Postmaster, when sending on the same to what he judges to be the right destination, should be careful to mark thereon "Mis-sent to————————" adding the postmark of his office.

A. CAMPBELL,
Postmaster General.

DEPARTMENT OF THE SECRETARY OF STATE,

Ottawa, 12th September, 1879.

The following letter, addressed by the University of London to the Colonial Office, dated 18th August, 1879, and the accompanying pass-list are published by command of His Excellency the Governor General, who desires to express his satisfaction that the whole of the Candidates who presented themselves for examination for the Gilchrist Scholarship this year passed in the Honours division.

—

UNIVERSITY OF LONDON,
BURLINGTON GARDENS, W.
AUGUST 18th, 1879.

SIR,—In the absence of the Registrar, I have the honor to forward to you a Report upon the Matriculation Examination recently held at various centres in Canada, with a view to the award of the Gilchrist Scholarship assigned to the Dominion.

Six candidates in all presented themselves, viz: two at Toronto and one at Kingston, Halifax, Fredericton and Ottawa respectively.

All of these candidates have passed, and passed in the Honors division, so that the Colonial Colleges are to be complimented upon having presented, on this occasion, an unusually good set of men.

The order of merit of these candidates is as follows:—

	Colleges, &c.
No. 1057—15 (*a*) Jarvis, Frederick William,	University of Toronto;
No. 1069—15 (*b*) Allen, Geo. Winthrope,	University of New Brunswick;
No. 1063—49 (C'didate's name not sent),	Halifax, N. S.;
No. 1049—74 Jackson, Wm. Shull (2),	University of Toronto;
No. 1050—115 (*e s*) Boddy, Hy. Mitchell,	Collegiate Institute, Toronto;
No. 1043—122 James, Chas. Canniff,	Napanee High School.

The small numbers prefixed to the name indicates that the Candidate would have been placed *next to*

(*or equal with*) the English Candidate who obtained that place in the Original Honors List. It will be seen that the first two Candidates both fall between the 15th and 16th of the Candidates in the Original List—the difference between the two is but slight, only some 7 or 8 marks out of about 2000; still as *Jarvis* is the superior to that extent, the Gilchrist Scholarship will be awarded to that gentleman. His private address is 76 Stewart Street, Ottawa, and I have to request you to be good enough to communicate to him as *soon as possible* the news of his success, so that he may prepare to commence his studies in this Country at the begining of October.

* * * * * * * * * *

Yours, &c.,
THOMAS DOUSE,
Clerk to the Senate.

R. G. W. HERBERT, Esq.

UNIVERSITY OF LONDON. 1879.

Z. A. LASH, Député du Ministre de la Justice, Canada.

ATTENDU que dans et par un acte passé en la quarante-unième année de Notre Règne, chapitre dix-sept, et intitulé : "Acte pour mieux prévenir les crimes de violence dans certaines parties du Canada, jusqu'à la fin de la prochaine session du Parlement," il est entre autres choses décrété que, lorsque, de l'avis du gouverneur en Conseil, il sera nécessaire, pour mieux prévenir les crimes de violence, que le présent acte soit appliqué à quelque comté. cité ou ville, ou autre district municipal ou judiciaire, dans quelque province ou territoire du Canada, le Gouverneur en Conseil pourra, par une proclamation qui sera publiée dans la *Gazette du Canada*, déclarer que, à compter d'un jour qui y sera désigné, le dit acte s'appliquera à tel comté, cité, ville ou autre district municipal ou judiciaire.

De tout ce que dessus Nos féaux sujets et tous autres que les présentes pourront concerner, sont requis de prendre connaissance et de se conduire en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre Très-Fidèle et Bien-Aimé Conseiller SIR JOHN DOUGLAS SUTHERLAND CAMPBELL, (communément appelé le Marquis de Lorne), Chevalier de Notre Très-Ancien et Très-Noble Ordre du Chardon, Chevalier Grand'Croix de Notre Ordre Très-Distingué de Saint-Michel et Saint-George, Gouverneur-Général du Canada, et Viee-Amiral d'icelui, etc., etc., etc.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce DEUXIÈME jour de SEPTEMBRE, dans l'année de Notre Seigneur mil huit cent soixante-dix-neuf, et de Notre Règne la quarante-troisième.

Par ordre,

J. C. AIKINS,
Secrétaire d'Etat.

Ci suit un résumé des dispositions de l'acte mentionné dans la proclamation ci-dessus, savoir :—

Les mots "district proclamé" lorsque employés ci-après, signifient un endroit auquel le présent acte pourra avoir été appliqué par une proclamation émise sous son autorité ; et le mot "arme" comprend tout fusil, carabine, revolver, pistolet ou autre arme à feu, ou fusil à air et toute partie de pareille arme, et toute balle, poudre, cartouche ou munition, et toute épée, lame d'épée, baïonnette, pique, tête de pique, dard, tête de dard, dague, poignard, couteau-poignard, ou autre instrument destiné à trancher ou poignarder ; et toutes jointures d'acier ou de métal, bâton plombé, garcette, et toute autre arme meurtrière ou dangereuse de même nature.

A compter du jour y désigné et durant tout le temps que la proclamation qui précède restera en vigueur, il ne sera permis à qui que ce soit, n'étant pas un juge de paix, ni un officier, soldat, matelot ou volontaire, au service de Sa Majesté, étant de service, ou un constable ou autre officier de paix, ni une personne porteur d'un permis en vertu du présent acte, de porter ou avoir, dans les limites du district proclamé, ailleurs qu'à son domicile ou dans son magasin, sa boutique ou son comptoir, aucune arme ; et quiconque portera ou aura quelque arme contrairement à la présente disposition, sera coupable de délit et sera passible, sur conviction du fait, d'emprisonnement dans toute prison ou tout lieu de détention, pendant un terme de pas plus de douze mois.

Il sera loisible à toute personne quelconque de saisir et appréhender tout individu qui sera trouvé porteur de quelque arme dans le district proclamé, contrairement au dit acte, et de remettre cet individu le plus tôt possible à la garde de quelque constable ou officier de paix, afin qu'il soit immédiatement conduit devant quelque autorité judiciaire compétente pour être traité suivant la loi.

Il sera loisible à tout juge de paix, constable ou autre officier de paix, de fouiller tout individu qu'il soupçonnera être porteur d'une arme dans le district proclamé, contrairement au dit acte, et de saisir et enlever à cet individu toute arme ainsi portée, et de la garder et détenir pour l'usage de Sa Majesté.

Tout juge de paix pourra, sur le serment d'un témoin digne de foi, déclarant qu'il croit que des armes sont gardées dans quelque maison ou lieu situé dans le district proclamé, dans le but d'être portées dans le district proclamé contrairement aux dispositions de la troisième section du dit acte, émettre son mandat à tout constable ou officier de paix, de faire une perquisition et de saisir ces armes ; et tel constable ou officier de paix, ou toute personne lui aidant, pourra faire cette perquisition ; et s'il est trouvé des armes dans cette maison ou ce lieu, il pourra les saisir et les détenir.

Si l'entrée de cette maison ou de ce lieu n'est pas accordée après avoir été demandée, tel constable ou officier de paix comme susdit, et toute personne lui aidant, pourra, en tout temps entre le lever et le coucher du soleil, y entrer de force afin de faire la perquisition et la saisie.

A moins que la personne dans la maison ou sur la propriété de laquelle ces armes auront été trouvées ne prouve, dans les quatre jours qui suivront la saisie, à la satisfaction du juge de paix, qu'elles n'étaient pas dans cette maison ou dans ce lieu afin d'être portées dans le district proclamé, contrairement aux dispositions de la troisième section du dit acte, elles seront gardées et détenues pour l'usage de Sa Majesté ; autrement, elles seront remises à cette personne.

Le Gouverneur en conseil pourra, de temps à autre, nommer une ou plusieurs personnes compétentes pour accorder, à sa ou leur discrétion, un permis ou des permis en vertu du dit acte, d'avoir et porter

toute arme dans le district proclamé ; et cette personne ou ces personnes pourra ou pourront de temps à autre révoquer tout tel permis ; et une copie de cette révocation sera remise à la personne ou laissée au dernier domicile connu de toute personne dont le permis sera par là révoqué, et son permis sera dès lors nul et non avenu.

Quiconque sera accusé d'avoir commis une offense contre les dispositions de la troisième section du présent acte, pourra être traduit devant, et jugé par trois juges de paix, ou un fonctionnaire ou tribunal revêtu par l'autorité législative compétente du pouvoir d'accomplir seul les actes qui doivent être ordinairement accomplis par deux ou plus de juges de paix, en conformité de l'acte passé en la session tenue dans les 32e et 33e années du règne de Sa Majesté, chapitre 31, intitulé "Acte concernant les devoirs des juges de paix hors des sessions, relativement aux ordres et convictions sommaires."

La production d'un exemplaire imprimé de la *Gazette du Canada*, comportant avoir été imprimé par l'Imprimeur de la Reine, contenant la susdite proclamation, fera preuve probante de l'émission et publication de telle proclamation.

Il sera du devoir de la cour ou du juge de paix devant qui une personne sera convaincue en vertu de la troisième section du dit acte, de garder et détenir pour l'usage de Sa Majesté l'arme pour le port ou la possession de laquelle cette personne a été trouvée coupable.

Rien dans le dit acte n'empêchera qui que ce soit d'être passible, en vertu de tout autre acte ou autrement, de toute autre punition que celle édictée contre toute offense par le dit acte, mais de manière, cependant, que nul ne soit puni deux fois pour la même offense. 10–3

Monument au Prince Impérial par le service uni.

Comme le Prince Impérial avait reçu sa première éducation militaire dans des institutions anglaises et qu'il reçut le coup de mort pendant qu'il était sur le champ de bataille avec nos troupes dans le sud de l'Afrique, le Feld Maréchal Commandant en chef, a été prié de vouloir bien permettre à l'armée de lever une souscription générale dans le but d'ériger un monument pour perpétuer la mémoire et rappeler les regrets qu'elle éprouve de la mort prématurée et du sort par trop malheureux du Prince.

Son Altesse Royale a approuvé avec empressement la demande. La souscription sera de deux sous à un

louis sterling, afin qu'elle puisse être à la portée de chaque individu dans l'armée.

Sur le désire de la marine royale, de la milice, de la cavalerie et des autres corps volontaires de la Grande-Bretagne, de prendre part à cette souscription, il a été décidé de désigner ce monument, sous le nom de "Monument au Prince Impérial par le Service Uni," et que tous ceux qui servent actuellement ou qui ont servi dans n'importe qu'elle branche du service de terre ou de mer seront libres de souscrire.

Un comité a été formé pour cette fin aux Quartiers Généraux, comme suit :

Lieut.-général Sir Edward Selby Smyth, C.C.M.G.

ORDRE DU DÉPARTEMENT,
N. 24.

DÉPARTEMENT DES POSTES,

Ottawa, 1er septembre 1879.

Frais de port sur les Paquets, dans la Puissance du Canada.

1. Les frais de port, à être payés par avance, sur les paquets expédiés en Canada à destination d'endroits dans la Puissance où il est possible d'en envoyer, sont comme suit :—

Pour chaque paquet ne pesant pas plus de 4 onces	6 cents.
Pour chaque paquet dont le poids est de plus de 4 onces, mais n'excédant pas 8 onces	12 cents.
Pour chaque 4 onces additionnelles ou fraction de 4 onces.....	6 cents.

On voit que des mesures ont été prises pour réduire le taux sur les petits paquets dont le poids n'excède pas 4 onces, et que l'échelle générale des taux sera de 6 cents pour 4 onces, au lieu de 12½ cents par 8 onces comme auparavant.

Envoi de lunettes et de lorgnons par la malle.

2. Les règlements qui prohibaient l'envoi du verre par la malle ont été modifiés de façon à permettre d'expédier des lunettes et des lorgnons par la malle, en payant par avance les frais de port ci-dessus mentionnés—à condition toutefois qu'ils soient placés dans des boîtes qui ne laisseront pas échapper leur contenu s'il venait à se briser en route.

Circulaires imprimées au moyen de plumes électriques, etc., etc.

3. Par l'expression " circulaires imprimées," on a voulu inclure les circulaires faites au moyen de plumes électriques, ou autre procédé mécanique, qui pourra être facilement reconnu par les officiers du bureau de poste, tout aussi bien que celles imprimées ordinairement au moyen de caractères d'imprimerie, de la gravure ou de la lithographie.

Lettres etc., etc., envoyées par erreur (mis-sent.)

4. Quand une lettre ou autre objet postal est mal expédié et atteint un bureau de poste pour lequel il n'est pas destiné, le maître de poste—quand il renvoie l'objet à ce qu'il croit être sa véritable destination—devra veiller à ce que les mots " envoyé par erreur à....." y soient apposés, en y ajoutant le timbre de son bureau.

A. CAMPBELL,
11-3 Maître-général des Postes.

DÉPARTEMENT DU SECRÉTAIRE D'ÉTAT.

Ottawa, 12 septembre 1879.

La lettre suivante, adressée par l'Université de Londres au Bureau Colonial, datée le 18 août 1879, et la liste des candidats qui ont subi leurs examens, sont publiées par ordre de Son Excellence le Gouverneur-Général, qui désire exprimer sa satisfaction de voir que tous les candidats qui se sont présentés à l'examen pour la bourse Gilchrist, cette année, l'ont passé dans la division des honneurs :

UNIVERSITÉ DE LONDRES,
BURLINGTON GARDENS, W.
18 août, 1879.

MONSIEUR,—En l'absence du Régistraire, j'ai l'honneur de vous transmettre un rapport sur l'examen d'immatriculation qui a eu lieu récemment à divers endroits en Canada, dans le but de décerner la Bourse Gilchrist assignée à la Puissance.

Six candidats, en tout, se sont présentés, savoir : Deux à Toronto et un à Kingston, Halifax, Fréderic-ton et Outaouais respectivement.

Tous ces candidats passèrent, et passèrent dans la Division des Honneurs, si bien que les colléges des colonies méritent d'être complimentés pour avoir présenté, à cette occasion, un groupe peu commun de bons hommes.

Le mérite de ces candidats peut être désigné dans l'ordre qui suit :

	Colléges, etc.
No. 1057—15 (*a*) Jarvis, Fredcrick William,	Université de Toronto.
No. 1069—15 (*b*) Allen, George Winthrope,	Université du Nouveau-Brunswick.
No. 1063—49 (Le nom du candidat n'a pas été envoyé),	Halifax, N.E.
No. 1049—74 Jackson, William Shull (2),	Université de Toronto.
No. 1050—115(*e.s.*)Boddy, Hy. Mitchell,	Institut Collégial, Toronto.
No. 1043—122 James, Chas. Canniff,	Académie (High School) de Napanee.

Les petits chiffres mis devant le nom des candidats indiquent que ces candidats auraient été placés *après* (ou *sur le même rang que*) le candidat anglais qui a obtenu cette place dans la liste originale des honneurs. L'on verra que les deux premiers candidats tombent tous deux entre le 15e et le 16e des candidats de la liste originale—la différence entre les deux n'est que de quelques 7 ou 8 points sur au-delà de 2,000 ; cependant, comme Jarvis est le plus fort dans cette concurrence, la Bourse Gilchrist sera décernée à ce monsieur. Son adresse privée est 76, rue Stewart, Outaouais, et je vous prie d'être assez bon pour lui communiquer, le plus tôt possible, la nouvelle de son succès, afin qu'il puisse se préparer à venir commencer ses études en ce pays au commencement d'octobre.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation ; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu ; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

ORDRE DU DÉPARTEMENT,
N. 24.

DÉPARTEMENT DES POSTES,

Ottawa, 1er septembre 1879.

Frais de port sur les Paquets, dans la Puissance du Canada.

1. Les frais de port, à être payés par avance, sur les paquets expédiés en Canada à destination d'endroits dans la Puissance où il est possible d'en envoyer, sont comme suit :—

Pour chaque paquet ne pesant pas plus de 4 onces	6 cents.
Pour chaque paquet dont le poids est de plus de 4 onces, mais n'excédant pas 8 onces	12 cents.
Pour chaque 4 onces additionnelles ou fraction de 4 onces.....	6 cents.

On voit que des mesures ont été prises pour réduire le taux sur les petits paquets dont le poids

n'excède pas 4 onces, et que l'échelle générale des taux sera de 6 cents pour 4 onces, au lieu de 12½ cents par 8 onces comme auparavant.

Envoi de lunettes et de lorgnons par la malle.

2. Les règlements qui prohibaient l'envoi du verre par la malle ont été modifiés de façon à permettre d'expédier des lunettes et des lorgnons par la malle, en payant par avance les frais de port ci-dessus mentionnés—à condition toutefois qu'ils soient placés dans des boîtes qui ne laisseront pas échapper leur contenu s'il venait à se briser en route.

Circulaires imprimées au moyen de plumes électriques, etc., etc.

3. Par l'expression "circulaires imprimées," on a voulu inclure les circulaires faites au moyen de plumes électriques, ou autre procédé mécanique, qui pourra être facilement reconnu par les officiers du bureau de poste, tout aussi bien que celles imprimées ordinairement au moyen de caractères d'imprimerie, de la gravure ou de la lithographie.

Lettres etc., etc., envoyées par erreur (mis-sent.)

4. Quand une lettre ou autre objet postal est mal expédié et atteint un bureau de poste pour lequel il n'est pas destiné, le maître de poste—quand il renvoie l'objet à ce qu'il croit être sa véritable destination—devra veiller à ce que les mots "envoyé par erreur à....." y soient apposés, en y ajoutant le timbre de son bureau.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

APPLICATIONS TO PARLIAMENT.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Clerk of the Senate.

ALFRED PATRICK,

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en public qu'un seul dans ce district ; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation ; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu ; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

APPLICATIONS TO PARLIAMENT.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Clerk of the Senate.
ALFRED PATRICK,

73. A copy of the notice, in writing, is to be served at the instance of the applicant, upon the person from whom the Divorce is sought, if the residence of such person can be ascertained; and proof on oath of such service, or of the attempts made to effect it, to the satisfaction of the Senate, is to be adduced before the Senate on the reading of the Petition.

Circulaire.

DOWNING STREET,
19 septembre 1879.

MONSIEUR,—J'ai l'honneur de vous transmettre pour votre information, et pour la publier dans la colonie que régit votre gouvernement, copie d'un ordre de la Reine en Conseil, portant la date du 14 août dernier, et exemptant de l'obligation d'être jaugés de nouveau en ce pays, les navires du royaume de Grèce dont le jaugeage ou tonnage aura été reconnu et marqué, à partir du premier jour de 1878, sur les registres et autres papiers nationaux des dits navires.

J'ai l'honneur d'être, monsieur,
Votre très humble et obéisssant serviteur,
M. E. HICKS BEACH.

A l'officier administrant
le gouvernement du Canada.

—

A la Cour à Osborne, Ile de Wight, le 14ème jour d'août 1879.

PRÉSENTE :

Sa Très Excellente Majesté la Reine en Conseil.

ATTENDU que par "l'Acte amendant l'acte de la Marine Marchande, de 1862," il est statué que chaque fois qu'il sera démontré à Sa Majesté que les règles concernant le jaugeage du tonnage des navires marchands, alors en force, en vertu de l'acte principal, ont été adoptées par le gouvernement de quelque puissance étrangère et sont en force dans telle puissance, il sera loisible à Sa Majesté, par Ordre en Conseil, d'ordonner que les navires de telle puissance étrangère soient censés être du tonnage marqué sur leurs certificats d'enregistrement et autres papiers nationaux, et qu'à dater de tel ordre, il ne soit plus nécessaire pour tels navires d'être jaugés de nouveau dans aucun port ou autre place des possessions de Sa Majesté, mais ces navires seront censés être du tonnage marqué sur leurs certificats d'enregistrement ou autres papiers de la même manière, avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique est censé être le tonnage de tel navire.

Et attendu qu'il a été démontré à Sa Majesté que les règles concernant le jaugeage du tonnage des navires marchands, maintenant en force, en vertu de " l'Acte de la Marine Marchande de 1854 " ont été adoptées par le gouvernement de Sa Majesté le Roi de Grèce, à l'exception d'une différence dans la manière d'estimer la déduction pour la chambre de la machine de certains navires à vapeur ; et que ces règles sont maintenant en force dans cette puissance, y ayant été mises en opération le 1er jour de juillet 1878, il a plu à Sa Majesté, par et de l'avis de son Conseil Privé, d'ordonner par le présent ce qui suit :

1. Concernant les navires à voiles—que les navires à voiles marchands du dit Royaume de Grèce, dont le jaugeage aura, après le dit premier jour de juillet 1878, été reconnu et marqué sur les registres et autres documents nationaux de tel navire à voiles, attestés par leurs dates, seront censés être du tonnage marqué sur tels registres et autres documents nationaux, de la même manière, avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique sera censé être le tonnage de tel navire ;

2. Concernant les navires à vapeur—que les navires marchands appartenant au dit Royaume de Grèce et mus par la vapeur ou toute autre force motrice nécessitant une chambre de machine, dont le jaugeage aura, après le dit premier jour de juillet 1878, été reconnu et marqué sur le certificat d'enregistrement et autres papiers nationaux de tels navires à vapeur, attestés par leurs dates, seront censés être du tonnage marqué sur tels certificats et autres papiers nationaux, de la même manière, et avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique est censé être le tonnage de tel navire ; pourvu, cependant, que si le propriétaire ou le maître d'aucun tel navire à vapeur grec désire que la déduction pour la chambre de la machine de son navire soit faite d'après les règles applicables au jaugeage et à la déduction des chambres de machines à bord des navires britanniques, plutôt que d'après les règles grecques, alors la chambre de la machine sera jaugée et la déduction calculée en vertu des règles britanniques.

RÈGLEMENTS

Concernant certaines terres publiques qui devront servir au chemin de fer du Pacifique.

DÉPARTEMENT DE L'INTÉRIEUR,
OTTAWA, 14 octobre 1879.

AVIS PUBLIC est par le présent donné que les dispositions suivantes, qui seront censées être applicables aux terres se trouvant dans la province de Manitoba, et dans les territoires situés à l'ouest et au nord-ouest d'icelle, sont substituées aux règlements portant la date du 9 juillet dernier, et déterminant la manière de disposer des terres publiques situées dans un rayon de 110 milles (cent dix milles) de chaque côté de la ligne du chemin de fer du Pacifique, lesquels dits règlements sont par le présent annulés:—

1. " Jusqu'à ce que l'étude ultérieure et finale du dit chemin de fer ait été faite à l'ouest de la Rivière Rouge, et pour l'utilité de ces règlements, la voie du dit chemin de fer sera supposée se trouver sur la quatrième base ouest, à l'intersection de la dite base avec la ligne qui se trouve entre les rangs 21 et 22, à l'ouest du premier méridien principal, pour de là se diriger en suivant une ligne directe jusqu'au confluent des rivières Shell et Assiniboine.

2. " Les terrains situés de chaque côté de la ligne seront respectivement divisés en bandes de la manière suivante :

" (1) Une bande de cinq milles, de chaque côté du chemin, immédiatement en contact avec lui, sera appelée la bande A ;

" (2) Une bande de quinze milles, située de chaque côté du chemin, et voisine immédiate de la bande A, sera appelée la bande B ;

" (3) Une bande de vingt milles, située de chaque côté du chemin, et voisine immédiate de la bande B, sera appelée la bande C ;

" (4) Une bande de vingt milles, située de chaque côté du chemin, et voisine immédiate de la bande C, sera appelée la bande D ; et

" (5) Une bande de cinquante milles, située de chaque côté du chemin et voisine immédiate de la bande D, sera appelée la bande E.

3. " Les sections portant les numéros pairs dans chaque township qui se trouve dans les différentes bandes ci-dessus décrites, seront affectées aux *homesteads* et aux pré-emptions, de 160 acres chacun, respectivement.

4. " Les sections portant les numéros impairs dans chacun des dits townships seront fermées aux *homesteads* ou pré-emptions et réservées et reconnues comme terres du chemin de fer.

5. " Les terres du chemin de fer situées dans les différentes bandes seront vendues aux prix suivants : Dans la bande A, $5 (cinq piastres) l'acre ; dans la bande B, $4 (quatre piastres) l'acre ; dans la bande C, $3 (trois piastres) l'acre ; dans la bande D, $2 (deux piastres) l'acre ; dans la bande E, $1 (une piastre) l'acre ; et les termes de vente seront comme suit : Un dixième payable au comptant, lors de l'achat ; et la balance, payable en neuf versements annuels égaux, avec intérêt au taux de six pour cent par année sur ce qui restera dû.

6. " Les terres affectées aux pré-emptions dans les différentes bandes seront vendues aux conditions et aux prix suivants : Dans les bandes A, B et C, à $2.50 (deux piastres et cinquante centins) l'acre ; dans la bande D, à $2 (deux piastres) l'acre ; et dans la bande E, à $1 (une piastre) l'acre. Les termes de vente seront comme suit: Quatre-dixièmes de la somme totale, et les intérêts de cette dernière au taux de six pour cent par an, devront être payés à l'expiration de trois années à partir de la date d'entrée en possession ; les autres six-dixièmes devront être payés en six paiements annuels à partir de la dite date avec intérêt au taux sus-mentionné, sur telle balance du prix d'achat qui d'année en année restera impayée.

7. " Tous les paiements, soit pour les terres du chemin de fer, soit pour les pré-emptions, dans les différentes bandes, seront faits en argent, et non avec des certificats (*scrips*) ou des mandats militaires ou de police.

8. " Tous les argents reçus en paiement de terres préemptées appartiendront à, et formeront partie du fonds destiné au chemin de fer, de la même manière que les argents reçus en paiement des terres du chemin de fer.

9. " Ces dispositions auront un effet rétroactif, en ce qui concerne toutes les inscriptions ou entrées de *homesteads* et de pré-emptions, ou en ce qui concerne les ventes de terres du chemin de fer, faites en vertu des règlements du 9 de juillet, lesquels sont par le présent annulés, et il sera tenu compte de tous les paiements faits en sus et au-delà des prix indiqués.

10. " L'ordre du Conseil du 9 de novembre 1877, concernant les terres entièrement affectées au chemin de fer dans la province de Manitoba, ayant été annulé, toutes les personnes qui se sont établies de

bonne foi sur les dites terres, en vertu du dit ordre du Conseil, paieront, en vertu de ces dispositions, pour les terres préemptées, le prix fixé dans chaeune des bandes. Lorsqu'une personne aura pris deux quarts de section, en vertu de tel ordre du Conseil, elle pourra garder en vertu de ces dispositions, comme *homestead*, le quart de sectien sur lequel elle se sera établie, et comme préemption, l'autre quart de seetion,—que ce *homestead* et cette préemption se trouvent, oui ou non, sur une section portant un numéro pair. Tous les argents payés par telle personne pour les terres qu'elle aura prises, en vertu du dit ordre du Conseil, seront portés au erédit de sa pré-emption, en vertu de ees dispositions. Quiconque aura pris un quart de seetion, en vertu de l'ordre du Conseil mentionné, aura le privilége de le garder comme *homestead* et pourra prendre un autre quart de seetion, eomme pré-emption, l'argent déjà payé par lui, devant être porté au crédit de telle pré-emption.

11. " Toutes les prises de possession de terres seront soumises aux dispositions suivantes relatives au droit de passage du ehemin de fer du Pacifique Canadien ou de n'importe quel autre chemin de fer de colonisation du gouvernement faisant sa jonction avec le dit chemin de fer:

a " Si le chemin de fer traverse une terre oceupée comme *homestead*, le gouvernement aura le droit de passage libre de même qu'il pourra eonstruire librement les stations là où elles seront jugées néeessaires.

b " Lorsque le chemin de fer traversera des préemptions ou des terres du chemin de fer, prises avant la date actuelle, le gouvernement pourra prendre possession de telle partie du dit terrain qui sera nécessaire pour les stations ou les sablonnières, et le propriétaire pourra seulement réelamer le prix par lui payé au gouvernement pour tel terrain, à raison de tant de l'aere.

c " Si, après la loealisation finale du chemin de fer à travers des terres non arpentées ou arpentées mais non prises à eette époque, il se trouve que quelque personne oeeupe des terrains que l'intérêt publie exige de garder, le gouvernement se réserve le droit de prendre possession des dits terrains en payant à l'oecupant la valeur des améliorations par lui faites.

" 12. Les réelamations provenant de l'oeeupation, après la date aetuelle, d'un terrain non arpenté, lors de la prise de possession, et pouvant être eompris dans les limites affectées par les règlements ei-dessus ou par leur applieation ultérieure à de nouveaux territoires, seront dorénavant réglées eonformément aux eonditions ei-dessus relatives aux terres qui se trouvent dans la zone particulière où eet établissement pourra être situé, sujet à l'opération de la sous-seetion *c* de la section 11 de ees règlements.

13. " Toutes les entrées faites après la date de l'occupation, pour des terres inoecupées dans les limites de l'agenee de la Saskatehewan, seront considérées comme provisoires jusqu'à ce que le tracé de la ligne ait été fixé à travers les territoires, après quoi on disposera finalement de ces terres en vertu de ees règlements en tant qu'ils s'appliqueront à la zone particulière où se trouvent ces terres, sujet toutefois à l'opération de la sous-seetion *c* de la section 11 de ees règlements.

14. " En vue de favoriser la eolonisation en réduisant le prix des matériaux de eonstruetion, le gouvernement se réserve le droit d'aeeorder des lieences renouvelables ehaque année, en vertu de la section 52 de " l'Aete concernant les terres fédérales, 1879," pour eouper du bois marchand sur toutes les terres situées dans les diverses zones ci-dessus désignées, et toute oecupation ou vente de terres dans les limites du territoires auquel s'appliquent ces lieences, seront pour le moment sujettes à l'opération de ees lieenees.

15. " Il est bien eompris que les dispositions ei-dessus, n'affeeteront pas les seetions 11 et 29 qui sont les terres réservées aux éeoles publiques, et les seetions 8 et 26 qui sont des terres de la Compagnie de la Baie d'Hudson.

" On pourra se proeurer tous les renseignements néeessaires en s'adressant au bureau des terres fédérales, Ottawa, ou à l'agent des terres fédérales à Winnipeg, ou aux agents locaux à Manitoba ou dans les Territoires.

Par ordre du ministre de l'Intérieur.

Député ministre de l'Intérieur.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

SIR,—

I have the honor to transmit to you, for information and publication in the Colony under your Government, a copy of an Order of the Queen in Council of the 14th of August last, exempting from remeasurement in this Country ships of the Kingdom of Greece, the measurement whereof, after the 1st of July, 1878, has been ascertained and denoted in the Registers and other National papers of such ships.

I have the honor to be,
Sir,
Your most obedient humble servant,

M. E. HICKS BEACH.

The Officer Administering
the Government of Canada.

At the Court at Osborne House, Isle of Wight, the 14th day of August, 1879.

PRESENT:

The Queen's Most Excellent Majesty in Council.

WHEREAS by the "Merchant Shipping Act Amendment Act, 1862," it is enacted that whenever it is made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships for the time being in force under the principal Act have been adopted by the Government of any foreign country, and are in force in that country, it shall be lawful for Her Majesty, by Order in Council, to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificate of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be re-measured in any port or place in Her Majesty's dominions; but such ships shall be deemed to be of the tonnage denoted in their certificates of registry or other papers in the same manner, to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificate of registry of British ships is to be deemed the tonnage of such ships;

And whereas it has been made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships now in force under "The Merchant Shipping Act, 1854," have been adopted by the Government of His Majesty the King of Greece, with the exception of a difference in the mode in certain steamers of estimating the allowance for engine room, and such rules are now in force in that country, having come into operation on the 1st day of July, 1878, Her Majesty is hereby pleased, by and with the advice of Her Privy Council, to direct as follows:—

1. As regards sailing ships, that merchant sailing ships of the said Kingdom of Greece, the measurement whereof after the said 1st day of July 1878 has been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, shall be deemed to be of the tonnage denoted in such registers and other national papers in the same manner, and to the same extent, and for the same purpose, in, to, and for which the tonnage denoted in the certificate of registry of British sailing ships is deemed to be the tonnage of such ships.

2. As regards steam ships, that merchant ships belonging to the said Kingdom of Greece which are propelled by steam or any other power requiring engine room, the measurement whereof shall, after the said 1st day of July 1878, have been ascertained and denoted in the registers and other national papers of such steam ships, testified by the dates thereof, shall be deemed to be of the tonnage denoted in such registers or other national papers in the same manner, and to the same extent, and for the same purpose, in, to, and for which the tonnage denoted

in the certificate of registry of British ships is deemed to be the tonnage of such ships; provided, nevertheless, that if the owner or master of any such Greek steam ship desires the deduction for engine room in his ships to be estimated under the rules for engine room measurement and deduction applicable to British ships instead of under the Greek rule, the engine room shall be measured and the deduction calculated according to the British rules.

REGULATIONS

Respecting the Disposal of certain Public Lands for the purposes of the Canadian Pacific Railway.

Department of the Interior,
Ottawa, Oct. 14, 1879.

PUBLIC notice is hereby given that the following provisions, which shall be held to apply to the lands in the Province of Manitoba, and in the Territories to the west and north-west thereof, are substituted for the Regulations, dated the 9th July last, governing the mode of disposing of the Public Lands situate within 110 (one hundred and ten) miles on each side of the line of the Canadian Pacific Railway, which said Regulations are hereby superseded:—

1. "Until further and final survey of the said railway has been made west of the Red River, and for the purposes of these provisions, the line of the said railway shall be assumed to be on the fourth base westerly to the intersection of the said base by the line between ranges 21 and 22 west of the first principal meridian, and thence in a direct line to the confluence of the Shell River with the River Assiniboine.

2. "The country lying on each side of the line of railway shall be respectively divided into belts, as follows:—

"(1) A belt of five miles on either side of the railway, and immediately adjoining the same, to be called Belt A;

"(2) A belt of fifteen miles on either side of the railway, adjoining Belt A, to be called Belt B;

"(3) A belt of twenty miles on either side of the railway, adjoining Belt B, to be called Belt C;

"(4) A belt of twenty miles on either side of the railway, adjoining Belt C, to be called Belt D; and

"(5) A belt of fifty miles on either side of the railway, adjoining Belt D, to be called Belt E.

3. "The even-numbered sections in each township throughout the several belts above described shall be open for entry as homesteads and pre-emptions of 160 acres each respectively.

4. "The odd-numbered sections in each of such townships shall not be open to homestead or pre-emption, but shall be specially reserved and designated as Railway Lands.

5. "The Railway Lands within the several belts shall be sold at the following rates, viz:—In Belt A, $5 (five dollars) per acre; in Belt B, $4 (four dollars) per acre; in Belt C, $3 (three dollars) per acre; Belt D, $2 (two dollars) per acre; in Belt E, $1 (one dollar) per acre; and the terms of sale of such lands shall be as follows, viz:—One-tenth in cash at the time of purchase; the balance in nine equal annual instalments, with interest at the rate of six per cent. per annum on the balance of purchase money from time to time remaining unpaid, to be paid with each instalment.

6. "The Pre-emption Lands within the several belts shall be sold for the prices and on the terms respectively as follows:—In the Belts A, B and C, at $2.50 (two dollars and fifty cents) per acre; in Belt D, at $2 (two dollars) per acre; and in Belt E, at $1 (one dollar) per acre. The terms of payment to be four tenths of the purchase money, together with interest on the latter at the rate of 6 per cent. per annum, to be paid at the end of three years from the date of entry; the remainder to be paid in six equal instalments annually from and after the said date, with interest at the rate above mentioned on such portions of the purchase money as may remain unpaid, to be paid with each instalment.

7. "All payments for Railway Lands, and also for Pre-emption Lands, within the several Belts, shall be in cash, and not in scrip or military or police bounty warrants.

8. "All moneys received in payment of Pre-emption Lands shall inure to and form part of the fund for railway purposes, in a similar manner to the moneys received in payment of Railway Lands.

9. "These provisions shall be retroactive so far as relates to any and all entries of Homestead and Pre-emption Lands, or sales of Railway Lands obtained or made under the Regulations of the 9th of July, hereby superseded; any payments made in excess of the rate hereby fixed shall be credited on account of sales of such lands.

10. "The Order in Council of the 9th November, 1877, relating to the settlement of the lands in Manitoba which had been previously withdrawn for Railway purposes, having been cancelled, all claims of persons who settled in good faith on lands under the said Order in Council shall be dealt with under these provisions, as to price of Pre-emptions, according to the belt in which such lands may be situate. Where a person may have taken up two quarter-sections under the said Order in Council, he may retain the quarter-section upon which he had settled, as a Homestead, and the other quarter-section as a Pre-emption, under these provisions, irrespective of whether such Homestead and Pre-emption may be found to be upon an even-numbered section or otherwise. Any moneys paid by such person on account of the lands entered by him under the said Order in Council, will be credited to him on account of his Pre-emption purchase, under these provisions. A person who may have taken up one quarter-section under the Order in Council mentioned will be allowed to retain the same as a Homestead, and will be permitted to enter a second quarter-section as a Pre-emption, the money paid on account of the land previously entered to be credited to him on account of such Pre-emption.

11. "All entries of lands shall be subject to the following provisions respecting the right of way of the Canadian Pacific Railway, or of any Government colonization railway connected therewith, viz:

a "In the case of the railway crossing land entered as a Homestead, the right of way thereon, and also any land which may be required for station purposes, shall be free to the Government.

b "Where the railway crosses Pre-emptions or Railway Lands, entered subsequent to the date hereof, the Government may take possession of such portion thereof as may be required for right of way or for station grounds or ballast pits, and the owner shall only be entitled to claim payment for the land so taken, at the same rate per acre as he may have paid the Government for the same.

c "In case, on the final location of the railway through lands unsurveyed, or surveyed but not

entered for at the time, a person is found in occupation of land which it may be desirable in the public interest to retain, the Government reserves the right to take possession of such land, paying the squatter the value of any improvements he may have made thereon.

12. Claims to Public Lands arising from settlement after the date hereof, in territory unsurveyed at the time of such settlement, and which may be embraced within the limits affected by the above policy, or by the extension thereof in the future over additional territory, will be ultimately dealt with in accordance with the terms prescribed above for the lands in the particular belt in which such settlement may be found to be situate, subject to the operation of sub-section *c* of section 11 of these provisions.

13. "All entries after the date hereof of unoccupied lands in the Saskatchewan Agency, will be considered as provisional until the railway line through that part of the territories has been located, after which the same will be finally disposed of in accordance with these provisions, as the same may apply to the particular belt in which such lands may be found to be situated, subject, as above, to the operation of sub-section *c* of section 11 of these provisions.

14. "With a view to encouraging settlement by cheapening the cost of building material, the Government reserves the right to grant licenses, renewable yearly, under Section 52 of the '*Dominion Lands Act*, 1879,' to cut merchantable timber on any lands situated within the several belts above described, and any settlement upon, or sale of lands within, the territory covered by such licenses, shall for the time being be subject to the operation of such licenses.

15. "The above provisions, it will, of course, be understood will not affect sections 11 and 29, which are public school lands, or sections 8 and 26, Hudson's Bay Company's lands.

"Any further information necessary may be obtained on application at the Dominion Lands Office, Ottawa, or from the agent of Dominion Lands, Winnipeg, or from any of the local agents in Manitoba or the Territories.

By order of the Minister of the Interior,

J. S. DENNIS,

Deputy of the Minister of the Interior.

LINDSAY RUSSELL,

Surveyor General. 17–3

APPLICATIONS TO PARLIAMENT.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

73. DOWNING STREET.

MONSIEUR,—J'ai l'honneur de vous transmettre pour votre information, et pour la publier dans la colonie que régit votre gouvernement, copie d'un ordre de la Reine en Conseil, portant la date du 14 août dernier, et exemptant de l'obligation d'être jaugés de nouveau en ce pays, les navires du royaume de Grèce dont le jaugeage ou tonnage aura été reconnu et marqué, à partir du premier jour de 1878, sur les registres et autres papiers nationaux des dits navires.

J'ai l'honneur d'être, monsieur,
Votre très humble et obéisssant serviteur,
M. E. HICKS BEACH.

A l'officier administrant
le gouvernement du Canada.

—

A la Cour à Osborne, Ile de Wight, le 14ème jour d'août 1879.

PRÉSENTE :

Sa Très Excellente Majesté la Reine en Conseil.

ATTENDU que par "l'Acte amendant l'acte de la Marine Marchande, de 1862," il est statué que chaque fois qu'il sera démontré à Sa Majesté que les règles concernant le jaugeage du tonnage des navires marchands, alors en force, en vertu de l'acte principal, ont été adoptées par le gouvernement de quelque puissance étrangère et sont en force dans telle puissance, il sera loisible à Sa Majesté, par Ordre en Conseil, d'ordonner que les navires de telle puissance étrangère soient censés être du tonnage marqué sur leurs certificats d'enregistrement et autres papiers nationaux, et qu'à dater de tel ordre, il ne soit plus nécessaire pour tels navires d'être jaugés de nouveau dans aucun port ou autre place des possessions de Sa Majesté, mais ces navires seront censés être du tonnage marqué sur leurs certificats d'enregistrement ou autres papiers de la même manière, avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique est censé être le tonnage de tel navire.

Et attendu qu'il a été démontré à Sa Majesté que les règles concernant le jaugeage du tonnage des navires marchands, maintenant en force, en vertu de "l'Acte de la Marine Marchande de 1854" ont été adoptées par le gouvernement de Sa Majesté le Roi de Grèce, à l'exception d'une différence dans la manière d'estimer la déduction pour la chambre de la machine de certains navires à vapeur ; et que ces règles sont maintenant en force dans cette puissance, y ayant été mises en opération le 1er jour de juillet 1878, il a plu à Sa Majesté, par et de l'avis de son Conseil Privé, d'ordonner par le présent ce qui suit :

1. Concernant les navires à voiles—que les navires à voiles marchands du dit Royaume de Grèce, dont le jaugeage aura, après le dit premier jour de juillet 1878, été reconnu et marqué sur les registres et autres documents nationaux de tel navire à voiles, attestés par leurs dates, seront censés être du tonnage marqué sur tels registres et autres documents nationaux, de la même manière, avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique sera censé être le tonnage de tel navire ;

2. Concernant les navires à vapeur—que les navires marchands appartenant au dit Royaume de Grèce et mus par la vapeur ou toute autre force motrice nécessitant une chambre de machine, dont le jaugeage aura, après le dit premier jour de juillet 1878, été reconnu et marqué sur le certificat d'enregistrement et autres papiers nationaux de tels navires à vapeur, attestés par leurs dates, seront censés être du tonnage marqué sur tels certificats et autres papiers nationaux, de la même manière, et avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique est censé être le tonnage de tel navire ; pourvu, cependant, que si le propriétaire ou le maître d'aucun tel navire à vapeur grec désire que la déduction pour la chambre de la machine de son navire soit faite d'après les règles applicables au jaugeage et à la déduction des chambres de machines à bord des navires britanniques, plutôt que d'après les règles grecques, alors la chambre de la machine sera jaugée et la déduction calculée en vertu des règles britanniques.

RÈGLEMENTS

Concernant certaines terres publiques qui devront servir au chemin de fer du Pacifique.

DÉPARTEMENT DE L'INTÉRIEUR,
OTTAWA, 14 octobre 1879.

AVIS PUBLIC est par le présent donné que les dispositions suivantes, qui seront censées être applicables aux terres se trouvant dans la province de Manitoba, et dans les territoires situés à l'ouest et au nord-ouest d'icelle, sont substituées aux règlements portant la date du 9 juillet dernier, et déterminant la manière de disposer des terres publiques situées dans un rayon de 110 milles (cent dix milles) de chaque côté de la ligne du chemin de fer du Pacifique, lesquels dits règlements sont par le présent annulés :—

1. "Jusqu'à ce que l'étude ultérieure et finale du dit chemin de fer ait été faite à l'ouest de la Rivière Rouge, et pour l'utilité de ces règlements, la voie du dit chemin de fer sera supposée se trouver sur la quatrième base ouest, à l'intersection de la dite base avec la ligne qui se trouve entre les rangs 21 et 22, à l'ouest du premier méridien principal, pour de là se diriger en suivant une ligne directe jusqu'au confluent des rivières Shell et Assiniboine.

2. "Les terrains situés de chaque côté de la ligne seront respectivement divisés en bandes de la manière suivante :

"(1) Une bande de cinq milles, de chaque côté du chemin, immédiatement en contact avec lui, sera appelée la bande A ;

"(2) Une bande de quinze milles, située de chaque côté du chemin, et voisine immédiate de la bande A, sera appelée la bande B ;

"(3) Une bande de vingt milles, située de chaque côté du chemin, et voisine immédiate de la bande B, sera appelée la bande C ;

"(4) Une bande de vingt milles, située de chaque côté du chemin, et voisine immédiate de la bande C, sera appelée la bande D ; et

"(5) Une bande de cinquante milles, située de chaque côté du chemin et voisine immédiate de la bande D, sera appelée la bande E.

3. "Les sections portant les numéros pairs dans chaque township qui se trouve dans les différentes bandes ci-dessus décrites, seront affectées aux *homesteads* et aux pré-emptions, de 160 acres chacun, respectivement.

4. "Les sections portant les numéros impairs dans chacun des dits townships seront fermées aux *homesteads* ou pré-emptions et réservées et reconnues comme terres du chemin de fer.

5. "Les terres du chemin de fer situées dans les différentes bandes seront vendues aux prix suivants : Dans la bande A, $5 (cinq piastres) l'acre ; dans la bande B, $4 (quatre piastres) l'acre ; dans la bande

C, $3 (trois piastres) l'acre ; dans la bande D, $2 (deux piastres) l'acre ; dans la bande E, $1 (une piastre) l'acre ; et les termes de vente seront comme suit : Un dixième payable au comptant, lors de l'achat ; et la balance, payable en neuf versements annuels égaux, avec intérêt au taux de six pour cent par année sur ce qui restera dû.

6. " Les terres affectées aux pré-emptions dans les différentes bandes seront vendues aux conditions et aux prix suivants : Dans les bandes A, B et C, à $2.50 (deux piastres et cinquante centins) l'acre ; dans la bande D, à $2 (deux piastres) l'acre ; et dans la bande E, à $1 (une piastre) l'acre. Les termes de vente seront comme suit: Quatre-dixièmes de la somme totale, et les intérêts de cette dernière au taux de six pour cent par an, devront être payés à l'expiration de trois années à partir de la date d'entrée en possession ; les autres six-dixièmes devront être payés en six paiements annuels à partir de la dite date avec intérêt au taux sus-mentionné, sur telle balance du prix d'achat qui d'année en année restera impayée.

7. " Tous les paiements, soit pour les terres du chemin de fer, soit pour les pré-emptions, dans les différentes bandes, seront faits en argent, et non avec des certificats (*scrips*) ou des mandats militaires ou de police.

8. " Tous les argents reçus en paiement de terres préemptées appartiendront à, et formeront partie du fonds destiné au chemin de fer, de la même manière que les argents reçus en paiement des terres du chemin de fer.

9. " Ces dispositions auront un effet rétroactif, en ce qui concerne toutes les inscriptions ou entrées de *homesteads* et de pré-emptions, ou en ce qui concerne les ventes de terres du chemin de fer, faites en vertu des règlements du 9 de juillet, lesquels sont par le présent annulés, et il sera tenu compte de tous les paiements faits en sus et au-delà des prix indiqués.

10. " L'ordre du Conseil du 9 de novembre 1877, concernant les terres entièrement affectées au chemin de fer dans la province de Manitoba, ayant été annulé, toutes les personnes qui se sont établies de bonne foi sur les dites terres, en vertu du dit ordre du Conseil, paieront, en vertu de ces dispositions, pour les terres préemptées, le prix fixé dans chacune des bandes. Lorsqu'une personne aura pris deux quarts de section, en vertu de tel ordre du Conseil, elle pourra garder en vertu de ces dispositions, comme *homestead*, le quart de sectien sur lequel elle se sera établie, et comme préemption, l'autre quart de section,—que ce *homestead* et cette préemption se trouvent, oui ou non, sur une section portant un numéro pair. Tous les argents payés par telle personne pour les terres qu'elle aura prises, en vertu du dit ordre du Conseil, seront portés au crédit de sa pré-emption, en vertu de ces dispositions. Quiconque aura pris un quart de section, en vertu de l'ordre du Conseil mentionné, aura le privilége de le garder comme *homestead* et pourra prendre un autre quart de section, comme pré-emption, l'argent déjà payé par lui, devant être porté au crédit de telle pré-emption.

11. " Toutes les prises de possession de terres seront soumises aux dispositions suivantes relatives au droit de passage du chemin de fer du Pacifique Canadien ou de n'importe quel autre chemin de fer de colonisation du gouvernement faisant sa jonction avec le dit chemin de fer:

a " Si le chemin de fer traverse une terre occupée comme *homestead*, le gouvernement aura le droit de passage libre de même qu'il pourra construire librement les stations là où elles seront jugées nécessaires.

b " Lorsque le chemin de fer traversera des préemptions ou des terres du chemin de fer, prises avant la date actuelle, le gouvernement pourra prendre possession de telle partie du dit terrain qui sera nécessaire pour les stations ou les sablonnières, et le propriétaire pourra seulement réclamer le prix par lui payé au gouvernement pour tel terrain, à raison de tant de l'acre.

c " Si, après la localisation finale du chemin de fer à travers des terres non arpentées ou arpentées mais non prises à cette époque, il se trouve que quelque personne occupe des terrains que l'intérêt public exige de garder, le gouvernement se réserve le droit de prendre possession des dits terrains en payant à l'occupant la valeur des améliorations par lui faites.

" 12. Les réclamations provenant de l'occupation, après la date actuelle, d'un terrain non arpenté, lors de la prise de possession, et pouvant être compris dans les limites affectées par les règlements ci-dessus ou par leur application ultérieure à de nouveaux territoires, seront dorénavant réglées conformément aux conditions ci-dessus relatives aux terres qui se trouvent dans la zone particulière où cet établissement pourra être situé, sujet à l'opération de la sous-section *c* de la section 11 de ces règlements.

13. " Toutes les entrées faites après la date de l'occupation, pour des terres inoccupées dans les limites de l'agence de la Saskatchewan, seront considérées comme provisoires jusqu'à ce que le tracé de la ligne ait été fixé à travers les territoires, après quoi on disposera finalement de ces terres en vertu de ces règlements en tant qu'ils s'appliqueront à la zone particulière où se trouvent ces terres, sujet toutefois à l'opération de la sous-section *c* de la section 11 de ces règlements.

14. " En vue de favoriser la colonisation en réduisant le prix des matériaux de construction, le gouvernement se réserve le droit d'accorder des licences renouvelables chaque année, en vertu de la section 52 de "l'Acte concernant les terres fédérales, 1879," pour couper du bois marchand sur toutes les terres situées dans les diverses zones ci-dessus désignées, et toute occupation ou vente de terres dans les limites du territoires auquel s'appliquent ces licences, seront pour le moment sujettes à l'opération de ces licences.

15. " Il est bien compris que les dispositions ci-dessus, n'affecteront pas les sections 11 et 29 qui sont les terres réservées aux écoles publiques, et les sections 8 et 26 qui sont des terres de la Compagnie de la Baie d'Hudson.

" On pourra se procurer tous les renseignements nécessaires en s'adressant au bureau des terres fédérales, Ottawa, ou à l'agent des terres fédérales à Winnipeg, ou aux agents locaux à Manitoba ou dans les Territoires.

Par ordre du ministre de l'Intérieur.

J. S. DENNIS,
Député ministre de l'Intérieur.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en public qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

SIR,—

I have the honor to transmit to you, for information and publication in the Colony under your Government, a copy of an Order of the Queen in Council of the 14th of August last, exempting from remeasurement in this Country ships of the Kingdom of Greece, the measurement whereof, after the 1st of July, 1878, has been ascertained and denoted in the Registers and other National papers of such ships.

I have the honor to be,
Sir,
Your most obedient humble servant,

M. E. HICKS BEACH.

The Officer Administering
the Government of Canada.

—

At the Court at Osborne House, Isle of Wight, the 14th day of August, 1879.

PRESENT :

The Queen's Most Excellent Majesty in Council.

WHEREAS by the "Merchant Shipping Act Amendment Act, 1862," it is enacted that whenever it is made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships for the time being in force under the principal Act have been adopted by the Government of any foreign country, and are in force in that country, it shall be lawful for Her Majesty, by Order in Council, to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificate of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be re-measured in any port or place in Her Majesty's dominions; but such ships shall be deemed to be of the tonnage denoted in their certificates of registry or other papers in the same manner, to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificate of registry of British ships is to be deemed the tonnage of such ships;

And whereas it has been made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships now in force under "The Merchant Shipping Act, 1854," have been adopted by the Government of His Majesty the King of Greece, with the exception of a difference in the mode in certain steamers of estimating the allowance for engine room, and such rules are now in force in that country, having come into operation on the 1st day of July, 1878, Her Majesty is hereby pleased, by and with the advice of Her Privy Council, to direct as follows:—

1. As regards sailing ships, that merchant sailing ships of the said Kingdom of Greece, the measurement whereof after the said 1st day of July 1878 has been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, shall be deemed to be of the tonnage denoted in such registers and other national papers in the same manner, and to the same extent, and for the same purpose, in, to, and for which the tonnage denoted in the certificate of registry of British sailing ships is deemed to be the tonnage of such ships.

2. As regards steam ships, that merchant ships belonging to the said Kingdom of Greece which are propelled by steam or any other power requiring engine room, the measurement whereof shall, after the said 1st day of July 1878, have been ascertained and denoted in the registers and other national papers of such steam ships, testified by the dates thereof, shall be deemed to be of the tonnage denoted in such registers or other national papers in the same manner, and to the same extent, and for the same purpose, in, to, and for which the tonnage denoted in the certificate of registry of British ships is deemed to be the tonnage of such ships; provided, nevertheless, that if the owner or master of any such Greek steam ship desires the deduction for engine room in his ships to be estimated under the rules for engine room measurement and deduction applicable to British ships instead of under the Greek rule, the engine room shall be measured and the deduction calculated according to the British rules.

DEPARTMENT OF THE INTERIOR,
OTTAWA, Oct. 14, 1879.

PUBLIC notice is hereby given that the following provisions, which shall be held to apply to the lands in the Province of Manitoba, and in the Territories to the west and north-west thereof, are substituted for the Regulations, dated the 9th July last, governing the mode of disposing of the Public Lands situate within 110 (one hundred and ten) miles on each side of the line of the Canadian Pacific Railway, which said Regulations are hereby superseded :—

1. "Until further and final survey of the said railway has been made west of the Red River, and for the purposes of these provisions, the line of the said railway shall be assumed to be on the fourth base westerly to the intersection of the said base by the line between ranges 21 and 22 west of the first principal meridian, and thence in a direct line to the confluence of the Shell River with the River Assiniboine.

2. "The country lying on each side of the line of railway shall be respectively divided into belts, as follows :—

"(1) A belt of five miles on either side of the railway, and immediately adjoining the same, to be called Belt A ;

"(2) A belt of fifteen miles on either side of the railway, adjoining Belt A, to be called Belt B ;

"(3) A belt of twenty miles on either side of the railway, adjoining Belt B, to be called Belt C ;

"(4) A belt of twenty miles on either side of the railway, adjoining Belt C, to be called Belt D ; and

"(5) A belt of fifty miles on either side of the railway, adjoining Belt D, to be called Belt E.

3. "The even-numbered sections in each township throughout the several belts above described shall be open for entry as homesteads and pre-emptions of 160 acres each respectively.

4. "The odd-numbered sections in each of such townships shall not be open to homestead or pre emption, but shall be specially reserved and designated as Railway Lands.

5. "The Railway Lands within the several belts shall be sold at the following rates, viz :—In Belt A, $5 (five dollars) per acre ; in Belt B, $4 (four dollars) per acre ; in Belt C, $3 (three dollars) per acre ; Belt D, $2 (two dollars) per acre ; in Belt E, $1 (one dollar) per acre ; and the terms of sale of such lands shall be as follows, viz :—One-tenth in cash at the time of purchase ; the balance in nine equal annual instalments, with interest at the rate of six per cent. per annum on the balance of purchase money from time to time remaining unpaid, to be paid with each instalment.

6. "The Pre-emption Lands within the several belts shall be sold for the prices and on the terms respectively as follows :—In the Belts A B and C, at $2.50 (two dollars and fifty cents) per acre ; in Belt D, at $2 (two dollars) per acre ; and in Belt E, at $1 (one dollar) per acre. The terms of payment to be four tenths of the purchase money, together with interest on the latter at the rate of 6 per cent. per annum, to be paid at the end of three years from the date of entry ; the remainder to be paid in six equal instalments annually from and after the said date, with interest at the rate above mentioned on such portions of the purchase money as may remain unpaid, to be paid with each instalment.

7. "All payments for Railway Lands, and also for Pre-emption Lands, within the several Belts, shall be in cash, and not in scrip or military or police bounty warrants.

8. "All moneys received in payment of Pre-emption Lands shall inure to and form part of the fund for railway purposes, in a similar manner to the moneys received in payment of Railway Lands.

9. "These provisions shall be retroactive so far as relates to any and all entries of Homestead and Pre-emption Lands, or sales of Railway Lands obtained or made under the Regulations of the 9th of July, hereby superseded ; any payments made in excess of the rate hereby fixed shall be credited on account of sales of such lands.

10. "The Order in Council of the 9th November, 1877, relating to the settlement of the lands in Manitoba which had been previously withdrawn for Railway purposes, having been cancelled, all claims of persons who settled in good faith on lands under the said Order in Council shall be dealt with under these provisions, as to price of Pre-emptions, according to the belt in which such lands may be situate. Where a person may have taken up two quarter-sections under the said Order in Council, he may retain the quarter-section upon which he had settled, as a Homestead, and the other quarter-section as a Pre-emption, under these provisions, irrespective of

whether such Homestead and Pre-emption may be found to be upon an even-numbered section or otherwise. Any moneys paid by such person on account of the lands entered by him under the said Order in Council, will be credited to him on account of his Pre-emption purchase, under these provisions. A person who may have taken up one quarter-section under the Order in Council mentioned will be allowed to retain the same as a Homestead, and will be permitted to enter a second quarter-section as a Pre-emption, the money paid on account of the land previously entered to be credited to him on account of such Pre-emption.

11. "All entries of lands shall be subject to the following provisions respecting the right of way of the Canadian Pacific Railway, or of any Government colonization railway connected therewith, viz:

a "In the case of the railway crossing land entered as a Homestead, the right of way thereon, and also any land which may be required for station purposes, shall be free to the Government.

b "Where the railway crosses Pre-emptions or Railway Lands, entered subsequent to the date hereof, the Government may take possession of such portion thereof as may be required for right of way or for station grounds or ballast pits, and the owner shall only be entitled to claim payment for the land so taken, at the same rate per acre as he may have paid the Government for the same.

c "In case, on the final location of the railway through lands unsurveyed, or surveyed but not entered for at the time, a person is found in occupation of land which it may be desirable in the public interest to retain, the Government reserves the right to take possession of such land, paying the squatter the value of any improvements he may have made thereon.

12. Claims to Public Lands arising from settlement after the date hereof, in territory unsurveyed at the time of such settlement, and which may be embraced within the limits affected by the above policy, or by the extension thereof in the future over additional territory, will be ultimately dealt with in accordance with the terms prescribed above for the lands in the particular belt in which such settlement may be found to be situate, subject to the operation of sub-section *c* of section 11 of these provisions.

13. "All entries after the date hereof of unoccupied lands in the Saskatchewan Agency, will be considered as provisional until the railway line through that part of the territories has been located, after which the same will be finally disposed of in accordance with these provisions, as the same may apply to the particular belt in which such lands may be found to be situated, subject, as above, to the operation of sub-section *c* of section 11 of these provisions.

14. "With a view to encouraging settlement by cheapening the cost of building material, the Government reserves the right to grant licenses, renewable yearly, under Section 52 of the '*Dominion Lands Act*, 1879,' to cut merchantable timber on any lands situated within the several belts above described, and any settlement upon, or sale of lands within, the territory covered by such licenses, shall for the time being be subject to the operation of such licenses.

15. "The above provisions, it will, of course, be understood will not affect sections 11 and 29, which are public school lands, or sections 8 and 26, Hudson's Bay Company's lands.

"Any further information necessary may be obtained on application at the Dominion Lands Office, Ottawa, or from the agent of Dominion Lands, Winnipeg, or from any of the local agents in Manitoba or the Territories.

By order of the Minister of the Interior,

J. S. DENNIS,
Deputy of the Minister of the Interior.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette,* and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

Greffier de la Couronne en Chancellerie, Canada.

Circulaire.

DOWNING STREET,
19 septembre 1879.

MONSIEUR,—J'ai l'honneur de vous transmettre pour votre information, et pour la publier dans la colonie que régit votre gouvernement, copie d'un ordre de la Reine en Conseil, portant la date du 14 août dernier, et exemptant de l'obligation d'être jaugés de nouveau en ce pays, les navires du royaume de Grèce dont le jaugeage ou tonnage aura été reconnu et marqué, à partir du premier jour de 1878, sur les registres et autres papiers nationaux des dits navires.

J'ai l'honneur d'être, monsieur,
Votre très humble et obéisssant serviteur,
M. E. HICKS BEACH.

A l'officier administrant
le gouvernement du Canada.

—

A la Cour à Osborne, Ile de Wight, le 14ème jour d'août 1879.

PRÉSENTE :

Sa Très Excellente Majesté la Reine en Conseil.

ATTENDU que par "l'Acte amendant l'acte de la Marine Marchande, de 1862," il est statué que chaque fois qu'il sera démontré à Sa Majesté que les règles concernant le jaugeage du tonnage des navires marchands, alors en force, en vertu de l'acte principal, ont été adoptées par le gouvernement de quelque puissance étrangère et sont en force dans telle puissance, il sera loisible à Sa Majesté, par Ordre en Conseil, d'ordonner que les navires de telle puissance étrangère soient censés être du tonnage marqué sur leurs certificats d'enregistrement et autres papiers nationaux, et qu'à dater de tel ordre, il ne soit plus nécessaire pour tels navires d'être jaugés de nouveau dans aucun port ou autre place des possessions de Sa Majesté, mais ces navires seront censés

être du tonnage marqué sur leurs certificats d'enregistrement ou autres papiers de la même manière, avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique est censé être le tonnage de tel navire.

Et attendu qu'il a été démontré à Sa Majesté que les règles concernant le jaugeage du tonnage des navires marchands, maintenant en force, en vertu de "l'Acte de la Marine Marchande de 1854" ont été adoptées par le gouvernement de Sa Majesté le Roi de Grèce, à l'exception d'une différence dans la manière d'estimer la déduction pour la chambre de la machine de certains navires à vapeur ; et que ces règles sont maintenant en force dans cette puissance, y ayant été mises en opération le 1er jour de juillet 1878, il a plu à Sa Majesté, par et de l'avis de son Conseil Privé, d'ordonner par le présent ce qui suit :

1. Concernant les navires à voiles—que les navires à voiles marchands du dit Royaume de Grèce, dont le jaugeage aura, après le dit premier jour de juillet 1878, été reconnu et marqué sur les registres et autres documents nationaux de tel navire à voiles, attestés par leurs dates, seront censés être du tonnage marqué sur tels registres et autres documents nationaux, de la même manière, avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique sera censé être le tonnage de tel navire ;

2. Concernant les navires à vapeur—que les navires marchands appartenant au dit Royaume de Grèce et mus par la vapeur ou toute autre force motrice nécessitant une chambre de machine, dont le jaugeage aura, après le dit premier jour de juillet 1878, été reconnu et marqué sur le certificat d'enregistrement et autres papiers nationaux de tels navires à vapeur, attestés par leurs dates, seront censés être du tonnage marqué sur tels certificats et autres papiers nationaux, de la même manière, et avec la même force, et à toutes les fins pour lesquelles le tonnage marqué sur le certificat d'enregistrement d'un navire britannique est censé être le tonnage de tel navire ; pourvu, cependant, que si le propriétaire ou le maître d'aucun tel navire à vapeur grec désire que la déduction pour la chambre de la machine de son navire soit faite d'après les règles applicables au jaugeage et à la déduction des chambres de machines à bord des navires britanniques, plutôt que d'après les règles grecques, alors la chambre de la machine sera jaugée et la déduction calculée en vertu des règles britanniques.

Ordres en Conseil.

Règlements relatifs au bateau-traversier sur la rivière Ottawa, entre le quai de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, dans la province de Québec, et le quai de Brown, dans le township de Plantagenet-Nord, dans le comté de Prescott, dans la province d'Ontario.

Premièrement.—Limites.

Les limites de la traverse s'étendront jusqu'à la distance d'un mille au-delà du quai de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, dans la province de Québec, et jusqu'à une égale distance au bas du quai de Brown, dans le township de Plantagenet-Nord, dans le comté de Prescott, dans la province d'Ontario.

Deuxièmement.—Débarcadères.

Il faudra établir sur les deux côtés de la rivière, des débarcadères convenables ou des quais pouvant servir en tout temps, durant la saison de la navigation—le tout sujet à l'approbation du département du Revenu de l'Intérieur.

Troisièmement.—Bateau-traversier.

Durant la première année qui suivra le bail, le fermier fournira et placera sur la traverse un bateau mû, soit par la vapeur, par les chevaux ou par les rames, et propre au transport, aussi rapide que possible, des passagers, des chevaux, des bêtes à cornes, et de tous les véhicules ordinaires ; et le dit bateau sera sujet à l'approbation du département du Revenu de l'Intérieur ; et si le fermier décidait de se servir d'un bateau à vapeur, il lui faudrait obtenir et produire, lorsque demande en serait faite, un certificat du bureau des inspecteurs de bateaux à vapeur du Canada, attestant que tel bateau à vapeur est convenable, sûr et suffisant pour le service.

Quatrièmement.—Nombre de traversées.

Durant la saison de la navigation, le bateau-traversier commencera à marcher (sauf les dimanches) à six heures a.m. et continuera ensuite à traverser, aussi souvent qu'il sera nécessaire, et le nombre des traverses sera fixé, de temps à autre, par le département du Revenu de l'Intérieur. Le fermier devra, jusqu'à nouvel ordre, établir un système convenable de signaux, et traverser d'un côté à l'autre, lorsqu'il sera ainsi appelé à le faire.

Cinquièmement.—Tarif.

Le maximum des prix pour la traverse sera comme suit :

	Centins.
Pour une voiture attelée de deux chevaux, avec son conducteur, pour chaque traverse.....	30
Pour une voiture attelée d'un cheval, avec son conducteur, pour chaque traverse.....	25
Pour un cheval, pour chaque traverse.....	20
Pour chaque tête de bête à cornes, pour chaque traverse	20
Pour chaque tête de mouton ou de cochon, pour chaque traverse.....	10
Pour chaque passager, pour chaque traverse.....	10
Pour chaque 100 livres de fret, pour chaque traverse	5

Sixièmement.

Le bateau-traversier devra être placé sur la traverse complètement terminé et équipé, et les débarcadères devront aussi être construits et achevés le ou avant le premier jour de mai 1880.

Septièmement.

La durée du bail sera de sept ans, à compter du premier jour de novembre 1879.

Huitièmement.

Le fermier sera tenu de fournir deux cautionnements acceptés par le département du Revenu de l'Intérieur ; et les deux cautions seront séparément et conjointement responsables pour une somme de $400, de l'exécution parfaite des termes du bail.

Neuvièmement.

Le département du Revenu de l'Intérieur se réserve le droit de ne pas accepter le bateau-traversier ou les débarcadères, ou l'un ou l'autre, comme impropres ou insuffisants pour le service, ou bien comme dangereux. Le Gouverneur en conseil se réserve aussi le droit de modifier le maximum du tarif, si l'intérêt public l'exigeait, et le Gouverneur en conseil pourra résilier le bail, lorsqu'il sera démontré d'une manière satisfaisante que le fermier de la traverse ne remplit pas les conditions de son bail.

Dixièmement.

Il devra être affiché près de l'embarcadère du bateau-traversier, de chaque côté de la rivière, ainsi que sur le bateau-traversier, un avis indiquant les prix.

BUREAU DU CONSEIL PRIVÉ.

Je certifie par le présent, que les règlements ci-dessus concernant la susdite traverse ont été approuvés par Son Excellence le Gouverneur-Général en conseil, le 27ème jour d'octobre 1879.

RÈGLEMENTS

Concernant certaines terres publiques qui devront servir au chemin de fer du Pacifique.

DÉPARTEMENT DE L'INTÉRIEUR,
OTTAWA, 14 octobre 1879.

AVIS PUBLIC est par le présent donné que les dispositions suivantes, qui seront censées être applicables aux terres se trouvant dans la province de Manitoba, et dans les territoires situés à l'ouest et au nord-ouest d'icelle, sont substituées aux règlements portant la date du 9 juillet dernier, et déterminant la manière de disposer des terres publiques situées dans un rayon de 110 milles (cent dix milles) de chaque côté de la ligne du chemin de fer du Pacifique, lesquels dits règlements sont par le présent annulés:—

1. "Jusqu'à ce que l'étude ultérieure et finale du dit chemin de fer ait été faite à l'ouest de la Rivière Rouge, et pour l'utilité de ces règlements, la voie du dit chemin de fer sera supposée se trouver sur la quatrième base ouest, à l'intersection de la dite base avec la ligne qui se trouve entre les rangs 21 et 22, à l'ouest du premier méridien principal, pour de là se diriger en suivant une ligne directe jusqu'au confluent des rivières Shell et Assiniboine.

2. "Les terrains situés de chaque côté de la ligne seront respectivement divisés en bandes de la manière suivante:

"(1) Une bande de cinq milles, de chaque côté du chemin, immédiatement en contact avec lui, sera appelée la bande A;

"(2) Une bande de quinze milles, située de chaque côté du chemin, et voisine immédiate de la bande A, sera appelée la bande B;

"(3) Une bande de vingt milles, située de chaque côté du chemin, et voisine immédiate de la bande B, sera appelée la bande C;

"(4) Une bande de vingt milles, située de chaque côté du chemin, et voisine immédiate de la bande C, sera appelée la bande D; et

"(5) Une bande de cinquante milles, située de chaque côté du chemin et voisine immédiate de la bande D, sera appelée la bande E.

3. "Les sections portant les numéros pairs dans chaque township qui se trouve dans les différentes bandes ci-dessus décrites, seront affectées aux *homesteads* et aux pré-emptions, de 160 acres chacun, respectivement.

4. "Les sections portant les numéros impairs dans chacun des dits townships seront fermées aux *homesteads* ou pré-emptions et réservées et reconnues comme terres du chemin de fer.

5. "Les terres du chemin de fer situées dans les différentes bandes seront vendues aux prix suivants: Dans la bande A, $5 (cinq piastres) l'acre; dans la bande B, $4 (quatre piastres) l'acre; dans la bande C, $3 (trois piastres) l'acre; dans la bande D, $2 (deux piastres) l'acre; dans la bande E, $1 (une piastre) l'acre; et les termes de vente seront comme suit: Un dixième payable au comptant, lors de l'achat; et la balance, payable en neuf versements annuels égaux, avec intérêt au taux de six pour cent par année sur ce qui restera dû.

6. "Les terres affectées aux pré-emptions dans les différentes bandes seront vendues aux conditions et aux prix suivants: Dans les bandes A, B et C, à $2.50 (deux piastres et cinquante centins) l'acre; dans la bande D, à $2 (deux piastres) l'acre; et dans la bande E, à $1 (une piastre) l'acre. Les termes de vente seront comme suit: Quatre-dixièmes de la somme totale, et les intérêts de cette dernière au taux de six pour cent par an, devront être payés à l'expiration de trois années à partir de la date d'entrée en possession; les autres six-dixièmes devront être payés en six paiements annuels à partir de la dite date avec intérêt au taux sus-mentionné, sur telle balance du prix d'achat qui d'année en année restera impayée.

7. "Tous les paiements, soit pour les terres du chemin de fer, soit pour les pré-emptions, dans les différentes bandes, seront faits en argent, et non avec des certificats (*scrips*) ou des mandats militaires ou de police.

8. "Tous les argents reçus en paiement de terres préemptées appartiendront à, et formeront partie du fonds destiné au chemin de fer, de la même manière que les argents reçus en paiement des terres du chemin de fer.

9. "Ces dispositions auront un effet rétroactif, en ce qui concerne toutes les inscriptions ou entrées de *homesteads* et de pré-emptions, ou en ce qui concerne les ventes de terres du chemin de fer, faites en vertu des règlements du 9 de juillet, lesquels sont par le présent annulés, et il sera tenu compte de tous les paiements faits en sus et au-delà des prix indiqués.

10. "L'ordre du Conseil du 9 de novembre 1877, concernant les terres entièrement affectées au chemin de fer dans la province de Manitoba, ayant été annulé, toutes les personnes qui se sont établies de bonne foi sur les dites terres, en vertu du dit ordre du Conseil, paieront, en vertu de ces dispositions, pour les terres préemptées, le prix fixé dans chacune des bandes. Lorsqu'une personne aura pris deux

quarts de section, en vertu de tel ordre du Conseil, elle pourra garder en vertu de ces dispositions, comme *homestead*, le quart de sectien sur lequel elle se sera établie, et comme préemption, l'autre quart de section,—que ce *homestead* et cette préemption se trouvent, oui ou non, sur une section portant un numéro pair. Tous les argents payés par telle personne pour les terres qu'elle aura prises, en vertu du dit ordre du Conseil, seront portés au crédit de sa pré-emption, en vertu de ces dispositions. Quiconque aura pris un quart de section, en vertu de l'ordre du Conseil mentionné, aura le privilége de le garder comme *homestead* et pourra prendre un autre quart de section, comme pré-emption, l'argent déjà payé par lui, devant être porté au crédit de telle pré-emption.

11. "Toutes les prises de possession de terres seront soumises aux dispositions suivantes relatives au droit de passage du chemin de fer du Pacifique Canadien ou de n'importe quel autre chemin de fer de colonisation du gouvernement faisant sa jonction avec le dit chemin de fer:

a "Si le chemin de fer traverse une terre occupée comme *homestead*, le gouvernement aura le droit de passage libre de même qu'il pourra construire librement les stations là où elles seront jugées nécessaires.

b "Lorsque le chemin de fer traversera des préemptions ou des terres du chemin de fer, prises avant la date actuelle, le gouvernement pourra prendre possession de telle partie du dit terrain qui sera nécessaire pour les stations ou les sablonnières, et le propriétaire pourra seulement réclamer le prix par lui payé au gouvernement pour tel terrain, à raison de tant de l'acre.

c "Si, après la localisation finale du chemin de fer à travers des terres non arpentées ou arpentées mais non prises à cette époque, il se trouve que quelque personne occupe des terrains que l'intérêt public exige de garder, le gouvernement se réserve le droit de prendre possession des dits terrains en payant à l'occupant la valeur des améliorations par lui faites.

"12. Les réclamations provenant de l'occupation, après la date actuelle, d'un terrain non arpenté, lors de la prise de possession, et pouvant être compris dans les limites affectées par les règlements ci-dessus ou par leur application ultérieure à de nouveaux territoires, seront dorénavant réglées conformément aux conditions ci-dessus relatives aux terres qui se trouvent dans la zone particulière où cet établissement pourra être situé, sujet à l'opération de la sous-section *c* de la section 11 de ces règlements.

13. "Toutes les entrées faites après la date de l'occupation, pour des terres inoccupées dans les limites de l'agence de la Saskatchewan, seront considérées comme provisoires jusqu'à ce que le tracé de la ligne ait été fixé à travers les territoires, après quoi on disposera finalement de ces terres en vertu de ces règlements en tant qu'ils s'appliqueront à la zone particulière où se trouvent ces terres, sujet toutefois à l'opération de la sous-section *c* de la section 11 de ces règlements.

14. "En vue de favoriser la colonisation en réduisant le prix des matériaux de construction, le gouvernement se réserve le droit d'accorder des licences renouvelables chaque année, en vertu de la section 52 de "l'Acte concernant les terres fédérales, 1879," pour couper du bois marchand sur toutes les terres situées dans les diverses zones ci-dessus désignées, et toute occupation ou vente de terres dans les limites du territoires auquel s'appliquent ces licences, seront pour le moment sujettes à l'opération de ces licences.

15. "Il est bien compris que les dispositions ci-dessus, n'affecteront pas les sections 11 et 29 qui sont les terres réservées aux écoles publiques, et les sections 8 et 26 qui sont des terres de la Compagnie de la Baie d'Hudson.

"On pourra se procurer tous les renseignements nécessaires en s'adressant au bureau des terres fédérales, Ottawa, ou à l'agent des terres fédérales à Winnipeg, ou aux agents locaux à Manitoba ou dans les Territoires.

Par ordre du ministre de l'Intérieur.

J. S. DENNIS,
Député ministre de l'Intérieur.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

GENERAL ORDERS (27.)

No. 1.

Schools of Military Instruction.

In order to provide immediate facilities for Officers who have been appointed "provisionally" to Companies of Infantry to obtain certificates of qualification, required by paragraph 65 of the "Regulations and Orders for the Militia, 1879," the following arrangements have been made :—

Three Schools for practical military instruction of Officers of Infantry are authorized to be opened on the 7th day of January, 1880, one at Toronto for the Province of Ontario, one at Montreal for the Province of Quebec, and one at St. John, Province of New Brunswick, for the Maritime Provinces, to be maintained during a period of two months, provided enough candidates come forward for instruction.

The Commandants and Adjutants will be supplied from the District Staff, and two non-commissioned officers for each School will be detailed to act as drill sergeants and instructors.

Officers who join any School will not be required to remain thereat longer than necessary to enable them to pass the required examination.

The certificates to be granted will be "Second Class," as laid down in paragraph 69 of said "Regulations and Orders for the Militia, 1879."

The number of Officers who may be admitted for instruction in each School is not to exceed fifty; of these, twenty may be residents within the city at which the school is established, and thirty from corps whose headquarters are distant more than two miles from such city. If in either case vacancies occur at any time, they may be filled by such Officers of Infantry, either from the city corps or from corps outside the limits of the city, as may desire to join.

Officers who join for a course of instruction, if residing in the city where the School is maintained, or within two miles thereof, will receive no personal allowances during the period they are under instruction. Those residing more than two miles distant from the city will receive, on obtaining a second class certificate, an allowance at the rate of seventy-five cents per diem for the days actually present under instruction, and in addition an allowance at the rate of six cents per mile in lieu of transport, for one journey going to, and one journey returning from the School.

Officers who desire to join either School will make application through the ordinary channel to the Brigade Major of the Military District within which the School is maintained.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

la partie sud-est de l'île Jerseyman et au sud du phare d'alignement érigé sur la partie sud-est de la dite île.

2. A partir d'une ligne imaginaire s'étendant du phare de l'île Jerseyman jusqu'à un point opposé, touchant sur son parcours la partie sud-ouest de l'île Crid, à l'entrée de Crid Passage.

SACHEZ maintenant que par et en vertu de l'autorité que Nous confère le dit acte et un ordre en Conseil, Nous proclamons et déclarons que l'Acte ci-dessus et intitulé "Acte pour pourvoir à la nomination de maîtres de havre pour certains ports dans les provinces de la Nouvelle-Ecosse et du Nouveau Brunswick," et les actes qui l'amendent, devront désormais s'appliquer au Port d'Arichat, dans le comté de Richmond, dans la province de la Nouvelle-Ecosse, comme ci-haut défini.

De ce qui précède Nos sujets bien-aimés et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre Très-Fidèle et Bien-Aimé Conseiller SIR JOHN DOUGLAS SUTHERLAND CAMPBELL (communément appelé le Marquis de Lorne), Chevalier de Notre Très-Ancien et Très-Noble Ordre du Chardon, Chevalier Grand'Croix de Notre Ordre Très-Distingué de Saint Michel et Saint George, Gouverneur-Général du Canada, et Vice-Amiral en icelui.

No. 1.

Ecoles d'instruction militaire.

Afin de donner aux personnes qui ont été nommées provisoirement officiers dans des compagnies d'infanterie, la facilité d'obtenir les certificats d'efficacité voulus par le paragraphe 65 des "Règlements et Ordres pour la Milice, 1879," les dispositions suivantes ont été prises :—

Dans le but de donner aux officiers d'infanterie une instruction militaire pratique, il s'ouvrira, le 7 janvier 1880, trois écoles : une à Toronto, pour la province d'Ontario ; une à Montréal, pour la province de Québec, et une à St. Jean, dans la province du Nouveau-Brunswick, pour les Provinces Maritimes. Ces écoles resteront ouvertes pendant l'espace de deux mois, pourvu que le nombre d'aspirants qui se présenteront soit suffisant.

Les commandants et les adjudants de chaque école seront pris dans l'état-major du district, et il y aura deux sous-officiers qui agiront comme sergents et instructeurs d'exercices.

Les officiers qui fréquenteront ces écoles ne seront pas obligés d'y demeurer plus que le temps nécessaire pour se mettre en état de subir l'examen requis.

Les certificats qui seront accordés dans ces écoles, seront des certificats de seconde classe, tel que réglé par le paragraphe 69 des susdits "Règlements et Ordres pour la Milice, 1879."

Le nombre des officiers à admettre dans chaque école pour suivre le cours d'instruction ne devra pas excéder cinquante, dont vingt pourront être des habitants de la cité où l'école est établie, et les trente autres pris dans des corps de milice dont les quartiers généraux sont à une distance de deux milles au moins de cette cité.

Si en aucun temps il survient des vacances, elles pourront être remplies par des officiers d'infanterie venant soit d'un corps de la cité ou de tout autre corps de milice en dehors des limites de cette cité.

Les officiers qui suivront le cours d'instruction donné dans ces écoles, ne recevront aucune allocation personnelle s'ils demeurent dans la ville ou seulement à une distance de deux milles de la ville où est établie l'école. Ceux qui demeurent à une distance de plus de deux milles de cette ville recevront, lors de leur obtention d'un certificat de seconde classe, une allocation de soixante-quinze *cents* par jour pour le temps qu'ils auront été nécessairement obligés de rester à l'école, et en sus une indemnité de six *cents* par mille, comme frais de route, pour se rendre à l'école et autant pour en revenir à l'expiration de leur cours d'instruction.

Les officiers qui désireront fréquenter ces écoles devront en faire la demande, par la voie ordinaire, au major de brigade du district militaire dans lequel est établie l'école.

RÈGLEMENTS relatifs au bateau-traversier sur la rivière Ottawa, entre le quai de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, dans la province de Québec, et le quai de Brown, dans le township de Plantagenet-Nord, dans le comté de Prescott, dans la province d'Ontario.

Premièrement.—Limites.

Les limites de la traverse s'étendront jusqu'à la distance d'un mille au-delà du quai de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, dans la province de Québec, et jusqu'à une égale distance au bas du quai de Brown, dans le township de Plantagenet-Nord, dans le comté de Prescott, dans la province d'Ontario.

Deuxièmement.—Débarcadères.

Il faudra établir sur les deux côtés de la rivière, des débarcadères convenables ou des quais pouvant servir en tout temps, durant la saison de la navigation—le tout sujet à l'approbation du département du Revenu de l'Intérieur.

Troisièmement.—Bateau-traversier.

Durant la première année qui suivra le bail, le fermier fournira et placera sur la traverse un bateau mû, soit par la vapeur, par les chevaux ou par les rames, et propre au transport, aussi rapide que possible, des passagers, des chevaux, des bêtes à cornes, et de tous les véhicules ordinaires ; et le dit bateau sera sujet à l'approbation du département du Revenu de l'Intérieur ; et si le fermier décidait de se servir d'un bateau à vapeur, il lui faudrait obtenir et produire, lorsque demande en serait faite, un certificat du bureau des inspecteurs de bateaux à vapeur du Canada, attestant que tel bateau à vapeur est convenable, sûr et suffisant pour le service.

Quatrièmement.—Nombre de traversées.

Durant la saison de la navigation, le bateau-traversier commencera à marcher (sauf les dimanches) à six heures a.m. et continuera ensuite à traverser, aussi souvent qu'il sera nécessaire, et le nombre des traverses sera fixé, de temps à autre, par le département du Revenu de l'Intérieur. Le fermier devra, jusqu'à nouvel ordre, établir un système convenable de signaux, et traverser d'un côté à l'autre, lorsqu'il sera ainsi appelé à le faire.

Cinquièmement.—Tarif.

Le maximum des prix pour la traverse sera comme suit :

	Centins.
Pour une voiture attelée de deux chevaux, avec son conducteur, pour chaque traverse.....	30
Pour une voiture attelée d'un cheval, avec son conducteur, pour chaque traverse.....	25
Pour un cheval, pour chaque traverse.....	20
Pour chaque tête de bête à cornes, pour chaque traverse	20
Pour chaque tête de mouton ou de cochon, pour chaque traverse.....	10
Pour chaque passager, pour chaque traverse.....	10
Pour chaque 100 livres de fret, pour chaque traverse	5

Sixièmement.

Le batcau-traversier devra être placé sur la traverse complètement terminé et équipé, et les débarcadères devront aussi être construits et achevés le ou avant le premier jour de mai 1880.

Septièmement.

La durée du bail sera de sept ans, à compter du premier jour de novembre 1879.

Huitièmement.

Le fermier sera tenu de fournir deux cautionnements acceptés par le département du Revenu de l'Intérieur ; et les deux cautions seront séparément et conjointement responsables pour une somme de $400, de l'exécution parfaite des termes du bail.

Neuvièmement.

Le département du Revenu de l'Intérieur se réserve le droit de ne pas accepter le bateau-traversier ou les débarcadères, ou l'un ou l'autre, comme impropres ou insuffisants pour le service, ou bien comme dangereux. Le Gouverneur en conseil se réserve aussi le droit de modifier le maximum du tarif, si l'intérêt public l'exigeait, et le Gouverneur en conseil pourra résilier le bail, lorsqu'il sera démontré d'une manière satisfaisante que le fermier de la traverse ne remplit pas les conditions de son bail.

Dixièmement.

Il devra être affiché près de l'embarcadère du bateau-traversier, de chaque côté de la rivière, ainsi que sur le bateau-traversier, un avis indiquant les prix.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Sir M. E. Hicks Beach to the Marquis of Lorne.

Downing Street,
3rd November, 1879.

My Lord,—

I have received your despatches Nos. 152 and 153 of the 26th May last, transmitting Reports of the Privy Council expressing the views of your Government respecting the question of precedence of Naval Officers in the Dominion, and on the subject of Salutes, and of the precedence to be given to the Lieutenant Governors of the Provinces within their respective Provinces, and at the seat of Government of the Dominion.

I have transmitted copies of these Reports to the Lords Commissioners of the Admiralty and I am still in communication with their Lordships on the subject of them, but I will not any longer delay conveying to you my approval of the suggestion made by your Government that the Chief Judges of the several Superior Courts of Common Law and Equity in the different Provinces of the Dominion, should take rank and precedence (in accordance with the dates of their respective Commissions) immediately after the Chief Justice of the Supreme Court of Canada, and that the Puisne Judges of the Supreme Court should take rank and precedence (in accordance with the dates of their respective commissions) immediately before the Puisne Judges of the several Provincial Courts in lieu of the rank and precedence assigned to the Judges of the Supreme Court by my despatch of the 31st October, 1878.

I have, &c.,

M. E. HICKS BEACH.

DOMINION PARLIAMENT.

Rules relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

A tous ceux auxquels parviendront les présentes ou qu'elles peuvent concerner aucunement,—SALUT:

PROCLAMATION.

Z. A. LASH, Député du Ministre de la Justice, Canada.

ATTENDU que par et en vertu d'un acte passé en la session du Parlement du Canada tenue dans la trente-sixième année de Notre règne, chapitre neuvième et intitulé "Acte pour pourvoir à la nomination de maîtres de havre pour certains ports des provinces de la Nouvelle-Ecosse et du Nouveau-Brunswick," il est entre autres choses en substance statué, que le dit acte s'appliquera aux provinces de la Nouvelle-Ecosse et du Nouveau-Brunswick seulement, et à tels ports et ces ports seulement, dans l'une ou l'autre de ces provinces, qui seront de temps à autres désignés à cette fin par proclamation en vertu d'un ordre ou d'ordres du Gouverneur en Conseil (sauf seulement les ports d'Halifax et de Pictou, dans la Nouvelle-Ecosse, et le port de St. Jean, dans le Nouveau-Brunswick) ;

Et attendu qu'il a été passé un ordre du Gouverneur en Conseil en date du vingt-neuvième jour d'octobre, dans l'année de Notre-Seigneur mil huit cent soixante-dix-neuf, désignant le port d'Arichat, couprenant le havre d'Arichat-Ouest, dans le comté de Richmond, dans la province de la Nouvelle-Ecosse, comme un port auquel devront s'appliquer le dit acte et ses amendements, les limites du dit port étant comme suit, savoir :

1. A partir d'une ligne imaginaire s'étendant du phare de Pointe Marache jusqu'à un point touchant la partie sud-est de l'île Jerseyman et au sud du phare d'alignement érigé sur la partie sud-est de la dite île.

2. A partir d'une ligne imaginaire s'étendant du phare de l'île Jerseyman jusqu'à un point opposé, touchant sur son parcours la partie sud-ouest de l'île Crid, à l'entrée de Crid Passage.

SACHEZ maintenant que par et en vertu de l'autorité que Nous confère le dit acte et un ordre en Conseil, Nous proclamons et déclarons que l'Acte ci-dessus et intitulé " Acte pour pourvoir à la nomination de maîtres de havre pour certains ports dans les provinces de la Nouvelle-Ecosse et du Nouveau-Brunswick," et les actes qui l'amendent, devront désormais s'appliquer au Port d'Arichat, dans le comté de Richmond, dans la province de la Nouvelle-Ecosse, comme ci-haut défini.

De ce qui précède Nos sujets bien-aimés et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre Très-Fidèle et Bien-Aimé Conseiller SIR JOHN DOUGLAS SUTHERLAND CAMPBELL (communément appelé le Marquis de Lorne), Chevalier de Notre Très-Ancien et Très-Noble Ordre du Chardon, Chevalier Grand'Croix de Notre Ordre Très-Distingué de Saint Michel et Saint George, Gouverneur-Général du Canada, et Vice-Amiral en icelui.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce VINGT-NEUVIÈME jour d'OCTOBRE, dans l'année de Notre Seigneur mil huit cent soixante-dix-neuf, et de Notre Règne la quarante-troisième.

Par ordre,

J. C. AIKINS,
Secrétaire d'Etat.

20-3

(Canada.)

Sir M. E. Hicks Beach au Marquis de Lorne.

DOWNING STREET,
3 novembre 1879.

Milord,

J'ai reçu vos dépêches No. 152 et 153 du 26 mai dernier, transmettant les rapports du Conseil Privé au sujet des vues de votre gouvernement concernant la question de la préséance des officiers de marine au Canada et des salves de coups de canons tirées en l'honneur des lieutenants-gouverneurs dans leurs provinces respectives, et au siége du gouvernement du Canada.

J'ai transmis copies de ces rapports aux commissaires de l'amirauté, avec lesquels je suis encore en rapports sur ce point ; mais je veux vous dire de suite que j'approuve l'avis de votre gouvernement, c'est-à-dire que les juges-en-chef des différentes cours supérieures de droit commun et d'équité dans les diverses provinces du Canada, devraient prendre rang, (suivant la date de leurs nominations) aussitôt après le juge-en-chef de la Cour Suprême du Canada, et que les juges puisnés de la Cour Suprême devraient pren-

dre rang (suivant la date de leurs nominations) immédiatement avant les juges puisnés des diverses cours provinciales, au lieu de prendre le rang assigné aux juges de la Cour Suprême par ma dépêche du 31 octobre 1878.

J'ai l'honneur d'être, etc.,

21-3 M. E. HICKS BEACH.

RÈGLEMENTS relatifs au bateau-traversier sur la rivière Ottawa, entre le quai de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, dans la province de Québec, et le quai de Brown, dans le township de Plantagenet-Nord, dans le comté de Prescott, dans la province d'Ontario.

Premièrement.—Limites.

Les limites de la traverse s'étendront jusqu'à la distance d'un mille au-delà du quai de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, dans la province de Québec, et jusqu'à une égale distance au bas du quai de Brown, dans le township de Plantagenet-Nord, dans le comté de Prescott, dans la province d'Ontario.

Deuxièmement.—Débarcadères.

Il faudra établir sur les deux côtés de la rivière, des débarcadères convenables ou des quais pouvant servir en tout temps, durant la saison de la navigation—le tout sujet à l'approbation du département du Revenu de l'Intérieur.

Troisièmement.—Bateau-traversier.

Durant la première année qui suivra le bail, le fermier fournira et placera sur la traverse un bateau mû, soit par la vapeur, par les chevaux ou par les rames, et propre au transport, aussi rapide que possible, des passagers, des chevaux, des bêtes à cornes, et de tous les véhicules ordinaires ; et le dit bateau sera sujet à l'approbation du département du Revenu de l'Intérieur ; et si le fermier décidait de se servir d'un bateau à vapeur, il lui faudrait obtenir et produire, lorsque demande en serait faite, un certificat du bureau des inspecteurs de bateaux à vapeur du Canada, attestant que tel bateau à vapeur est convenable, sûr et suffisant pour le service.

Quatrièmement.—Nombre de traversées.

Durant la saison de la navigation, le bateau-traversier commencera à marcher (sauf les dimanches) à six heures a.m. et continuera ensuite à traverser, aussi souvent qu'il sera nécessaire, et le nombre des traverses sera fixé, de temps à autre, par le département du Revenu de l'Intérieur. Le fermier devra, jusqu'à nouvel ordre, établir un système convenable de signaux, et traverser d'un côté à l'autre, lorsqu'il sera ainsi appelé à le faire.

Cinquièmement.—Tarif.

Le maximum des prix pour la traverse sera comme suit :

	Centins.
Pour une voiture attelée de deux chevaux, avec son conducteur, pour chaque traverse.....	30
Pour une voiture attelée d'un cheval, avec son conducteur, pour chaque traverse.....	25
Pour un cheval, pour chaque traverse.....	20
Pour chaque tête de bête à cornes, pour chaque traverse	20
Pour chaque tête de mouton ou de cochon, pour chaque traverse.....	10
Pour chaque passager, pour chaque traverse.....	10
Pour chaque 100 livres de fret, pour chaque traverse	5

Sixièmement.

Le bateau-traversier devra être placé sur la traverse complètement terminé et équipé, et les débarcadères devront aussi être construits et achevés le ou avant le premier jour de mai 1880.

Septièmement.

La durée du bail sera de sept ans, à compter du premier jour de novembre 1879.

Huitièmement.

Le fermier sera tenu de fournir deux cautionnements acceptés par le département du Revenu de l'Intérieur ; et les deux cautions seront séparément et conjointement responsables pour une somme de $400, de l'exécution parfaite des termes du bail.

Neuvièmement.

Le département du Revenu de l'Intérieur se réserve le droit de ne pas accepter le bateau-traversier ou les débarcadères, ou l'un ou l'autre, comme impropres ou insuffisants pour le service, ou bien comme dangereux. Le Gouverneur en conseil se réserve aussi le droit de modifier le maximum du tarif, si l'intérêt public l'exigeait, et le Gouverneur en conseil pourra résilier le bail, lorsqu'il sera démontré d'une manière satisfaisante que le fermier de la traverse ne remplit pas les conditions de son bail.

Dixièmement.

Il devra être affiché près de l'embarcadère du bateau-traversier, de chaque côté de la rivière, ainsi que sur le bateau-traversier, un avis indiquant les prix.

AVIS est, par les présentes, donné qu'il a plu à Son Excellence le Gouverneur-Général, par un ordre en conseil du 11 du courant, d'ordonner et statuer que, comme certains manufacturiers en Canada ont pris l'habitude d'importer des acides sulfurique et nitrique mélangés, et comme, en conséquence, il s'est élevé des doutes quant aux droits de douane dont cette substance devrait être frappée,—la taxe sur les articles en question, s'ils sont importés mélangés, sera la même que pour l'acide nitrique, savoir: 20 °/₀ *ad valorem*.

Par ordre,

J. JOHNSON,
20-3 Commissaire des Douanes.

AVIS public est par le présent donné qu'en vertu de l'acte du Canada concernant les compagnies à fonds social, de 1877, des lettres-patentes ont été émises sous le grand sceau du Canada, portant la date du premier jour d'octobre 1879, par lesquelles les actionnaires de la compagnie de lithographie Burland-Desbarats, constituant une corporation existante et valide dûment établie par lettres patentes, portant la date du quatrième jour de novembre 1874, et émises sous l'autorité de l'acte de 1869 concernant les lettres-patentes des compagnies à fonds social, et faisant le commerce de gravures, de lithographie, d'imprimerie et de publication, dans la cité de Montréal—ainsi que tous ceux qui pourraient ci-après devenir actionnaires de la dite compagnie, ont été incorporés, comme corps incorporé et politique, ayant succession perpétuelle et un sceau commun sous le nom de la " Compagnie de lithographie Burland (limitée)," avec tous les droits et pouvoirs conférés par l'acte en premier lieu mentionné, et sujet à toutes les conditions et dispositions du dit acte, et dans le but de faire le commerce de gravures, de lithographie, d'impressions et de publication dans le Canada, avec un fonds capital total de deux cents mille piastres, divisé en deux mille actions de cent piastres chaque.

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

My Lord,—

I have received your despatches Nos. 152 and 153 of the 26th May last, transmitting Reports of the Privy Council expressing the views of your Government respecting the question of precedence of Naval Officers in the Dominion, and on the subject of Salutes, and of the precedence to be given to the Lieutenant Governors of the Provinees within their respective Provinees, and at the seat of Government of the Dominion.

I have transmitted copies of these Reports to the Lords Commissioners of the Admiralty and I am still in communieation with their Lordships on the subje:t of them, but I will not any longer delay conveying to you my approval of the suggestion made by your Government that the Chief Judges of the several Superior Courts of Common Law and Equity in the different Provinees of the Dominion, should take rank and precedence (in accordance with the dates of their respective Commissions) immediately after the Chief Justiee of the Supreme Court of Canada, and that the Puisne Judges of the Supreme Court should take rank and preeedenee (in accordance with the dates of their respeetive commissions) immediately before the Puisne Judges of the several Provincial Courts in lieu of the rank and precedence assigned to the Judges of the Supreme Court by my despatch of the 31st October, 1878.

I have, &c.,

M. E. HICKS BEACH.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

Sir M. E. Hicks Beach au Marquis de Lorne.

Downing Street,
3 novembre 1879.

Milord,

J'ai reçu vos dépêches No. 152 et 153 du 26 mai dernier, transmettant les rapports du Conseil Privé au sujet des vues de votre gouvernement concernant la question de la préséance des officiers de marine au Canada et des salves de coups de canons tirées en l'honneur des lieutenants-gouverneurs dans leurs provinces respectives, et au siége du gouvernement du Canada.

J'ai transmis copies de ces rapports aux commissaires de l'amirauté, avec lesquels je suis encore en rapports sur ce point; mais je veux vous dire de suite que j'approuve l'avis de votre gouvernement, c'est-à-dire que les juges-en-chef des différentes cours supérieures de droit commun et d'équité dans les diverses provinces du Canada, devraient prendre rang, (suivant la date de leurs nominations) aussitôt après le juge-en-chef de la Cour Suprême du Canada, et que les juges puisnés de la Cour Suprême devraient prendre rang (suivant la date de leurs nominations) immédiatement avant les juges puisnés des diverses cours provinciales, au lieu de prendre le rang assigné aux juges de la Cour Suprême par ma dépêche du 31 octobre 1878.

J'ai l'honneur d'être, etc.,

M. E. HICKS BEACH.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation ; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu ; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

MY LORD,—

I have received your despatches Nos. 152 and 153 of the 26th May last, transmitting Reports of the Privy Council expressing the views of your Government respecting the question of precedence of Naval Officers in the Dominion, and on the subject of Salutes, and of the precedence to be given to the Lieutenant Governors of the Provinces within their respective Provinces, and at the seat of Government of the Dominion.

I have transmitted copies of these Reports to the Lords Commissioners of the Admiralty and I am still in communication with their Lordships on the subject of them, but I will not any longer delay conveying to you my approval of the suggestion made by your Government that the Chief Judges of the several Superior Courts of Common Law and Equity in the different Provinces of the Dominion, should take rank and precedence (in accordance with the dates of their respective Commissions) immediately after the Chief Justice of the Supreme Court of Canada, and that the Puisne Judges of the Supreme Court

should take rank and precedence (in accordance with the dates of their respective commissions) immediately before the Puisne Judges of the several Provincial Courts in lieu of the rank and precedence assigned to the Judges of the Supreme Court by my despatch of the 31st October, 1878.

ORDERS IN COUNCIL.

PRIVY COUNCIL CHAMBER,

Ottawa, 4th day of December, 1879.

I hereby certify that the following By-Laws passed by the Pilotage Authority for the District of Nanaimo, in the Province of British Columbia, were this day approved by His Excellency the Governor General in Council.

J. O COTÉ,
Assistant Clerk,
Privy Council.

—

DOMINION OF CANADA, PROVINCE OF BRITISH COLUMBIA.

By-Laws of the Pilotage Authority for the District of Nanaimo, B. C.

1. A Pilotage Authority having been established at Nanaimo, B C, with jurisdiction extending to all other parts of Vancouver Island, excepting Victoria and Esquimalt Harbours, the following By-Laws are made by said Authority, for the Government of Pilots of Nanaimo Pilotage District.

Licenses

2. Will be granted to a limited number of such persons as the board shall find to be qualified and eligible. Applications must be in writing to the Secretary.

3- Masters or Mates of Canadian registered steamers on producing proof of qualification to the satisfaction of the Pilotage Authority, shall be entitled to a yearly certificate as Pilot for the vessel in which they may be then employed, on payment of an examination fee of Ten Dollars; and while a duly Pilotage certificated Master or Mate is actually employed as Master or Mate of a steamer registered as aforesaid, the said steamer shall not be liable to pay pilotage fees.

Qualifications.

4. Any person applying for a license as Pilot, for this Pilotage district, must be a British subject, not under twenty-one years of age, and produce evidence that he has served in some licensed pilot boat, for at least three years, or that he has served in square-rigged vessels, either in the capacity of Master or Mate. 7. 14. Each branch or licensed Pilot, shall at all times, when on service, carry with him and produce, when required so to do, his license, from the Pilotage Authority, and a copy of these rules and regulations.

19. In the event of any dispute arising between Masters of vessels and Pilots, or between Pilots themselves, the matter shall be referred to the Pilot board, who shall adjudicate thereon, and whose decision shall be final; and every licensed Pilot, who shall act contrary to these regulations, or shall attempt to evade the sense, intent or meaning of any or either of them, or shall refuse, or neglect, to appear before the Commissioners after twenty four hours' notice when his attendance shall be required by them, on any occasion, or shall give any unnecessary trouble, annoyance or detention to masters of vessels, shall, for every offence, be liable to a penalty not exceeding Forty dollars, and also to suspension, or dismissal, at the discretion of the Commissioners.

20. When any accident shall occur, it shall be the duty of the Pilot in charge at the time of said accident, to give a full and true account of the circumstances in writing, and place the same by the first possible opportunity before the Pilot Commissioners of the district.

PROVINCE OF ONTARIO.

IN pursuance of "The Maritime Jurisdiction Act, 1877," and with the approval of the Governor in Council, I, Kenneth Mackenzie, Judge of the Maritime Court of Ontaria, do make the following additional General Rules:

274. No order for advertising a notice of the cause and intended Sale in a cause *in rem*, by default, shall be made unless upon the application for such order it is made to appear to the satisfaction of the Judge or Surrogate Judge as the case may be,—

(*a*). That no owner or mortgagee of the property proceeded against resides in Canada,—or

(*b*). That the whereabouts of none of the owners or mortgagees in Canada can be ascertained after reasonable efforts in that behalf,—or

(*c*). That the institution of the cause has come to the knowledge of the owners or some of them, if in Canada,—or to the knowledge of the agent in Canada of the owners or some of them—and that the institution of the cause has come to the knowledge of at least one of the mortgagees under each mortgage upon the property registered in Canada, or to the knowledge of his agent, if any, in Canada.

275. No order for the sale of the property proceeded against in a cause *in rem*, whether by default or otherwise, shall be made, unless upon the application for such order it is made to appear to the satisfaction of the Judge or Surrogate Judge, as the case may be,—

(*a*). That the institution of the cause has come to the knowledge of at least one of the mortgagees under each mortgage upon the property registered in Canada, or to the knowledge of his agent, if any, in Canada,—or

(*b*). That the whereabouts of none of the mortgagees in Canada can be ascertained after reasonable efforts in that behalf.

276. Two or more persons having claims against the same property for wages or for necessaries may join against the same property in one petition, and unless the sum or sums adjudged to the claimant or claimants in a petition in a cause of wages or of necessaries amount to the sum of one hundred dollars at least, no costs shall be allowed to the claimant or claimants, as the case may be, unless under all the circumstances the Judge or Surrogate Judge thinks proper to allow a sum in gross not exceeding ten dollars in lieu of all costs.

This rule does not authorize the joining in one petition a claim for wages and a claim for necessaries.

277. No warrant to arrest a vessel shall be issued in a cause of necessaries or of repairing unless the national character of the vessel proceeded against shall be stated in the affidavit, and that it shall also be stated in the affidavit that no owner or part owner is domiciled within the Province of Ontario at the time of the necessaries being supplied or at the time of the repairs being made.

Dated this tenth day of November, A.D., 1879.

(Signed,)
KENNETH MACKENZIE.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

No. 1.

Règlements et Ordres pour la Milice, 1879.

Le paragraphe 274 est par le présent amendé, à la douzième ligne (version anglaise) du 5e sous-paragraphe, en substituant le mot " droite " au mot " gauche," comme étant la ligne que " suivra la balle."

No. 2.

Nominations des sous-officiers dans les corps d'artillerie.

Les officiers qui commandent des corps d'artillerie sont priés de ne point nommer de sous-officiers dans le seul but de leur donner un grade avant leur entrée à l'école d'artillerie, mais d'attendre au contraire que ces personnes se soient mises en état de pouvoir occuper ce grade et de ne les nommer ensuite, que s'il y a opportunité de le faire pour l'avantage du service. En faisant ces nominations ainsi à l'avance on nuit sérieusement à l'instruction qui doit leur être donnée, et la discipline des écoles d'artillerie souffre de cela.

Sir M. E. Hicks Beach au Marquis de Lorne.

DOWNING STREET,
3 novembre 1879.

Milord,

J'ai reçu vos dépêches No. 152 et 153 du 26 mai dernier, transmettant les rapports du Conseil Privé au sujet des vues de votre gouvernement concernant la question de la préséance des officiers de marine au Canada et des salves de coups de canons tirées en l'honneur des lieutenants-gouverneurs dans leurs provinces respectives, et au siége du gouvernement du Canada.

J'ai transmis copies de ces rapports aux commissaires de l'amirauté, avec lesquels je suis encore en rapports sur ce point; mais je veux vous dire de suite que j'approuve l'avis de votre gouvernement, c'est-à-dire que les juges-en-chef des différentes cours supérieures de droit commun et d'équité dans les diverses provinces du Canada, devraient prendre rang, (suivant la date de leurs nominations) aussitôt après le juge-en-chef de la Cour Suprême du Canada, et que les juges puisnés de la Cour Suprême devraient prendre rang (suivant la date de leurs nominations) immédiatement avant les juges puisnés des diverses cours provinciales, au lieu de prendre le rang assigné aux juges de la Cour Suprême par ma dépêche du 31 octobre 1878.

J'ai l'honneur d'être, etc.,
21–3 M. E. HICKS BEACH.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL EN CONSEIL.

ATTENDU que l'honorable ministre de l'Agriculture a fait rapport que les médecins-vétérinaires sont d'avis que certaines maladies contagieuses

Il a plu à Son Excellence, sur la recommandation de l'honorable ministre de l'Agriculture, d'ordonner, et il est par le présent ordonné que tout en maintenant en force l'ordre du conseil ci-haut mentionné concernant les importations de l'Europe, et l'ordre du conseil du 4 octobre 1879, prohibant l'importation, toutes les bêtes à cornes venant d'Europe, seront sujettes en entrant dans les ports de Québec, Halifax et Saint-Jean, à une quarantaine de quatre-vingt-dix jours avant de pouvoir venir en contact avec les bestiaux canadiens, ou d'être exportées dans tout autre pays.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DOMINION OF CANADA, PROVINCE OF BRITISH COLUMBIA.

By-Laws of the Pilotage Authority for the District of Nanaimo, B. C.

1. A Pilotage Authority having been established at Nanaimo, B C, with jurisdiction extending to all other parts of Vancouver Island, excepting Victoria and Esquimalt Harbours, the following By-Laws are made by said Authority, for the Government of Pilots of Nanaimo Pilotage District.

Licenses

2. Will be granted to a limited number of such persons as the board shall find to be qualified and eligible. Applications must be in writing to the Secretary.

3. Masters or Mates of Canadian registered steamers on producing proof of qualification to the satisfaction of the Pilotage Authority, shall be entitled to a yearly certificate as Pilot for the vessel in which they may be then employed, on payment of an examination fee of Ten Dollars; and while a duly Pilotage certificated Master or Mate is actually employed as Master or Mate of a steamer registered as aforesaid, the said steamer shall not be liable to pay pilotage fees.

Qualifications

4. Any person applying for a license as Pilot, for this Pilotage district, must be a British subject, not under twenty-one years of age, and produce evidence that he has served in some licensed pilot boat, for at least three years, or that he has served in square-rigged vessels, either in the capacity of Master or Mate. 7. The Pilotage Authority may remit pilotage dues to steamers carrying Her Majesty's mails between San Francisco and the Province of British Columbia, in whole, or in part, as to them may appear fit, provided such steamers call at the Port of Nanaimo, for the purpose of coaling and have on board a duly licensed Pilot, of some other Pilotage district, within the said Province, capable of piloting in the waters of this district, and do not therefore require the services of a Nanaimo Pilot, but the ten dollars per day, payable for Gulf pilotage, shall be due to, and collected by, the Pilotage Authority of this District.

12. The licensed Pilot piloting a vessel inwards from sea, shall be entitled to pilot her outwards, when she leaves Port, unless, on complaint of the Master, owner or agent of the said vessel, the Pilotage Authority shall direct otherwise.

14. Each branch or licensed Pilot, shall at all times, when on service, carry with him and produce, when required so to do, his license, from the Pilotage Authority, and a copy of these rules and regulations.

15. No Pilot shall absent himself from duty, without first obtaining leave in writing from the Pilotage Authority, nor shall a Pilot engage in any other employment under a penalty of forfeiting his license.

19. In the event of any dispute arising between Masters of vessels and Pilots, or between Pilots themselves, the matter shall be referred to the Pilot board, who shall adjudicate thereon, and whose decision shall be final; and every licensed Pilot, who shall act contrary to these regulations, or shall attempt to evade the sense, intent or meaning of any or either of them, or shall refuse, or neglect, to appear before the Commissioners after twenty four hours' notice when his attendance shall be required by them, on any occasion, or shall give any unnecessary trouble, annoyance or detention to masters of vessels, shall, for every offence, be liable to a penalty not exceeding Forty dollars, and also to suspension, or dismissal, at the discretion of the Commissioners.

20. When any accident shall occur, it shall be the duty of the Pilot in charge at the time of said accident, to give a full and true account of the circumstances in writing, and place the same by the first possible opportunity before the Pilot Commissioners of the district.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Honorable the Minister of Agriculture has reported that it is the opinion of Veterinary Surgeons of the highest standing, that the incubation of certain contagious disease affecting animals, may extend over a period of nearly three months:—that the diseases known as "Cattle plague" "pleuro-pneumonia," and "foot and mouth disease" still exist in Europe; and suggests the necessity of further precautionary measures being adopted in addition to the measures prescribed by the Order in Council of the 20th day of April, 1876,—

His Excellency in Council, on the recommendation of the Honorable the Minister of Agriculture, has been pleased to order, and it is hereby ordered, that whilst the enactments of the Order in Council hereinbefore mentioned regarding European importations, and the Order in Council of the 4th October 1879, prohibiting importation, are maintained, all neat cattle coming from Europe be subject, on entering the Ports of Quebec, Halifax and St. John, to a probationary quarantine of ninety days before being allowed to come in contact with Canadian cattle or exported to any other Country.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

—

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

GOVERNMENT NOTICES.

COMMISSION APPOINTING THE RIGHT HONOURABLE THE EARL OF CARNARVON AND OTHERS TO BE COMMISSIONERS TO INQUIRE INTO THE STATE OF THE DEFENCES, ETC , OF THE COLONIES.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, to Our Right Trusty and Right Well-beloved Cousin and Councillor Henry Howard Molyneux, Earl of Carnarvon ; Our Right Trusty and Well-beloved Councillor Hugh Culling Eardley Childers ; Our Trusty and Well-beloved Sir Henry Thurstan Holland, Baronet, Knight Commander of Our Most Distinguished Order of Saint Michael and Saint George ; Our Trusty and Well beloved Sir Alexander Milne, Baronet, Knight Grand Cross of Our Most Honourable Order of the Bath, Admiral in Our Navy ; Our Trusty and Well-beloved Sir John Lintorn Arabin Simmons, Knight Grand Cross of Our Most Honourable Order of the Bath, General in Our Army, Inspector-General of Fortifications and Director of Works ; Our Trusty and Well-beloved Sir Henry Barkly, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, Knight Commander of Our Most Honourable Order of the Bath ; Our Trusty and Well-beloved Thomas Brassey, Esquire; and Our Trusty and Well-beloved Robert George Crookshank Hamilton, Esquire, Accountant-General of Our Navy and Comptroller of Navy Pay ;

WHEREAS We have thought it expedient, for divers good causes and considerations, that a Commission should forthwith issue to enquire into the condition and sufficiency of the means, both naval and military, provided for the defence of the more important seaports within Our Colonial possessions and their dependencies, and of the stations established or required within Our said possessions and dependencies for coaling, refitting, or repairing the ships of Our navy, and for the protection of the commerce of Our Colonies with the United Kingdom of Great Britain and Ireland, with each other, and with foreign countries :

And whereas it is expedient to consider and determine in which of Our stations and ports it is desirable, on account of their strategical or commercial importance, to provide an organized system of defence, in addition to such general protection as can be afforded by Our naval forces ; and whether such defence should consist of permanent works manned by garrisons of Imperial or local troops, or both combined, or of any local naval organization or other armaments and appliances :

And whereas it is desirable to consider whether, and in what proportions, the cost of such measures of defence should be divided between the Imperial Government and the Colonies to which they relate, or should be wholly defrayed by the Imperial Government or by the Colonies :

NOW KNOW YE that We, reposing great trust and confidence in your zeal, knowledge, and ability, have authorized and appointed, and do by these presents authorize and appoint you, the said Henry Howard Molyneux, Earl of Carnarvon ; Hugh Culling Eardley Childers ; Sir Henry Thurstan Holland ; Sir Alexander Milne ; Sir John Lintorn Arabin Simmons ; Sir Henry Barkly ; Thomas Brassey ; and Robert George Crookshank Hamilton, to be Our Commissioners for the purpose of such inquiries as aforesaid, and that you may offer such suggestions as may seem to you meet as to the best means (regard being had to the works completed and in progress, and to the ordinary number of Our naval and military forces voted by Parliament), of providing for the defence and protection of Our Colonial Possessions and commerce as aforesaid, special attention being given to the necessity of providing safe coaling, refitting, and repairing stations in such of Our Colonial possessions and their dependencies as you may deem best suited for the requirements of Our fleet and mercantile marine in time of war.

And for the better enabling you to carry these Our intentions into effect, We do hereby authorize and empower you, or any three or more of you, to call for, have access to and examine all plans and designs for all works of defence now in progress or under Our consideration, or any other plans or designs that may be laid before you for the same object.

And We do give and grant to you, or any three or more of you, full power and authority to call before you such persons in Our civil, military or naval services, or others connected with Our Colonial Possessions, as you shall judge likely to afford you the best and fullest information upon the subject of this Our Commission, and to inquire of and concerning the premises by all other lawful ways and means whatsoever.

And We do by these presents will and ordain that this Our Commission shall continue in full force and virtue, and that you, Our said Commissioners, or any three or more of you, may from time to time proceed in the execution thereof, and of every matter and thing therein contained, although the same be not continued from time to time by adjournment.

And Our further will and pleasure is, that you, Our said Commissioners, or any three or more of you, upon due inquiry into the premises, do report to Us, in writing, under your hands and seals, your several proceedings, under and by virtue of this Commission, together with what you shall find touching or concerning the premises.

And We further ordain that you, or any three or more of you, may have liberty to report to Us your proceedings under this Commission from time to time, should you judge it expedient so to do.

And for your assistance in the due execution of these presents, We have made choice of Our trusty and well-beloved Herbert Jekyll, Esquire, a Captain in Our corps of Royal Engineers, to be Secretary to this Our Commission, and to attend you, whose services and assistance We require you to avail yourselves of from time to time, as occasion may require.

Given at Our Court at Balmoral, this eighth day of September, 1879, in the forty-third year of Our reign.

By Her Majesty's command,

25-3 M. E. HICKS BEACH.

In By-Law No. 5, the clause to be altered as follows which commences thus : " Vessels, upon being hailed by a licensed pilot " to read : " Vessels, upon being hailed by a licensed pilot outside the limits of the port for which he is licensed but within the pilotage district of Sydney, and refusing to, or not taking such pilot, shall pay half pilotage inwards, and upon being offered the services of a licensed pilot before being ready for sea, and refusing the services of such pilot shall be liable to half pilotage outward ;" the clause commencing. " Pilots delivering orders outside

of port limits" to read; "Pilots delivering orders outside of port limits to vessels to proceed elsewhere, shall be entitled to receive full inward pilotage only from such vessels, and, if in any case, another regular pilot belonging to the same port be found in charge, the amount of pilotage collected shall be equally divided between the pilot in charge, and the pilot delivering orders;" and the clause commencing "Vessels arriving from sea without being spoken" to read: "Vessels arriving from sea without being spoken inwards by a pilot shall be subject to half pilotage outward unless a pilot be employed, in which case full outward pilotage will be charged, the half pilotage in this case to be paid into the pilotage fund." The following to be added: "Vessels calling for orders and remaining outside of harbor limits shall be exempt from outward pilotage unless a pilot be employed."

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.
ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

COMMISSION APPOINTING THE RIGHT HONOURABLE THE EARL OF CARNARVON AND OTHERS TO BE COMMISSIONERS TO INQUIRE INTO THE STATE OF THE DEFENCES, ETC., OF THE COLONIES.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, to Our Right Trusty and Right Well-beloved Cousin and Councillor Henry Howard Molyneux, Earl of Carnarvon; Our Right Trusty and Well-beloved Councillor Hugh Culling Eardley Childers; Our Trusty and Well-beloved Sir Henry Thurstan Holland, Baronet, Knight Commander of Our Most Distinguished Order of Saint Michael and Saint George; Our Trusty and Well-beloved Sir Alexander Milne, Baronet, Knight Grand Cross of Our Most Honourable Order of the Bath, Admiral in Our Navy; Our Trusty and Well-beloved Sir John Lintorn Arabin Simmons, Knight Grand Cross of Our Most Honourable Order of the Bath, General in Our Army, Inspector-General of Fortifications and Director of Works; Our Trusty and Well-beloved Sir Henry Barkly, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, Knight Commander of Our Most Honourable Order of the Bath; Our Trusty and Well-beloved Thomas Brassey, Esquire; and Our Trusty and Well-beloved Robert George Crookshank Hamilton, Esquire, Accountant-General of Our Navy and Comptroller of Navy Pay;

WHEREAS We have thought it expedient, for divers good causes and considerations, that a Commission should forthwith issue to enquire into the condition and sufficiency of the means, both naval and military, provided for the defence of the more important seaports within Our Colonial possessions and their dependencies, and of the stations established or required within Our said possessions and dependencies for coaling, refitting, or repairing the ships of Our navy, and for the protection of the commerce of Our Colonies with the United Kingdom of Great Britain and Ireland, with each other, and with foreign countries:

And whereas it is expedient to consider and determine in which of Our stations and ports it is desirable, on account of their strategical or commercial importance, to provide an organized system of defence, in addition to such general protection as can be afforded by Our naval forces; and whether such defence should consist of permanent works manned by garrisons of Imperial or local troops, or both combined, or of any local naval organization or other armaments and appliances:

And whereas it is desirable to consider whether, and in what proportions, the cost of such measures of defence should be divided between the Imperial Government and the Colonies to which they relate, or should be wholly defrayed by the Imperial Government or by the Colonies:

NOW KNOW YE that We, reposing great trust and confidence in your zeal, knowledge, and ability, have authorized and appointed, and do by these presents authorize and appoint you, the said Henry Howard Molyneux, Earl of Carnarvon; Hugh Culling Eardley Childers; Sir Henry Thurstan Holland; Sir Alexander Milne; Sir John Lintorn Arabin Simmons; Sir Henry Barkly; Thomas Brassey; and Robert George Crookshank Hamilton, to be Our Commissioners for the purpose of such inquiries as aforesaid, and that you may offer such suggestions as may seem to you meet as to the best means (regard being had to the works completed and in progress, and to the ordinary number of Our naval and military forces voted by Parliament), of providing for the defence and protection of Our Colonial Possessions and commerce as aforesaid, special attention being given to the necessity of providing safe coaling, refitting, and repairing stations in such of Our Colonial possessions and their dependencies as you may deem best suited for the requirements of Our fleet and mercantile marine in time of war.

And for the better enabling you to carry these Our intentions into effect, We do hereby authorize and empower you, or any three or more of you, to call for, have access to and examine all plans and designs for all works of defence now in progress or under Our consideration, or any other plans or designs that may be laid before you for the same object.

And We do give and grant to you, or any three or more of you, full power and authority to call before you such persons in Our civil, military or naval services, or others connected with Our Colonial Possessions, as you shall judge likely to afford you the best and fullest information upon the subject of this Our Commission, and to inquire of and concerning the premises by all other lawful ways and means whatsoever.

And We do by these presents will and ordain that this Our Commission shall continue in full force and virtue, and that you, Our said Commissioners, or any three or more of you, may from time to time proceed in the execution thereof, and of every matter and thing therein contained, although the same be not continued from time to time by adjournment.

And Our further will and pleasure is, that you, Our said Commissioners, or any three or more of you, upon due inquiry into the premises, do report to Us, in writing, under your hands and seals, your several proceedings, under and by virtue of this Commission, together with what you shall find touching or concerning the premises.

And We further ordain that you, or any three or more of you, may have liberty to report to Us your proceedings under this Commission from time to time, should you judge it expedient so to do.

And for your assistance in the due execution of these presents, We have made choice of Our trusty and well-beloved Herbert Jekyll, Esquire, a Captain in Our corps of Royal Engineers, to be Secretary to this Our Commission, and to attend you, whose services and assistance We require you to avail yourselves of from time to time, as occasion may require.

Given at Our Court at Balmoral, this eighth day of September, 1879, in the forty-third year of Our reign.

By Her Majesty's command,
25–3 M. E. HICKS BEACH.

That By-Law No. 3 be rescinded, and to read as follows: Every pilot when licensed shall pay a fee of ten dollars, and every Master and Mate certificated shall pay a fee of ten dollars, and the same amount for each annual renewal of such certificate; and every licensed pilot shall give a bond to the Commissioners, at the time of receiving his license, for his compliance with the harbor and pilot regulations, and for the faithful performance of his duty as pilot during the ensuing year, himself in the sum of eighty dollars, and two securities to the satisfaction of the Commissioners in forty dollars each, such bond to be renewed every year during his continuance in office; and each pilot shall pay three dollars for every renewal thereof, such sums to be paid into the pilot fund.

In By-Law No. 5, the clause to be altered as follows which commences thus: "Vessels, upon being hailed by a licensed pilot" to read: "Vessels, upon being hailed by a licensed pilot outside the limits of the port for which he is licensed but within the pilotage district of Sydney, and refusing to, or not taking such pilot, shall pay half pilotage inwards, and upon being offered the services of a licensed pilot before being ready for sea, and refusing the services of such pilot shall be liable to half pilotage outward;" the clause commencing. "Pilots delivering orders outside of port limits" to read: "Pilots delivering orders outside of port limits to vessels to proceed elsewhere, shall be entitled to receive full inward pilotage only from such vessels, and, if in any case, another regular pilot belonging to the same port be found in charge, the amount of pilotage collected shall be equally divided between the pilot in charge, and the pilot delivering orders;" and the clause commencing "Vessels arriving from sea without being spoken" to read: "Vessels arriving from sea without being spoken inwards by a pilot shall be subject to half pilotage outward unless a pilot be employed, in which case full outward pilotage will be charged, the half pilotage in this case to be paid into the pilotage fund." The following to be added: "Vessels calling for orders and remaining outside of harbor limits shall be exempt from outward pilotage unless a pilot be employed."

ATTENDU que pour diverses causes et considérations, Nous avons jugé à propos de nommer sans délai une Commission pour s'enquérir de la condition et des moyens de défense, tant navals que militaires, pour la protection de nos ports maritimes les plus importants dans nos possessions coloniales et leurs dépendances, et des stations établies ou nécessaires dans nos dites possessions et dépendances, pour y faire du charbon, radouber ou réparer les navires de Notre marine, et pour la protection du commerce de Nos colonies avec le Royaume-Uni de la Grande-Bretagne et d'Irlande, entre les unes et les autres, et avec les pays étrangers;

Et attendu qu'il est à propos de considérer et de déterminer dans lesquels de nos stations et ports il est désirable, vu leur importance stratégique ou commerciale, d'y organiser un système de défense, en sus de telle protection générale que peuvent fournir nos forces navales; et de décider si ces moyens de défense devraient consister en ouvrages permanents défendus par des garnisons de troupes impériales ou locales, ou les deux combinées, ou en une organisation navale locale ou autres armements et préparatifs;

Et afin de mieux vous faciliter la mise à exécution de Nos présentes intentions, Nous vous autorisons, ou aucuns trois ou plus d'entre vous, à demander, voir et examiner tous plans et dessins de tous travaux de défense en voie d'exécution ou attendant Notre décision, ou tous autres plans ou dessins qui pourront vous être soumis pour le même objet.

Et Nous vous donnons et accordons, ou à aucuns trois ou plus d'entre vous, plein pouvoir et autorité, d'appeler devant vous telles personnes de Nos services civil, militaire ou naval, ou autres personnes attachées à Nos possessions coloniales que vous jugerez en mesure de vous fournir les meilleurs et les plus amples renseignements sur le sujet de Notre présente commission, et de prendre toutes autres informations concernant le sujet par tous les moyens justifiables quelconques.

Et par ces présentes Nous voulons et ordonnons que Notre présente Commission continue en pleine force et vigueur, et que vous, Nos dits Commissaires, ou aucuns trois ou plus d'entre vous, procédiez de temps en temps à l'exécution d'icelle, et de toute matière et chose y contenues, bien qu'icelle n'ait pas été continuée de temps en temps par ajournement.

Et Nous voulons de plus, et désirons, que vous Nos dits Commissaires, ou aucuns trois ou plus d'entre vous, après enquête dûment faite dans l'affaire, Nous fassiez rapport par écrit, sous vos seings et sceaux, de vos diverses actions par et en vertu de cette Commission, ainsi de ce que vous trouverez qui touche ou concerne le sujet.

Et Nous ordonnons de plus que vous, ou aucuns trois ou plus d'entre vous pourrez Nous faire rapport de temps en temps de vos actions en vertu de cette Commission, selon que vous jugerez à propos de le faire.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pro prement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

ROBERT LEMOINE,
Greffier du Sénat.

ALFRED PATRICK,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce.

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation ; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu ; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.
